KISS OUR DEMOCRACY GOODBYE?

On June 2, 2003, the FCC, under the chairmanship of Michael Powell (son of Secretary of State Colin Powell) brought media deregulation to a new and frightening level. Despite complaints from two people on the five-member commission—Michael Copps and Jonathan Adelstein—that not enough consideration was being given to the impact this latest round of deregulation would have, Powell and the two other Republican members of the FCC, by passing these new rules, have virtually assured a round of media mergers that will see the control of information in fewer and fewer hands.

How few hands? Here's what *New York Times* columnist William Safire had to say when he was crusading against the deregulation's passage: "It would end the ban in most cities of cross-ownership of television stations and newspapers, allowing such companies as the *New York Times*, *Washington Post* and *Chicago Tribune* to gobble up ever more electronic outlets. It would permit Viacom, Disney and AOL Time Warner to control TV stations with nearly half the national audience. In the largest cities, it would allow owners of 'only' two TV stations to buy a third. We've already seen what happened when the FCC allowed the monopolization of local radio [in 1996, during the first wave of media deregulation]: Today three companies own half the stations in America, delivering a homogenized product that neglects local news coverage and dictates music sales."

Just look at how Clear Channel, which now owns 1,200 radio stations across the country, has used the power it gained in 1996: They recently banned the Dixie Chicks from their play list because one of the group's members had bad-mouthed Bush and they orchestrated "support our troops" (read: pro-Iraq war) rallies across the country, thus proving they are not an unbiased news source.

As for TV, antiwar protesters were already ignored before this latest round of deregulation: Although 27% of the population was against the Iraq war (according to a CNN poll), they only got 3% of the TV debate time, says Steve Rendall of the watchdog group Fairness and Accuracy in Reporting (FAIR). Monitoring all the major TV news outlets during a three-week period from March 20 to April 9, FAIR found that even when an anti-war position was given air time, it was almost always only for a soundbite. Rendall notes that there was not a single sit-down interview for the anti-war position during this period, while the pro-war side got extensive interviews.

Regardless of where you stand on the war with Iraq or any other issue, you have to admit that an effective, vibrant democracy can only exist with the free flow of information. If Powell's deregulation of media ownership isn't stopped, we won't have that anymore. Fortunately, because of a surprisingly strong outcry in Congress from both the Left and the Right, with people as diverse as Trent Lott and Barbara Boxer protesting the 3-2 vote, there is still a chance to save our democracy, if we act fast. Call or write your congressman today to make sure he gets on board the anti-deregulation bandwagon. A free America hangs in the balance.

BORED IN THE U.S.A.

By Sharon Bass

The candid revelations of three housewives and one guy seeking fun and excitement on live chat lines.

Calls to LIVE chat lines are at EXPLOSIVE LEVELS from HOUSEWIVES looking for fun, and wanting to talk to guys (married or not) about anything and everything. We found three women and one guy who frequent a very popular chat line called **1-800-WIFE-CHAT** and asked them why they are turning to a phone line for sex. Not surprisingly, the answer to our questions seemed to lead down one common path each time - Uninhibited, Instantaneous SEX, anytime, anywhere.

It's Friday night, "Susan's" husband is away on a business trip and her pussy is dripping wet with no one to satisfy her. Does she reach for the vibrator again? No, first, she picks up the phone and calls **1-800-WIFE-CHAT** looking for a man that will make her come over and over again.

"I get so lonely. and bored. Weekends and evenings are so hard on me, so I fix it fast, by finding a horny guy on the chat line who's...REALLY HARD and ready for me!" exclaims "Susan". She continues, "Calling the chat line for no-holes-barred sex talk is a necessity, it's become part of my evening routine."

I GET SO BORED AND LONELY

"Stephanie" will be the first to tell you she has an insatiable need for sex. "My husband is a great guy but he can't keep up with me." she says. "I call **1-800-WIFE-CHAT** about 4 times a week. It's free for me, and luckily, Daniel (husband) sort of looks the other way. It works for both of us, I get a different guy when I want and he gets to sleep through the night."

As "Stephanie" spins her wedding band around her finger she admits, "Just cuz I'm married doesn't mean I can't have sex chat with anonymous guys." she says. "It (being married) adds another level of excitement to calling the chat line."

"Stephanie", (married 5 yrs) in Florida admits, "The chat line feeds my continuous need for sex. My husband just can't keep up with me."

UNINHIBITED, INSTANTANEOUS SEX, ANYTIME ANYWHERE!

"I'm a realtor so I'm always working. Scheduling sex with my husband just doesn't work for me. I've been calling the live chat lines for eight months." claims "Kim".

Spontaneous live chat sessions are common in "Kim's" hectic life as a Realtor. "When I want it, I want it NOW! I'm always on the phone so I can get away with it very easily."

"I came five times on one call....while in my car!"

"I admit, when I first called I was nervous, but this guy had me rubbing my clit within minutes. Needless to say, it made me so hot, I've been calling ever since. I can't get enough of talking about sex, some might say I'm addicted to it."

"Kim" says she's made many new "friends" since calling **1-800-WIFE-CHAT**. "I actually met one guy for an innocent lunch which made our future calls with him even hotter. It seemed liked I was cheating....but I wasn't. Talk about having your cake and eating it too!

100% REAL HOUSEWIVES

"Yeah, I was skeptical about the girls on chat lines." Says "Will" computer programmer by day, chat line stud by night.

"Turns out, **1-800-WIFE-CHAT** is the REAL deal, they're 100% real married chicks, no actresses like other chat lines. I was surprised by how many wives liked to talk sex for hours." Will exclaims. "Some of these chicks can't get enough of me. It only cost's me $1.99 a minute and I get to fuck as many married women as I want!"

> "No actresses like other chat lines."

Warning - **1-800-WIFE-CHAT (1-800-943-3242)** is an adult community designed to connect Horny Men with Bored Housewives for explicit adult chat and is intended for people 18 or older only.

The Front Lines

As a serviceman stationed in Iraq, I want to thank you for the support. You guys sent me three hot-ass magazines. HUSTLER was the only company to show us any love out here. I will definitely get a subscription as soon as possible. I'll tell you a little bit about the war. My unit was the first in, and we hit a lot of shit. I don't know if we made the news, but we were doing big things. I killed four enemy soldiers and shot 27. I've seen a lot of my boys get hit and die. Besides all the shooting, the best part was rolling through cities and having women, little kids and some men line the streets and cheer at us. They would give us thumbs-up and yell that we're number one! Thanks again, HUSTLER. **—J.B.**
Iraq

I'm Specialist Joshua Hachtel of the U.S. Army's 1st Armored Division. I am currently stationed in Baghdad. The weather is outrageously hot, and water is in short supply. Plus I haven't seen so much as a drop of beer. Despite all of this, we keep a positive attitude. One thing that has helped us is the stack of HUSTLER magazines I brought with me, which I handed out to my soldiers. (Although I had to hang on to the September 2002 issue because I am a huge fan of Monica Sweetheart.) We all enjoy your *Hot Letters* and the pictorials, and the jokes keep us rolling. On behalf of 2/6 Infantry's Fire Support Element, thank you for keeping our spirits up. **—J.H.**
Iraq

We are all doing well over here in Iraq. We think the war is nearly over. I hope everything is alright back in America. Thank you for the three issues of HUSTLER you guys sent. If anyone down at the office feels like writing us, please encourage them. All the mail is so precious to us. Take care and God bless. **—D.H.**
Iraq

I'm a Marine in the 2nd Battalion 8th Unit stationed here in Iraq. We recently came under a heavy friendly fire attack in which 31 of us were injured. None of us died, which was a miracle. During this firefight I lost everything I owned. Since then, things have slowly been replaced except my HUSTLER magazine, which was my original intention in writing this letter, but the more I thought about it, the more upset I became. The way I see it, I'm in a war I don't agree with; I was sent here by a man who I think lost the election; and I lost nonreplaceable items in a friendly fire fight that lasted 35 minutes. I'm frustrated over not being able to vent these feelings while I'm here. We've been through many towns where people cheer for us and give us flowers. I've spoken to Iraqi people who tell tales of the evil dictator Saddam. In my heart I am happy that I have liberated people from fear and, hopefully, poverty. But then again, I believe that this is all for oil and/or a way to get G. W. off the hook regarding the U.S. economy. **—A.R.**
Iraq

A HUSTLER care package is on its way to you, A.R. America's Magazine supports our troops.

War and Piece: HUSTLER pitches in for Operation Desert Sperm.

Yes on Yasmyne

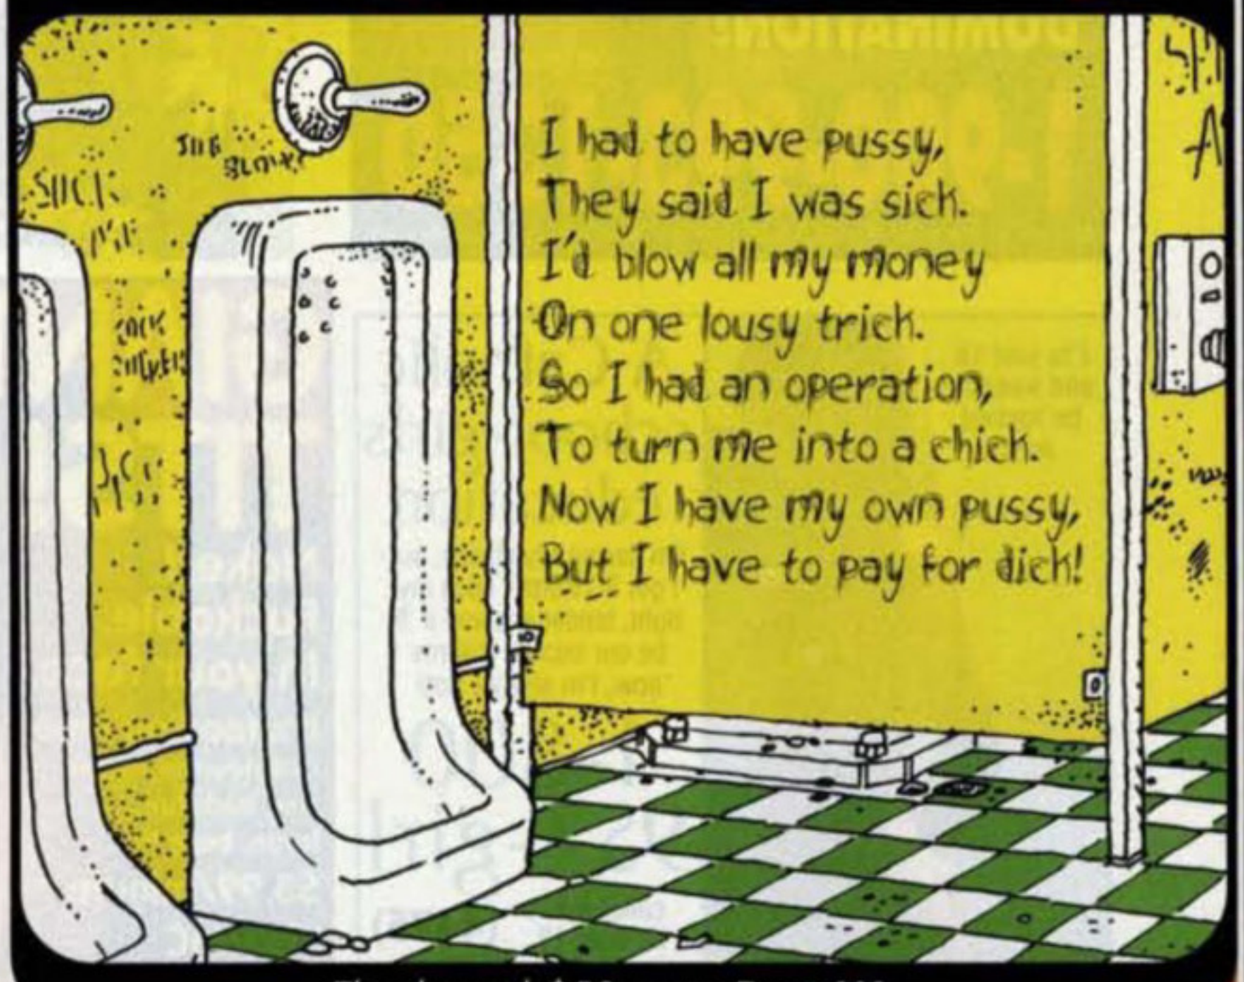
I am writing about the fantastic layout of Yasmyne *(Yasmyne: Sex-Hungry Hungarian)* in your August issue. Wow! I sure wish it was me plowing that raven-haired enchantress' snatch out

on the beach instead of that other guy. I can't wait to buy one of her videos and jack off till my dick blisters. **—W.F.**
Oxford, Mississippi

Gotta Have Faith

I very much enjoy your "Celebrity Fantasy" segment, where you show a famous woman sucking on a good, hard cock. I would love to see a shot of country music star Faith Hill huffing pole. One of my fantasies is to fuck her silly and see her in her own HUSTLER photo-spread. She could play with her pussy and show pink! **—O.C.**
Muskegon, Michigan

GRAFFiLTHY



I had to have pussy,
They said I was sick.
I'd blow all my money
On one lousy trick.
So I had an operation,
To turn me into a chick.
Now I have my own pussy,
But I have to pay for dick!

Thanks and $50 go to **Burt W.**

Virtuous Vince

I really loved it when my husband brought home the August HUSTLER. Finally, there's something for me to masturbate to as well. I fucking loved the Vince Neil interview. I thought it was hilarious and extremely sexy! Vince is looking better than ever. I tore out that full-page picture of him and hung it on my wall like a teenager. How long will it be until I get to see Vince fucking in the magazine as promised? Keep putting articles in the magazine that chicks will enjoy as well as the guys.

—K.S.
Los Angeles, California

Beaver Fever

I just wanted to say thanks for the *Beaver Hunt* and *Real College Girls* sections. The models are excellent, but more natural-looking girls are a definite turn-on too. To be honest, natural-looking pussy is preferable to the shaved, airbrushed, fake-tan, porn-model type. Keep up the good work, and keep showing the young, awesome babes. If possible, show the readers more Asian girls. Sexy Asian babes really turn a lot of us on. Additionally, the *HUSTLER Humor* page is kickass. You guys should publish a joke book or something.

—K.B.
Amherst, Ohio

We do, K.B. HUSTLER HUMOR is published twice a year and contains enough sick jokes and cartoons to last a lifetime.

Jenna Fails?

I would like to see Jenna Jameson with a cane sticking out of her ass in an upcoming "Butt Plug of the Month" to show how lame her *Jenna Tales* column is. I really hope it gets better soon. Jenna must have drained a lot of jizz bags at HUSTLER to get her own bullshit column. Another wasted page in my favorite magazine.

—J.T.
Camden, New Jersey

Hand Jive

I am a fan of your magazine largely because of its fearless photography. Lately, the quality of the HUSTLER photos has been in decline. Far too many of the pictures of the attractive women have been ruined by poses where they are placing their hands in or over their muffs. Quite often, I can't even see if the chick has pubic hair. I can see plenty of hands in the outside world! Please have your photographers tell the women to take their hands out of their slits so I can see what the would-be censors of the world don't want me to see.

—R.K.
Wayne, Nebraska

True to the Crüe

I love your kickass new format. I really dig the articles, features and all of the hot women that make me come every month. I like the fact that I've been seeing articles by Jim Goad. He's awesome! It was nostalgic to see Vince Neil (*Mötley Dude*, August HUSTLER) interviewed. Mötley Crüe is still totally badass! I say nostalgic because RIP, which Flynt published for a while, was one of my favorite heavy-metal magazines. Keep up the good work.

ASSHOLE OF THE MONTH

MICHAEL SAVAGE

Look, stuck to your shoe—it's a turd! It's a pain! It's on-air fuckhead Michael Savage! Star of radio and TV, super-sphincter Savage extends his media presence to America's Magazine, where he is HUSTLER's Asshole of the Month for November 2003.

Though he's now the rankest turd in the media cesspool, Savage began his career spreading quack science as "herbal doctor" Michael Weiner. Among the bizarre assertions made by the expert in "nutritional ethno-medicine": that cocaine addiction can be cured by coffee enemas, and vitamin C can reverse the progress of AIDS.

He may have rechristened himself with a comic book surname, but Savage's current load of bullshit is equally preposterous. "I want to elevate the dialogue, if I can, to some level that's civil," Savage says. His idea of civility includes mocking foreigners from "Turd World nations," while referring to Asians as "little soy-eaters," Hispanics as "leaf-blowers" and queers as "perverts." Whipping himself into a delusional froth of spittle and shit flecks, he concocts cockeyed theories about Hispanics (who "breed like rabbits") conspiring with gays "to cut down on the white race."

Somehow this grand wizard of the airwaves also has the effrontery to call the National Council of La Raza and the Mexican-American Legal Defense and Education Fund "racist" groups. But then Savage and hypocrisy are as inseparable as shit and stink. "You liberals are the descendants of Adolf Hitler," the wheezy pipsqueak shrieks before issuing a blast worthy of *Mein Kampf* from the other cheek: "I'm going to expose you until this government acts to finally stop you." Cementing his contempt for free speech, Savage has called for the arrest of anti-war protesters.

Not content to cast himself as the anal spawn of Lester Maddox and Joseph Stalin, Savage extends his rancor to teenage rape victims. Mocking 15-year-old abductee Elizabeth Smart, who'd been sexually abused by her captors, Shit-for-Brains Savage suggested that he might write a book on the subject, entitled *Lizzie Does Utah*. In another instance, he posited that a group of female high-school students who'd volunteered to distribute food to the homeless did so because of "the thrill and possibility [that] they'll be raped in a Dumpster while giving out a turkey sandwich."

Michael "I pick on girls" Savage clearly fancies himself a tough guy, but recent events suggest that his skin is as thin as his logic.

In March 2003, the Gay and Lesbian Alliance Against Defamation (GLAAD), irked by Savage's constant derision of queers, launched a boycott of companies sponsoring his MSNBC show. The blowhard threw a hissy fit and ran to his lawyers, who commenced litigation.

Boycotting is a perfectly legal form of protest and precisely the kind of free-market solution that so-called conservatives like Savage tout. Mikey's rush to sue is the sort of frivolous court action that he rails against in his broadcasts. But the sleaziest aspect of the lawsuit is whom it targets: not GLAAD, which initiated the boycott, but three tiny Web sites that endorsed it.

Is Savage afraid to take on a bunch of sissies, or just any organization with the resources to defend itself against his legal bullying?

The lawsuit also takes issue with supposed "false defamatory" statements made by the anti-Savage sites. Among them is a retouched photograph depicting Savage in a Klan uniform. The picture is clearly labeled as a parody. Parody, like boycotting, is protected by the First Amendment, something that a Constitutional champion such as Savage should know.

With a final display of idiocy, Savage's legal team tried to seize the domain name SavageStupidity.com on the grounds that it creates a "layer of confusion" for Web users seeking Savage's official site.

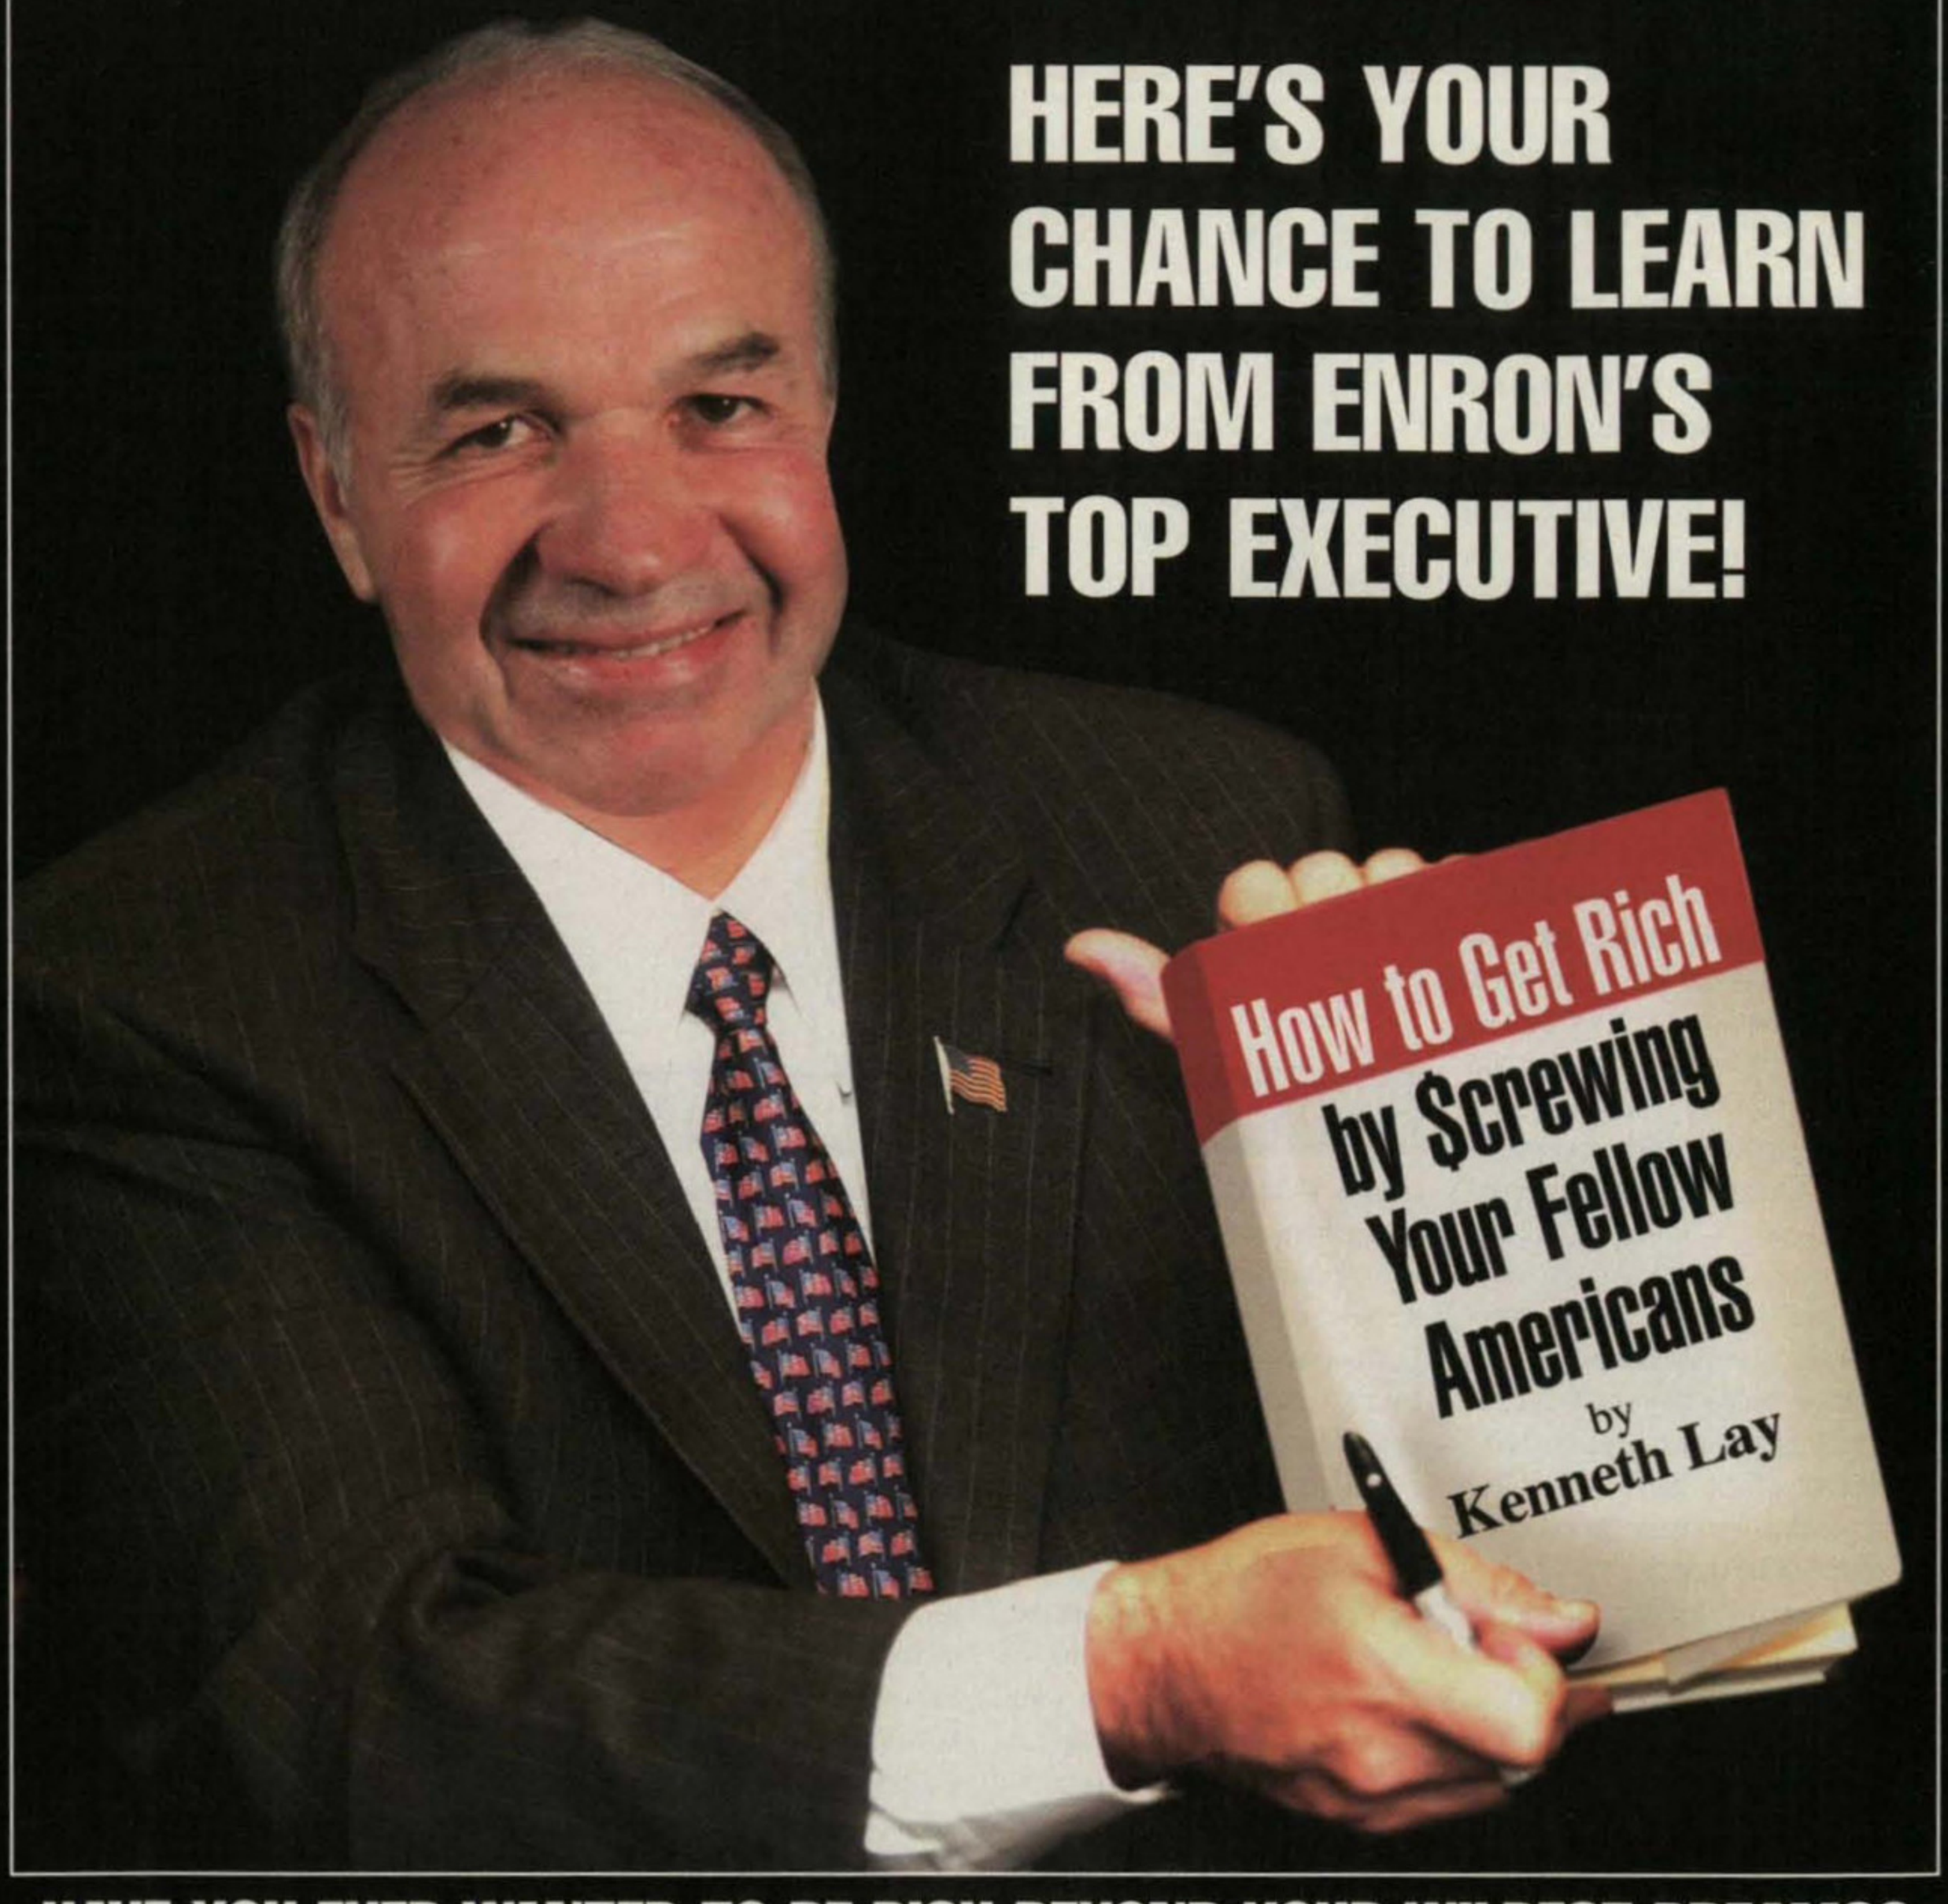
How little credit does Savage give his listeners? Sure, they're morons, but does he truly believe they'd mistake a site named Savage Stupidity as being *for* him?

That request was shot down by an arbitration panel, and it's almost certain that the rest of his legal shenanigans will meet the same fate. In fact, the boycott itself now seems moot. As this issue was going to press, Savage got *himself* fired from MSNBC for telling a caller he should "get AIDS and die." Savage was given the bum's rush, a fitting fate for a flaming Asshole.

FARTS IN THE WIND

Orrin Hatch: Utah Senator Orrin "Crap" Hatch, apparently unfamiliar with the concept of due process, recently suggested that companies should be allowed to automatically destroy people's computers by remote if they were used to illegally download music. That was before it was found that Hatch's official Web site was using unregistered software, in violation of the manufacturer's licensing terms. Who authorized Hatch to be such an Asshole?

Tyrell Tavarez and Ryan Marsh: New Bedford, Massachusetts, numbnuts Tavarez and Marsh are facing charges after allegedly gagging, hogtying, stabbing and burning a pizza delivery man. Apparently believing that their prey was Muslim, the pair told him that he should "go back to Iraq." The delivery guy, who suffered a broken jaw, is actually from India and, thus, a Hindu, but there's no mistaking Tavarez and Marsh as anything but Assholes.



HAVE YOU EVER WANTED TO BE RICH BEYOND YOUR WILDEST DREAMS?

I'm Kenneth Lay, and I'm here to tell you that the Tony Robbinses and Oprahs of this world are full of crap. They will tell you that the keys to success are goal-setting, affirmations, walking on hot coals, meditating or finding your inner child. Bullshit! If you really want to get rich, there are only three skills you need: lying, stealing and cheating! And I'll teach you how in my new book!

First, you'll learn how to buy off politicians from Bush to Cheney, who will push your deregulation plan so you can manipulate the California energy market and rake in millions! Then I'll show you step-by-step how to cook the corporate books, bamboozle your investors, hide your debt and cash in your stock just before the whole thing goes to hell! Sound too good to be true? Just read the chapter in my book entitled "What to Do if the Feds Come After You." Learn all the tricks of pleading the Fifth while your co-workers get indicted! If creditors try to sue you, follow my tips on how to evade them by socking away millions in annuities in the state of Texas, where the losers can't touch it!

BUTT PLUG OF THE MONTH

What would *you* like to see in a Honey's ass?

R. P. of Luling, Louisiana, is a cigar aficionado and wanted to see a "lit stogie shoved in a chick's heinie." Our own Nadia Nyce has sworn off cigarettes but had no problem taking this Cuban inside her colon. We think even Surgeon General Richard H. Carmona would approve of this type of smoking. HUSTLER encourages readers to tell us what they'd like to see embedded in a babe's booty. Send requests to: HUSTLER's "Butt Plug of the Month," 8484 Wilshire Boulevard, Suite 900, Beverly Hills, CA 90211.

Dutch illustrator and designer Meike van Schijndel takes pissing to a whole new level with his new Kisses urinal. Meike believes the experience of draining your lizard should be one of "total relaxation," and what could be more soothing than a pair of sexy lips waiting for your schlong? He says his urological invention is ceramic and can be attached to existing plumbing. To find out more about this whiz-bang product, go to **www.Bathroom-Mania.com**.

Congratulations, William J. Bennett!

The HUSTLER Casino chain is pleased to announce the offer of a $1 million credit line to William J. Bennett, former Secretary of Education, drug czar and recently outed gambling addict. We know the Bookie of Virtues has sworn off slots and video poker after gambling away $8 million in ten years, but c'mon, Bill, roll the dice just one more time. You know you miss the one-armed bandit. Don't worry; we won't tell your long-suffering wife.

This offer of a $1 million credit line is legitimate and only available to William J. Bennett, the hypocritical editor of *The Book of Virtues*. The offer is not transferable, applicable or available to any other William J. Bennett.

That's Why They Call It a Cockpit: Two Southwest Airlines pilots have been fired for removing their uniforms and flying an airliner naked. According to Southwest, a flight attendant was called into the cockpit, where she found the pilots almost completely undressed. The two unnamed aviators claimed they stripped down to their single-engine boners because they'd spilled coffee on their uniforms. Ironically, Southwest used to be the airline that dressed its flight attendants in hot-pants. Perhaps the pilots were just trying to bring back the good old days.

Don't Park It Here: Melissa Coleman, a child therapist, and Anthony Ward, a Wal-Mart manager, were arrested for allegedly engaging in rough foreplay in a park in Prestonsburg, Kentucky. Floyd County Attorney Keith Bartley said Ward spanked Coleman's ass with a modified boat oar while some kids were playing T-ball in the park. Evidence confiscated by authorities included a cattle prod, a stun gun and tackle boxes full of various sex devices. At their arraignment, the two horn-dogs were told to stay out of local public parks, but there was no court order against using private lawns.

Bob Dole Would Be Proud: In Barnstable, Massachusetts, a middle-school student is in big trouble for handing out Viagra to three classmates. A teacher at Hyannis Middle School heard the kids discussing the erection transaction and blew the lid off it. Lt. Robert Melia of the Cape Cod Drug Task Force was surprised by the entire situation, sputtering, "What in the world does a 14-year-old boy need Viagra for?" The answer seems obvious to us: a 14-year-old girl. Now turn in your badge, Lt. Melia.

Don't Go Wild Here, Girls: Councilman Wendell Gilliard wants to put an end to bikini-wearing college girls who sunbathe in a popular downtown park in Charleston, South Carolina. Gilliard said that he was bothered by the sight of several sunbathers during a recent gospel music concert in the park. He claims the bikini-clad babes have also caused other problems, including a recent traffic jam. Here's a simpler solution: Stop having gospel music concerts, ban all cars from Charleston, and send pictures of the girls to HUSTLER, 8484 Wilshire Boulevard, Suite 900, Beverly Hills, CA 90211.

Celebrity Rants is a hilarious Web site that features unedited recordings of famous folks going ballistic. Olsen Twins Countdown!

American males are eagerly waiting as the 17-year-old Olsen twins inch closer and closer to adulthood! As of August 28, 2003, the hot-as-hell Olsen twins have 290 days until they are legal!

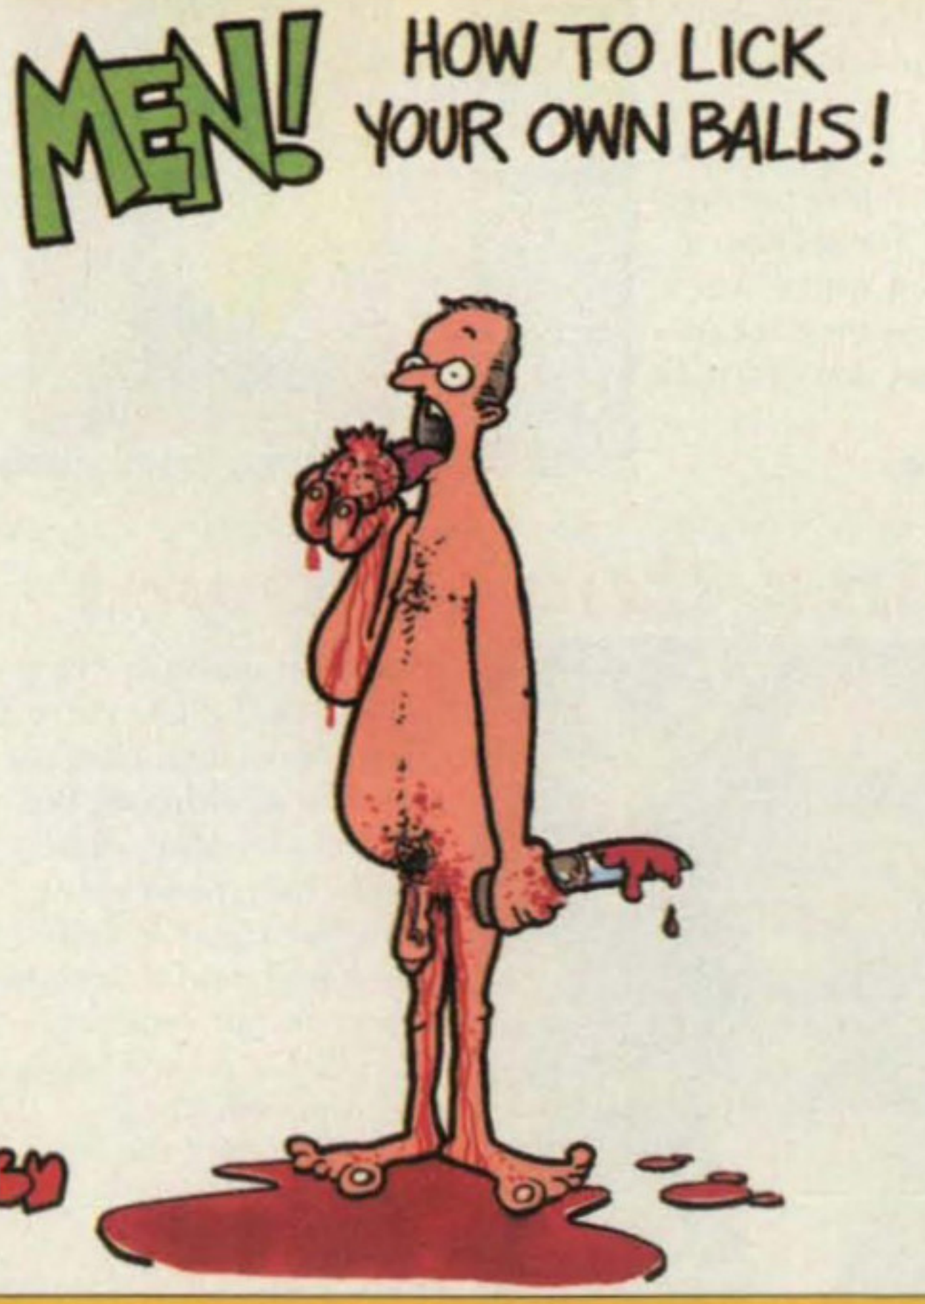
What would Catherine Zeta-Jones look like with a dick in her mouth?

Michael Douglas recently told the media that his wife, Catherine Zeta-Jones, "dated idiots." The 58-year-old Douglas, who is 25 years older than Jones, wouldn't name any of these "idiots," but one of Catherine's former beaus is 58-year-old film producer Jon Peters. We have to wonder if Catherine Zeta-Jones has ever had a dick in her mouth that wasn't a member of the American Association of Retired Persons. Perhaps the 33-year-old actress should be a centerfold for *AARP The Magazine*.

Disclaimer: No such picture of Catherine Zeta-Jones exists. If it did, the Hollywood power couple would probably sell it to a British tabloid. This is a social commentary on an actress who seems to be attracted to men who are old enough to be her father. Who's next, Kirk Douglas?

"MOST TASTELESS" CARTOON



This Month: *Addicted to War* by Joel Andreas
What It Is: An illustrated history of U.S. military aggression waged on behalf of American corporations in the guise of patriotism and freedom. Joel Andreas reveals the financial interests behind every U.S. war and covert military action.
Why We Care: Originally published after Bush Sr.'s war against Iraq in 1992, this updated edition of *Addicted to War* includes a new section on Dubya's fanatical "war on terrorism" and how the President-Select is doing far more damage to the country than 9/11. Andreas exposes the true nature of American foreign policy and our war-dependent economy.
Buzz: *Addicted to War* has gotten rave reviews from Martin Sheen, Susan Sarandon, Ron Kovic, Kris Kristofferson, Helen Caldicott and former U.S. Attorney General Ramsey Clark. Woody Harrelson and Ben Cohen (of Ben and Jerry's ice cream fame) each bought 1,000 copies to give to friends.
How to Get It: *Addicted to War* is available in local bookstores or online at **www.AKPress.org** and **www.AddictedToWar.com**.
Bottom Line: This is the history book everyone should be required to read in high school. Share it with your kids before they are old enough to be shipped off for the next U.S. invasion.

Give Her a Cum-Drenching the ultimate fuck She'll Never Forget

By Nancy Ann

Learning "The Ropes"...

I'd like to share a letter from a reader, about a secret that makes sex absolutely explosive (literally!).

Amy writes:
Nancy, my boyfriend has always been able to satisfy me sexually. With an ample cock-size, average endurance, and creative oral technique, he almost never fails to get me off. But what I experienced the night he returned home from a business trip in Europe was the surprise of my life—a fucking I will never forget, and an orgasm that no man before him has ever come close to equaling.

Since I love to suck cock, the second my boyfriend dropped his luggage I stripped off his clothes and proceeded to please him with my best welcome-home blowjob.

Before long my wet mouth had him pumping gob after hot gob down my throat and on my face. With a fistful of throbbing cock, I held on for dear life as he unloaded his sweet jism; these were "power throbs" that kept launching massive amounts of come. I've never seen anything like it—a man having a multiple! I was so totally turned on being nearly drowned with his super-human load. And it didn't stop there! He stayed erect, throwing me down on the floor and pounding my twat until we both had simultaneous, earth-shattering orgasms, practically causing both of us to pass out. The rest of the evening and throughout the week we fucked ourselves into a frenzy; his recovery time between these supercharged orgasms was that of a teenage boy.

Since that mind-blowing night, all I can think of is sucking and fucking my new "power lover" all hours of the day and night. Finally, curiosity got the best of me, so I asked what had turned him into such a fuck machine. His answer: He had learned "The Ropes."

Turns out my boyfriend had spent an evening in Europe with a Swedish nutritionist and his wife of 20 years. The couple was openly sexual and couldn't keep their hands off each other, so my boyfriend asked them their secret. The nutritionist explained he regularly took a natural supplement, and gave my boyfriend about a month's supply, telling him it would teach him "the ropes" of great sex.

The supply is about to run out, and we want to know where we can buy this incredible enhancement. Do you know if this product is available in the States?

Amy B.
Dallas, Texas

Amy, you and the rest of my readers are in luck, because it just so happens I do know about "the ropes," and the supplement your boyfriend's Swedish nutritionist friend likely shared.

The physical contractions and fluid release during male orgasm can be multiplied and intensified by using a product called Serogen. It's a natural, pure extract specially formulated to trigger better, more powerful orgasmic experiences in men. The best part, from a woman's perspective, is that the motion and experience a man can achieve with Serogen can help stimulate a strong female orgasm.

The term the Swedish nutritionist used is actually fairly common slang for the effect your boyfriend experienced. The enhanced contractions and heightened orgasmic release are often referred to as "ropes" because of the rope-like effect of release during climax.

As far as finding this enhancement in the States, I know of just one importer—Somalab. If you are interested, you can contact the company toll-free at 1-866-SOM-A-LAB or visit the Web site www.somalab.net. Serogen is an all-natural, herbal-derived tablet. Most people I've spoken with have said that just taking three a day has led to the roping effect Amy describes in her letter.

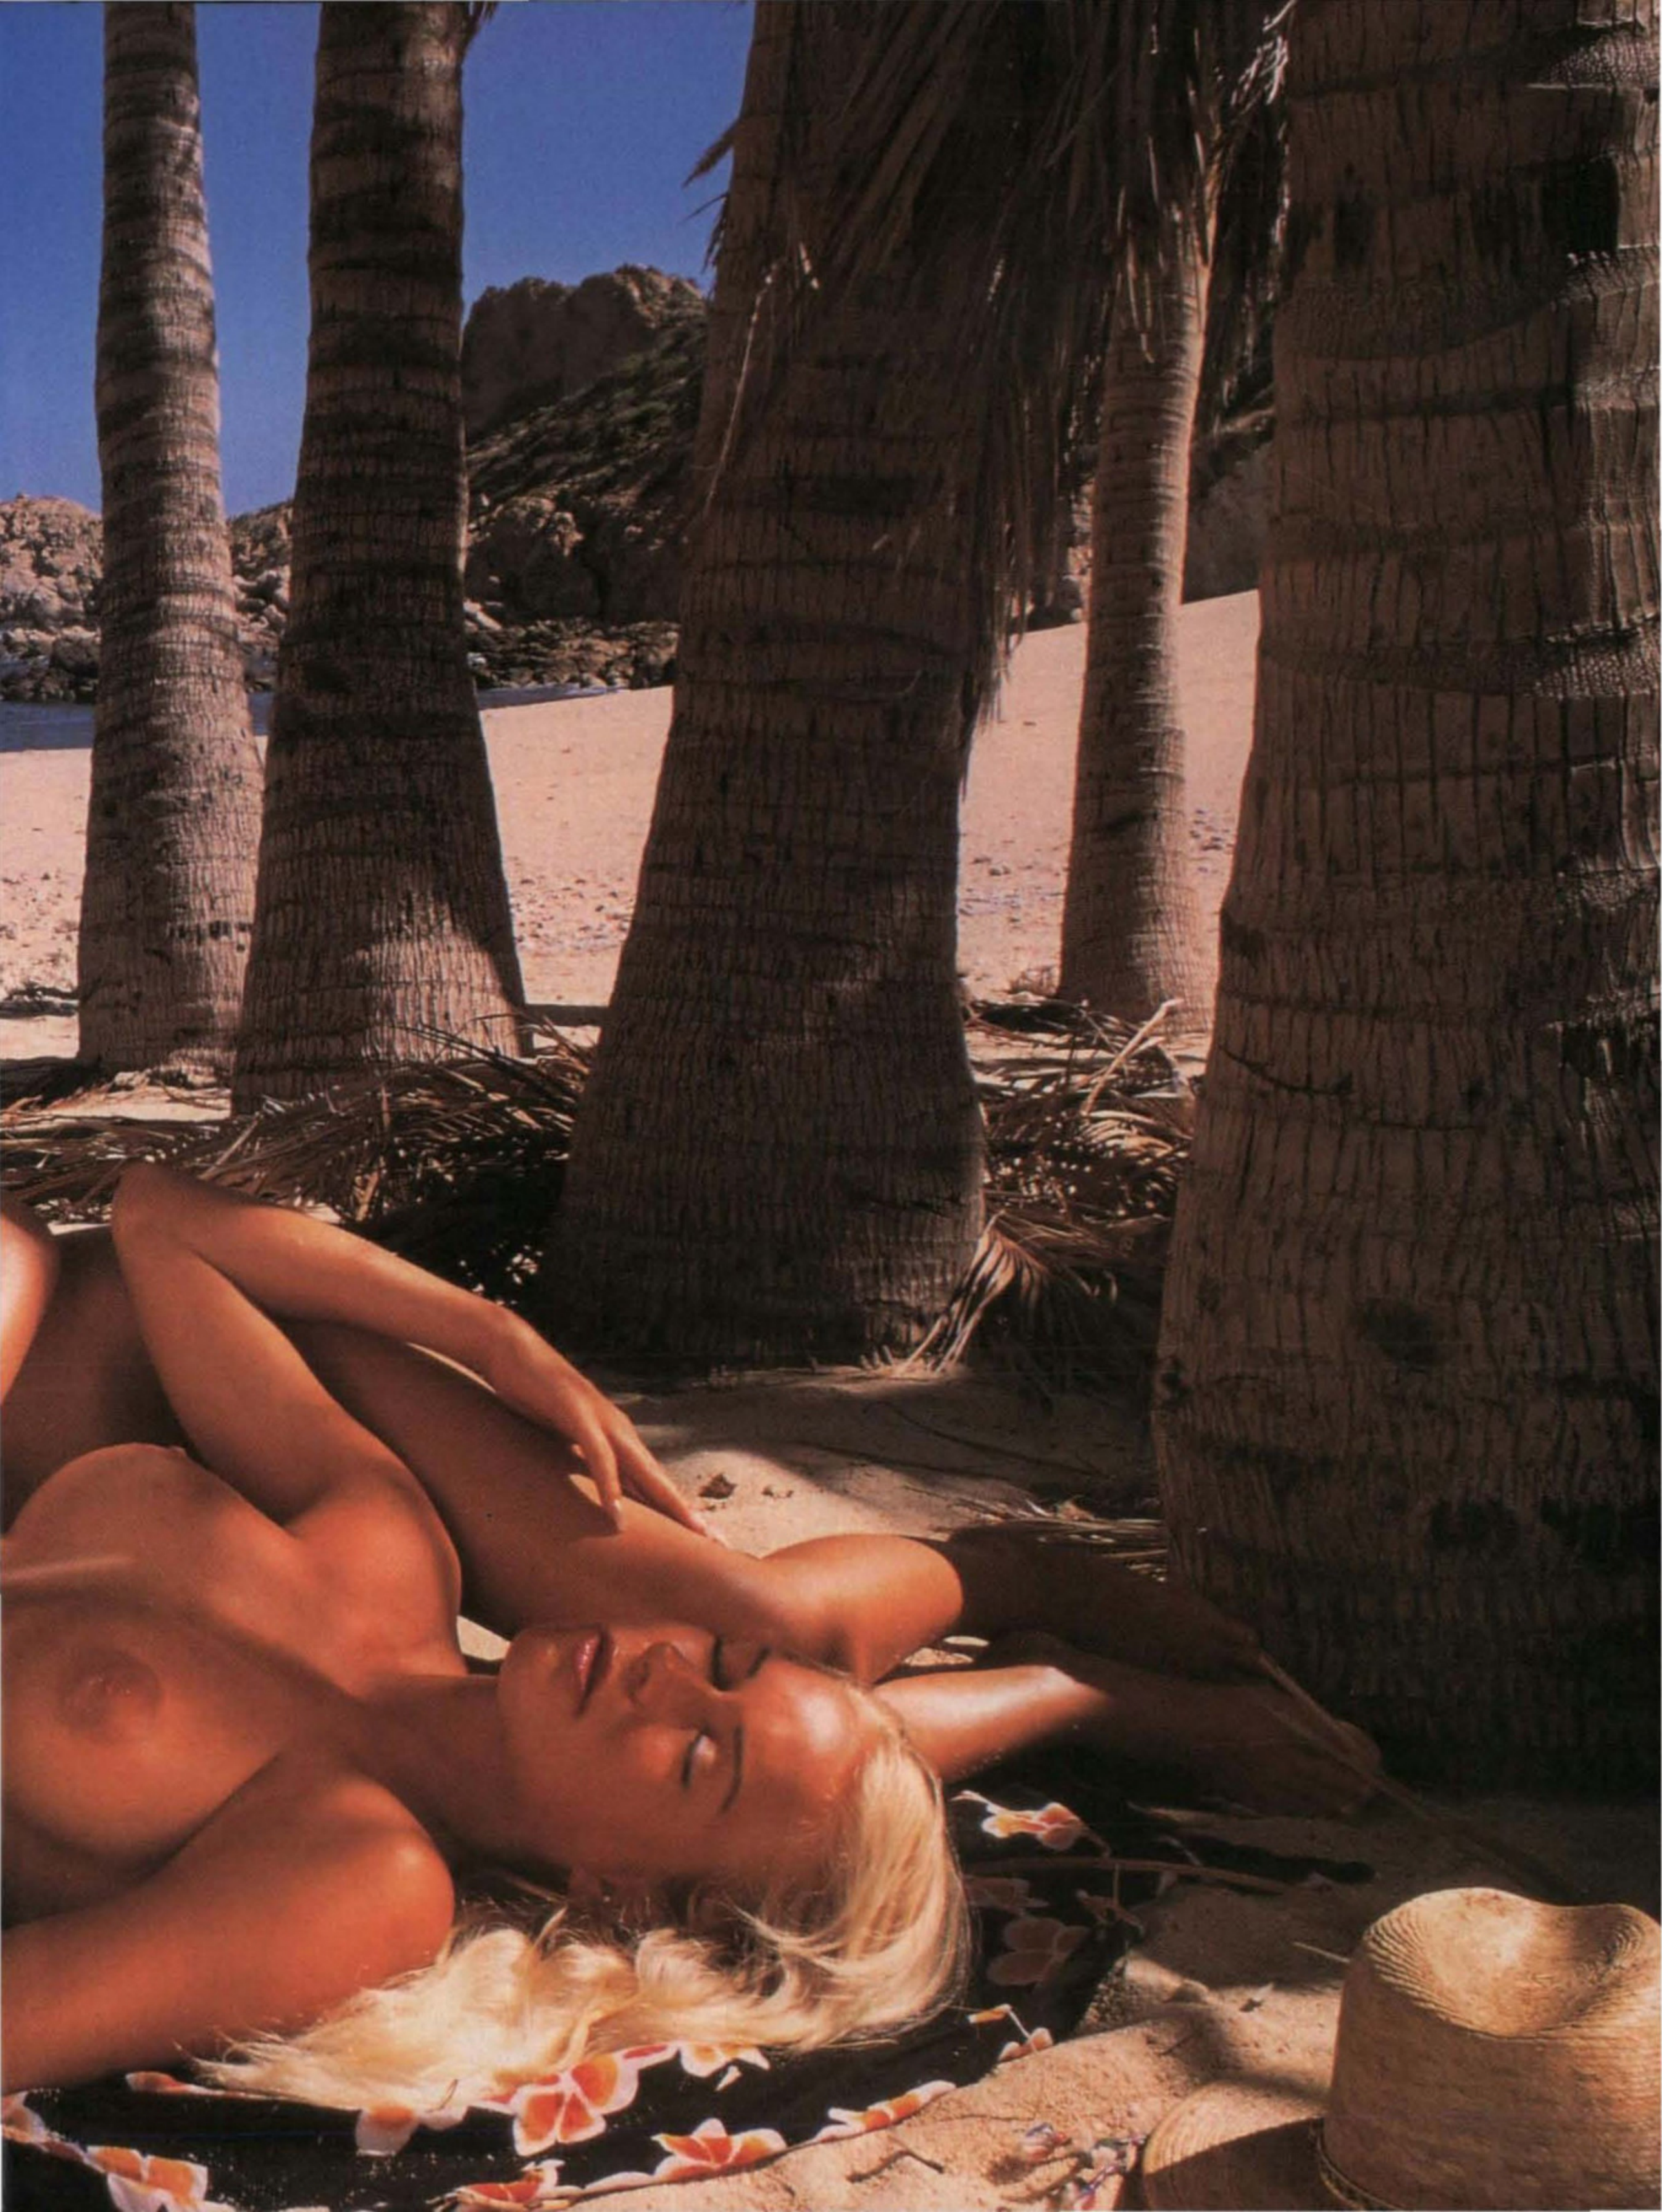
GIRLIE-GROANS ISLAND

STACY SILVER
AND JESSICA MAY

PHOTOGRAPHY BY MATTI KLATT

Stacy and Jessica hoped to hook up with some guys on a singles cruise, but their plans quickly changed when the boat went under. The sexy duo swam for it and found a safe haven on a deserted island. Marooned without clothes or even a vibrator, the resourceful couple kept warm by starting a fire—between their legs.



As they panted and probed, the horny Honeys forgot all about their predicament. The cunt-loving castaways were never rescued, but legend has it that a passing fisherman once heard one of the girls scream, "Don't stop! Whatever you do, don't stop!" He didn't, and neither did they.

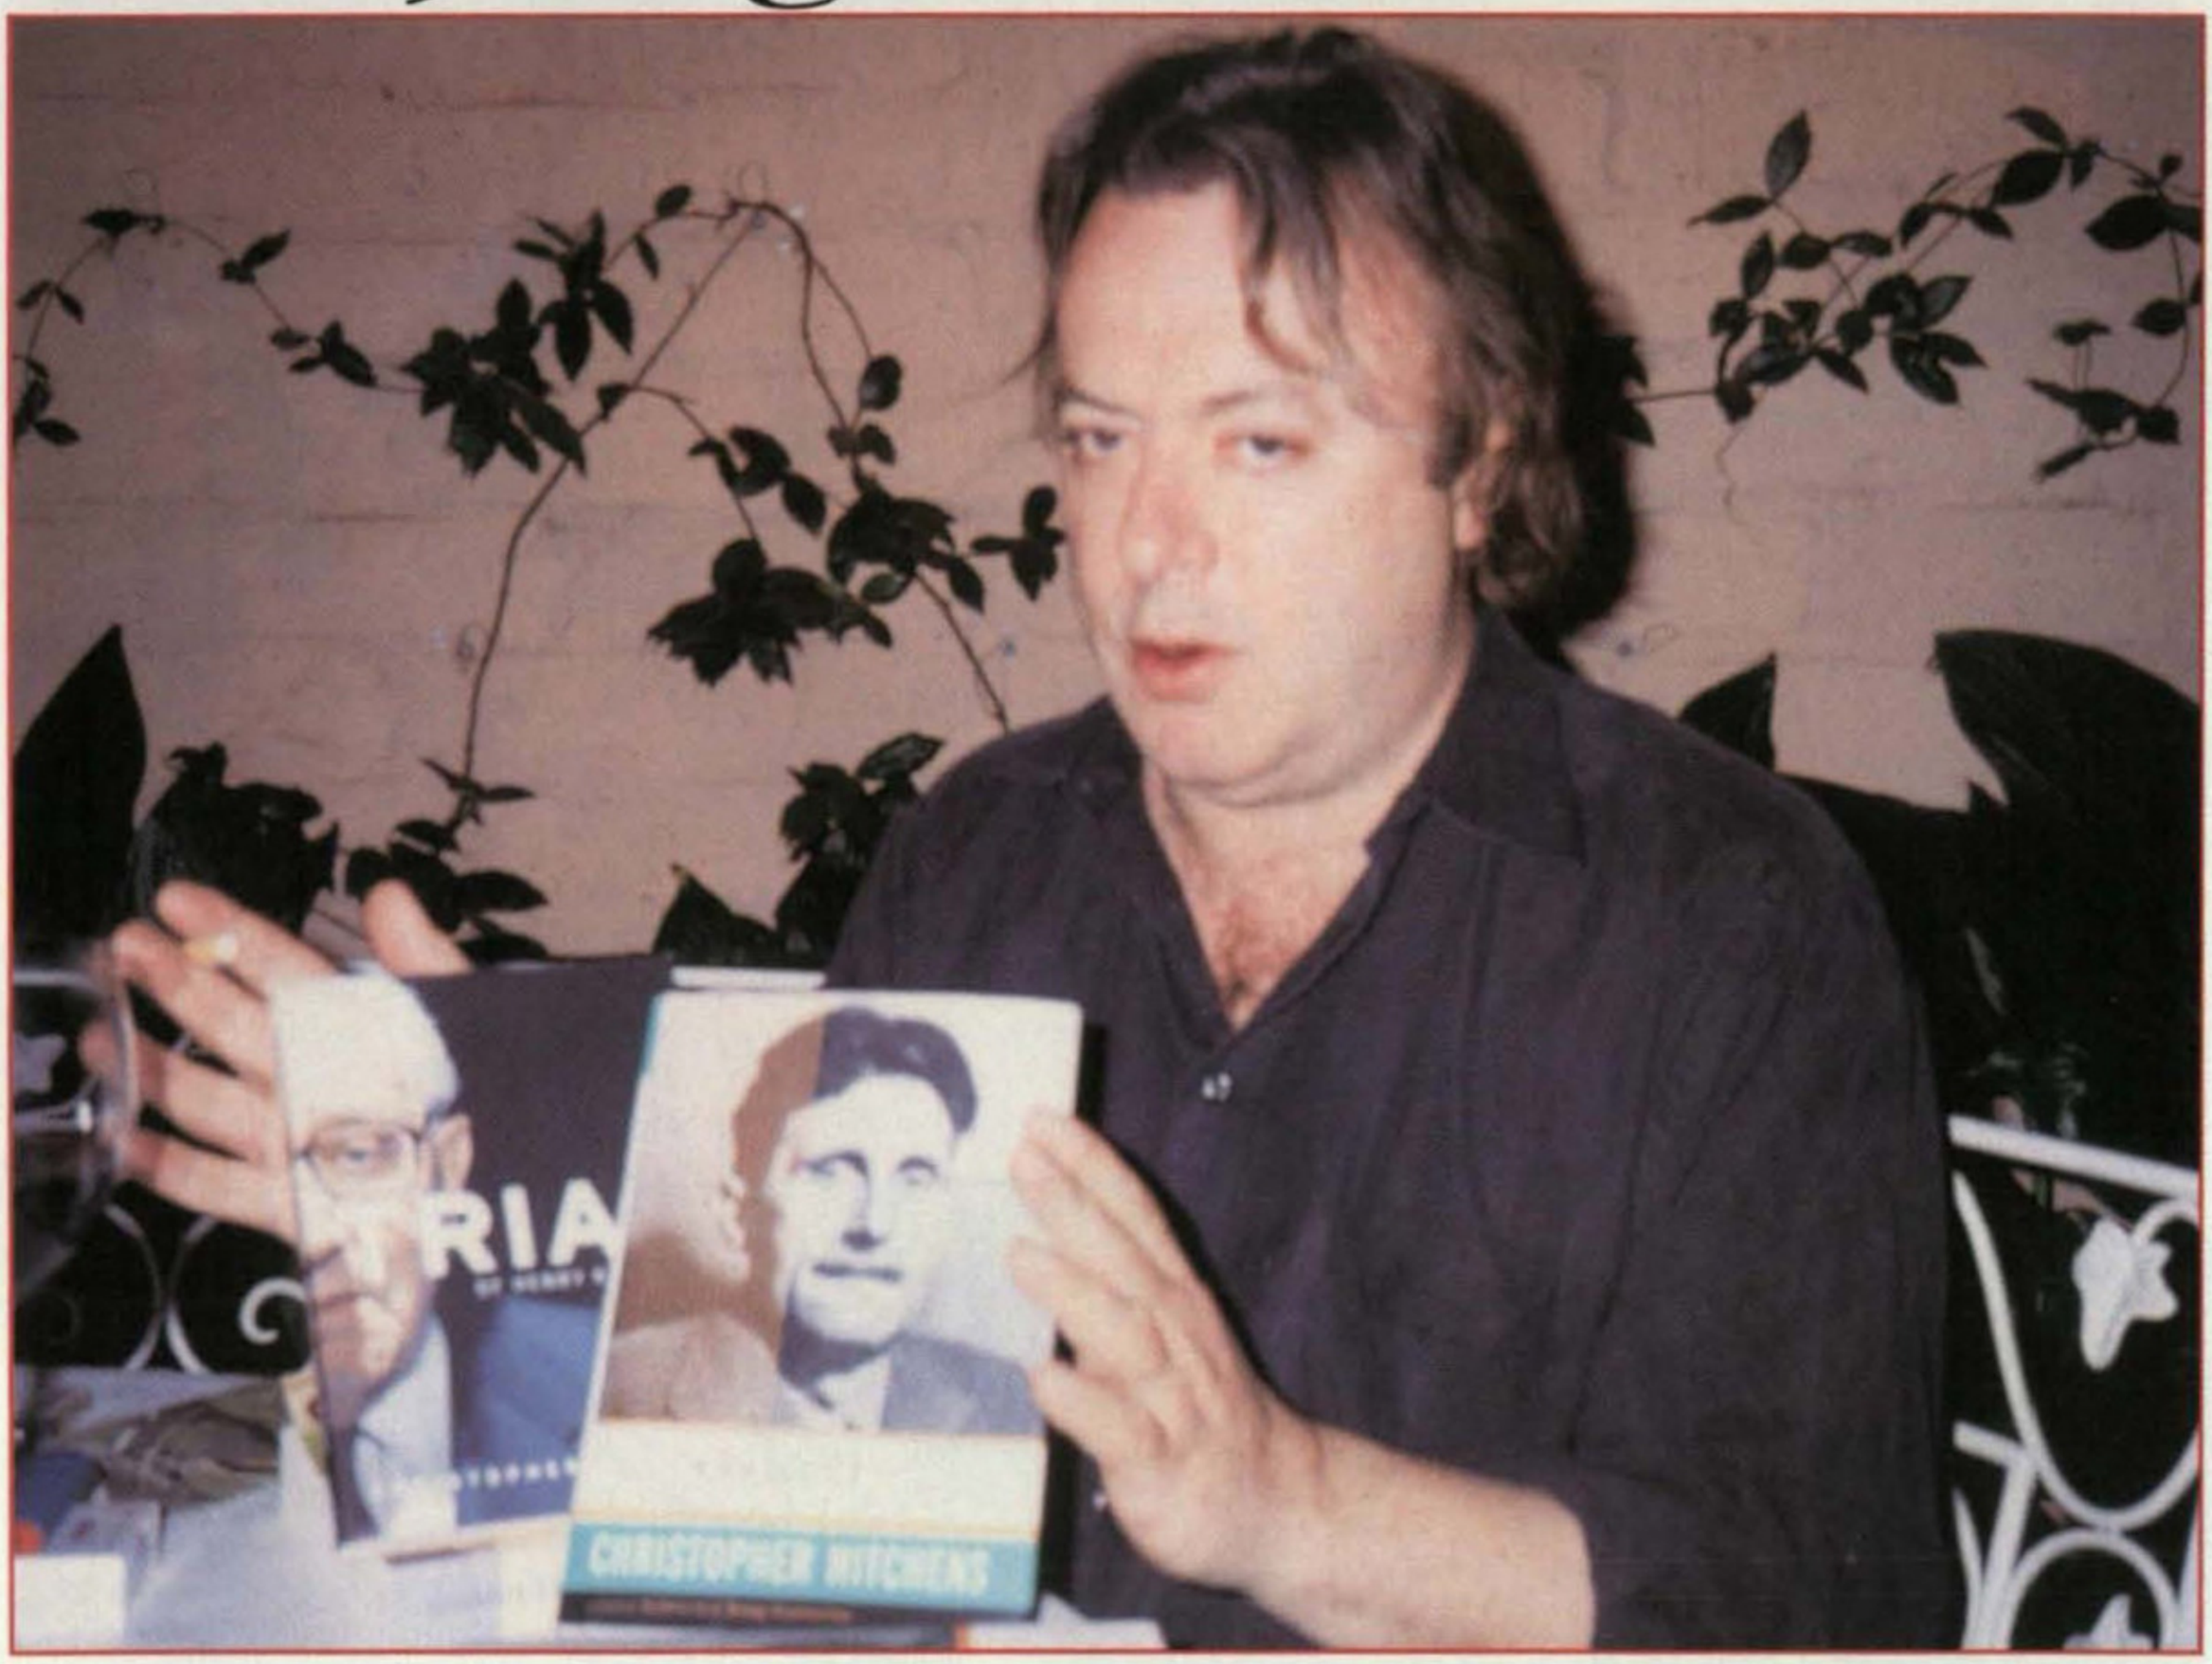
Christopher Hitchens
Left, Right and Center



Once the progressives' bad boy and master debater, the author of *A Long Short War: The Postponed Liberation of Iraq* discusses how he learned to stop worrying and love the Bush wars.

Interview and photos by Ed Rampell

L.A. Times Book Review editor Steve Wasserman calls Christopher Hitchens "one of his generation's most gifted polemicists." During his heyday, Hitchens was arguably America's most prominent pundit on the Left, skewering powers-that-be on cable TV programs such as Chris Matthews's MSNBC *Hardball* and in *The Nation*, *Vanity Fair*, as well as in a series of well-received books. With acid-dipped pen, Hitchens fearlessly attacked establishment icons from Henry Kissinger to Mother Teresa, daring to go where no dissenter had gone before.

By the late 1990s, Hitchens changed course, supporting U.S. intervention in Bosnia and joining conservatives in lambasting President Clinton. After 9/11, Hitchens further broke ranks with longtime comrades, turning his tart tongue against the Left.

The onetime Trotskyist spoke at $70-a-plate luncheons at the posh Beverly Hills Hotel for the right-wing Wednesday Morning Club, a forum for guest speakers founded by fellow radical-turned-reactionary David Horowitz.

Hitchens outspokenly advocated U.S. military invasions of Afghanistan and Iraq, and has voiced his hawkish stance in his latest book, *A Long Short War: The Postponed Liberation of Iraq*.

Debating the Iraq war with investigative reporter Greg Palast and columnist Arianna Huffington during the *L.A. Times*' Festival of Books, Hitchens heckled the crowd, declaring at the end, "You've been a truly awful audience."

Upon returning from Iraq, where he covered the war for *Vanity Fair*, Hitchens summoned this writer to the Beverly Hills Hotel's ritzy Polo Lounge for our interview. Over the

course of running up a $216 bar tab, Hitchens attempted to explain his sharp right turn.

HUSTLER: What do you think of the U.S. political system?

HITCHENS: The thing that keeps American politics so arid and corrupt is, for the majority of people involved in politics, party allegiance is very strong. They can't imagine a circumstance where they'd vote for the other party. And this quarrel is about very little. So, it's more and more partisanship, about less and less. It leads to extreme demagoguery about nothing at all.

HUSTLER: As the author of *Why Orwell Matters*, do you believe that, with the PATRIOT Act, Homeland Security, etc., we are descending into an Orwellian state where Big Brother's watching you?

HITCHENS: Strangely enough, most of the opposition [to the PATRIOT Act] came from the libertarian right. People like [former Congressman] Bob Barr, [President of Americans for Tax Reform] Grover Norquist and I worked with some of those guys to oppose it in Washington. They were the toughest opponents, because they're genuinely against big government. The ACLU and liberals in Congress did a fade because they were afraid public opinion was too strong to oppose. Also, the CIA should be closed and padlocked; the fact that nobody resigned or was fired from the leadership of the CIA or FBI [after the September 11 attacks] is a huge cause of concern. The people who failed to protect us said, "We failed, but if you give us supreme power now, that'll be okay." So now I have to show my driver's license three times to get on a plane because, of course, no terrorist could get hold of a driver's license. This is Orwellian; it doesn't make us any safer at all. It's designed at huge cost just to make me *feel* safer.

HUSTLER: What do you think of corporate control of American democracy? Do we live in an oligarchy?

HITCHENS: In the last presidential campaign I was at both conventions. The corporate logos were precisely the same for each party. You couldn't tell which convention you were at. The only difference worth noticing was, at the Democratic convention, there was somewhat less of the National Rifle Association and no big tobacco. Party politics is a pathetic plaything of corporate interests. I know slightly one of the Democrats considering

running for office [Hitchens declined to say who, or even which office], and he says his life is a misery, because he has to spend all of his time fundraising. It's become part of our landscape, the air we breathe.

HUSTLER: Do you support the current occupant of the White House?

HITCHENS: President Bush is a very strong test of something I strongly believe: Any citizen can be President. As a person of intellect or education, I don't know what the American average is, but I don't think he can be very much above it; he may even be below. But I think it's rather encouraging that such a guy, who ran such a terrible campaign, was such a rotten governor of Texas, such an underperforming person throughout his whole educational and political history, and apparently very easily manipulated, could, in a series of quite extraordinary tests, come out looking no worse and probably better. That's the half-full bit. [On the other hand,] his apparent belief that the U.S. enjoys some sort of divine protection, blessing or supervision is a very dangerous one.

HUSTLER: What do you think of Bush's fusing of Church and State with faith-based initiatives?

HITCHENS: The idea that the government should half-abandon its historic responsibility for the poor and underclass—assumed as a federal responsibility since the New Deal—and subcontract that to churches is a horrific idea: flat-out, straight-out bloody unconstitutional. It should be challenged in the Supreme Court. [Also,] the policy of Israeli settlements should be taken up by the Supreme Court because American aid to Israel allows settlements to occur. It's an establishment of religion: These are messianic, sectarian settlers, doing it all not for security because they're endangering themselves and everybody but in the name

"I'm trusting you not to come in my mouth, but of course you understand as a voter I expect to be lied to."

The Floridation of Democracy

Christopher Hitchens

Award-winning investigative journalist Greg Palast reveals precisely how a deliberate disfranchisement of thousands of Democratic voters transpired in Florida during the 2000 Presidential election.

According to Palast, "[Florida Secretary of State] Katherine Harris, acting under orders from [Governor] Jeb Bush, knocked 57,000 voters off the rolls. [Further investigation has placed this number at 94,000.] They were suspected of being evildoers and felons and, therefore, not allowed to vote in Florida. Of the 57,000 people, 97% were innocent of crimes, but they were guilty of being black. Half of them were African-American or Hispanic—in other words, Democratic voters. Was the state guessing who the people of color were? In Florida, it's like South Africa; they list your race right on your registration. There was no guessing. There's a letter dated September 18, 2000, which directs county-election officials to deliberately violate the law and not register a bunch of people who just happened to be Democrats."

As an example of the vote-rigging that went into preparing Florida's do-not-register list, many voters were dropped from the rolls because their names, dates of birth and race loosely matched those of an alleged ex-con. In one instance among many, a Thomas Cooper (of which there are many in Florida) was tagged because a man named Thomas Alvin Cooper was supposedly convicted of a crime in Ohio. (Oddly enough, the latter Cooper's conviction date is January 30, 2007.)

of God, and the hope of bringing on the apocalypse. This completely violates the establishment [clause] of the First Amendment. If I was religious, I'd be just as offended because it's not only the State that's corrupted by a Church-State bargain, it is the Church that's corrupted too, by association with the State.

HUSTLER: Do you believe Bush stole the 2000 election?

HITCHENS: No.

HUSTLER: What do you think of the investigative reporting by journalists such as Greg Palast, stating that blacks were deliberately disfranchised in Florida?

HITCHENS: An extraordinarily high proportion of the population in Virginia has been disfranchised by this felony exemption. [The rate of disfranchisement in] Virginia is higher than Florida. Most of these felonies turn out to be nonviolent drug offenses. The awful consequences of the War on Drugs is this erosion of democracy, which was ratcheted up to an unprecedented level by Clinton and Gore. The War on Drugs is Nixon's last "gift" to our society; it's a curse. I'm allied with anyone who's for the decriminalization of narcotics. But I don't believe this can be reduced to an attempt just to take enough black people off the rolls in Florida to make George Bush President. No one can have planned it to work out the way it did.

HUSTLER: You seemed to have gone through major political changes since 9/11.

HITCHENS: I know it seems that I have; it may turn out to be true that I have. But at no point would I have thought of it as anything but a no-brainer. When armed force is used specifically against civilians, in order to spread terror and mayhem, by a theocratic fascist organization backed by two or three of the most revolting governments in the world—Saudi Arabia, Pakistan and Pakistan's secret police clone, the Taliban—I don't see any difficulty making up my mind who I'm against and deciding on a very vigorous response. This should be a huge opening for the Left. Instead, a huge number of intellectuals, some posing as leftists or liberals, decided the problem is with American society itself and look for excuses for the aggressor. The problem was underreacting to religious fascism, like when my friend Salman Rushdie [was] threatened with murder by the head of a foreign government [Ayatollah Khomeini] for writing a novel.

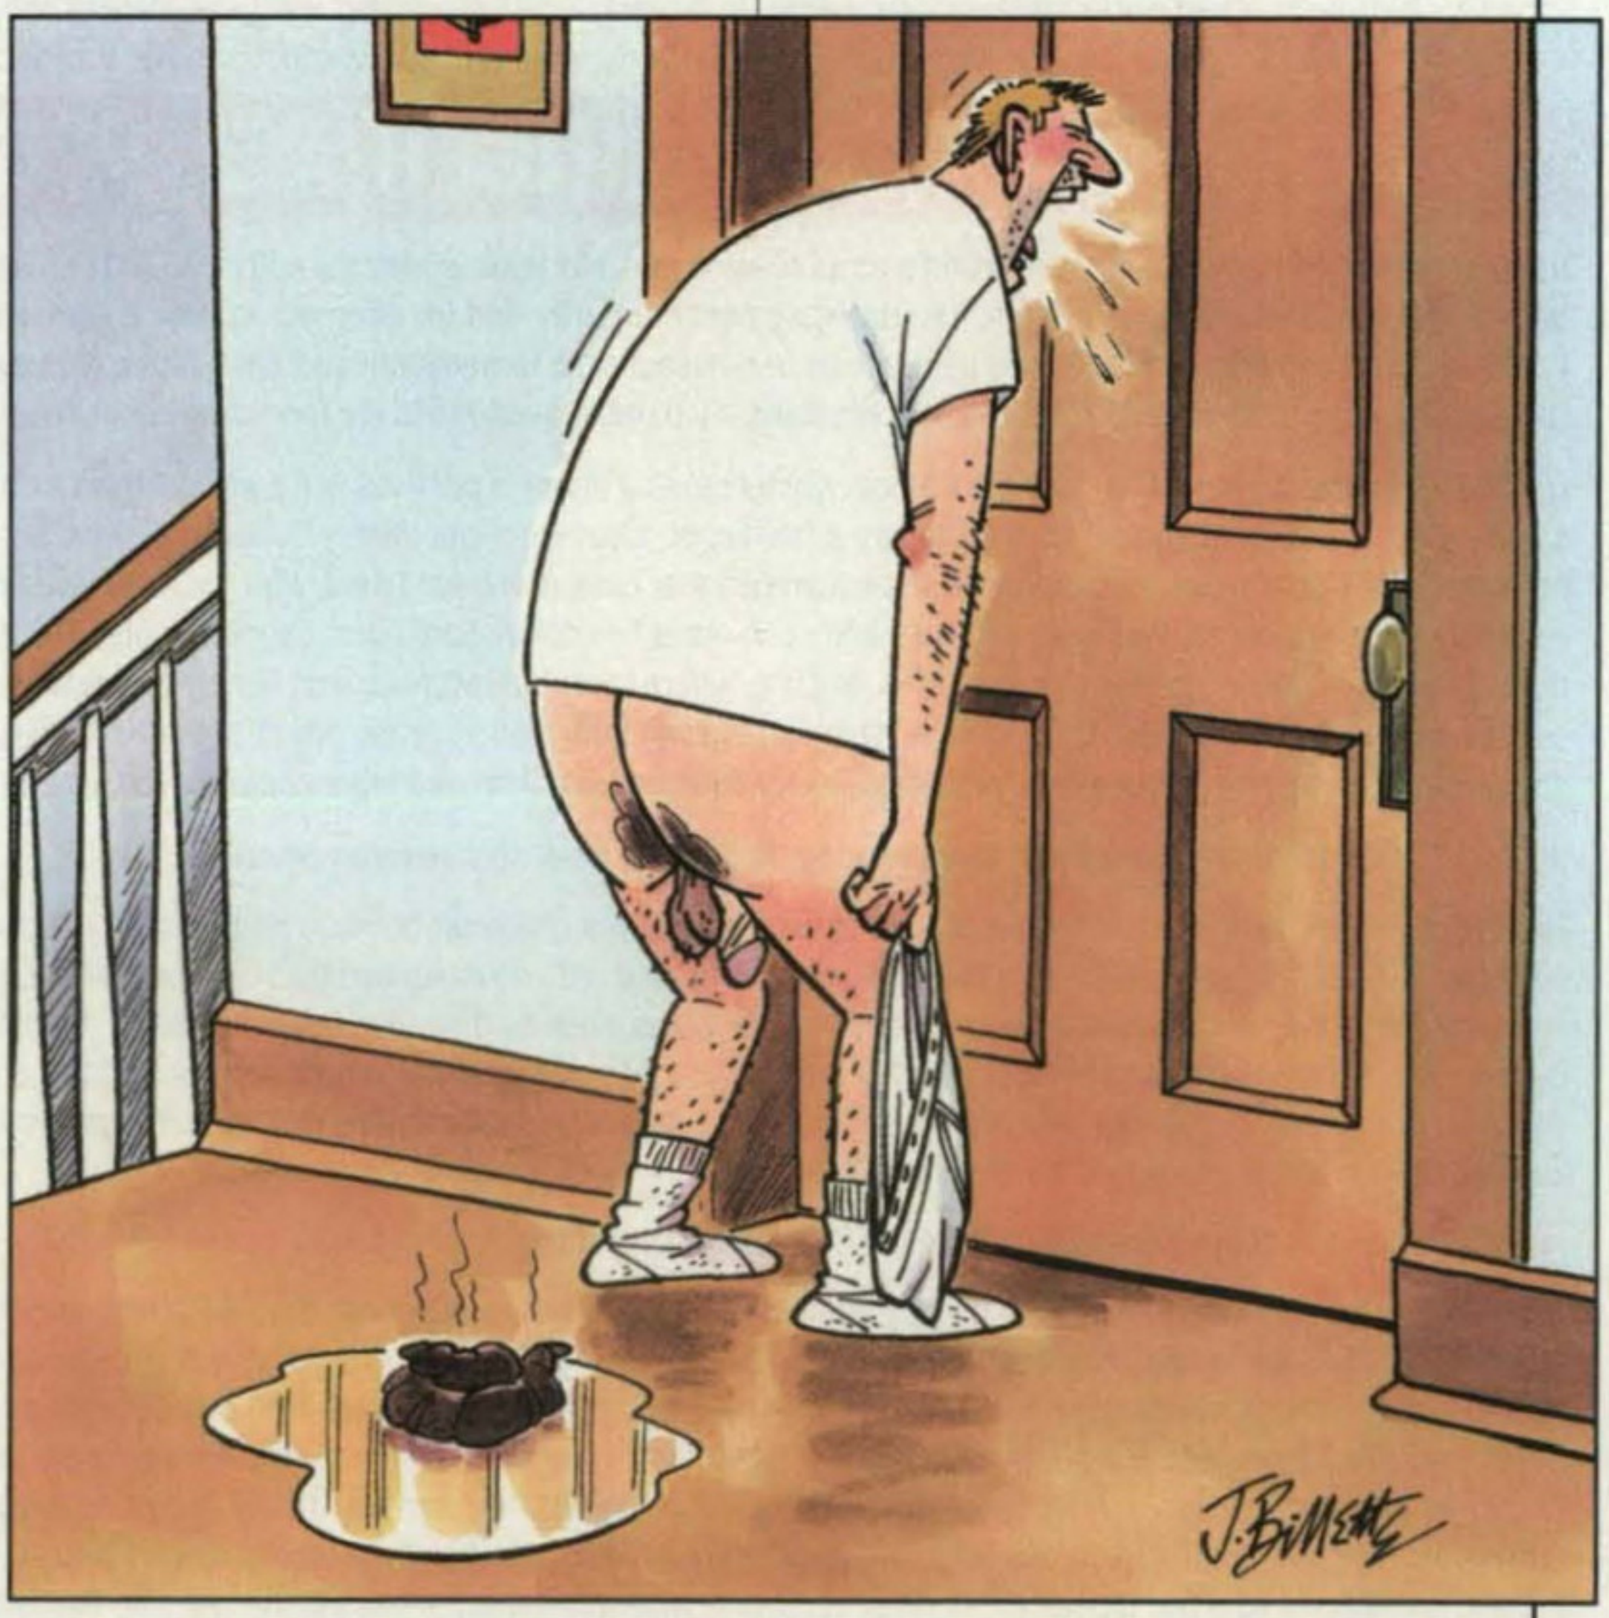
HUSTLER: What do you think of the "Cheney doctrine," of controlling friends and enemies alike through fear and intimidation?

HITCHENS: That's what it is to be a superpower—it has to be feared and respected. Some of the fear will be owing to the ability to deploy force. That's been part of statecraft since Athens and Sparta. It's also been a principle of statecraft that, if you just rely on force and fear, you will, in the end, lose. So, your friends will become your enemies and outnumber you.

HUSTLER: Coming out of the left-wing tradition, does American global hegemony give you pause? Perhaps the Pentagon is fighting Islamic "theocratic fascists" now, but will the Defense Department use its power for ill later?

HITCHENS: It's a contradiction for everybody, of course, and, yes, for me too. I thought the President was quite right to say, insofar as he was speaking to people like the Saudi royal family and Pakistani army, "If you're not for us, you're against us."

HUSTLER: Do you think Saddam Hussein had anything to do with 9/11?



"Never mind, sweetheart—take all the time you need in the Goddamn bathroom!"

HITCHENS: No. Many governments supported and sheltered al Qaeda before 9/11, because they didn't realize quite how mad Bin Laden was. Saudi Arabia and Pakistan stopped after that. But al Qaeda people started turning up in Baghdad and Kurdistan, evidently with covert, indirect support, encouragement from Saddam. Saddam's a lunatic, and he began to preach jihad. He did this after 9/11, which means he really is a crazy, fanatical, sadistic guy. You think all the jihad guys who were found at Baghdad and Basra—that relationship began the day before yesterday?

HUSTLER: What do you think of the privatization of Iraq?

HITCHENS: It's an enormous step forward. Saddam Hussein's family, as we've seen, treated the national bank as its own money box; it treated the whole of Iraqi society in that way. That's where the oil revenues went—to the upkeep of the gigantic, incompetent, corrupt, brutal military. They bribed neighboring governments or forces within neighboring states to support Saddam Hussein. There was no accounting of any kind. Privatization has to mean transparency. Iraqi oil revenues have to be paid into a common fund that does belong to Iraq and can be scrutinized by its citizens.

HUSTLER: Are we beginning the 21st century with Anglo-American imperialism, the reemergence of colonialism in the Third World?

HITCHENS: No. What's ignored in this facile analysis is that, until now, there was a colonial system in the Gulf. America was ruling colonially through proxy regimes, client states, Saudi Arabia and also Iraq. The bet being taken by this strategy is that by removing the aggressive, psychopathic element among client states, the ones who turned upon us, a democratic system would be less risky and unstable than the client-state dictatorship. No matter what happens in Iraq now, it'll be better than the situation months ago. It couldn't be any worse.

HUSTLER: You wrote the highly critical *The Missionary Position: Mother Teresa in Theory and Practice*. What's your beef with Mother Teresa?

HITCHENS: I think [religion] is a terrible influence on human affairs. It appeals to the dumb bitch in everybody's mind. I always look for ways to bring this argument to life. I was in Calcutta, and people told me she's doing great work. I went and had a look, and was shocked and disgusted at what she was doing: advocating poverty, opposing the empowerment of women, preaching the most fanatical kind of Catholic fundamentalism—far more extreme than the Vatican does. Teresa took money from the Duvalier family in Haiti and said they were a great regime for the poor. She even claimed, unbelievably, that the poor loved the Duvaliers [who were eventually overthrown by Haitians]. She took money from Charles Keating of the Lincoln Savings & Loan, who robbed California's poor blind [and was] a Christian fundamentalist and pro-censorship campaigner—I dare say you know his background with HUSTLER. She defended Princess Diana's right to get divorced because she was a friend of hers, when she opposed a law that would have allowed the people of Ireland civil divorce and remarriage. When Mother Teresa was given the Nobel Peace Prize—never having done anything for peace—she said the greatest threat to world peace is abortion. That's a much more dogmatic position than the Church holds. That's insane; it's a nutcase view of a raging fanatic.

HENRY KISSINGER, WAR CRIMINAL?

Aside from sullying the legacy of the world's most revered nun, Hitchens is also the author of 2001's *The Trial of Henry Kissinger*, which asserts that Kissinger deserves prosecution "for war crimes, for crimes against humanity, and for offenses against common or customary or international law." With characteristic fervor, Hitchens details Kissinger's connection to massacres in Bangladesh and East Timor, as well as assassinations in Chile, Cyprus and Washington, D.C., among other atrocities. HUSTLER asked Hitchens about his objections to the former National Security Adviser, Secretary of State and "elder statesman."

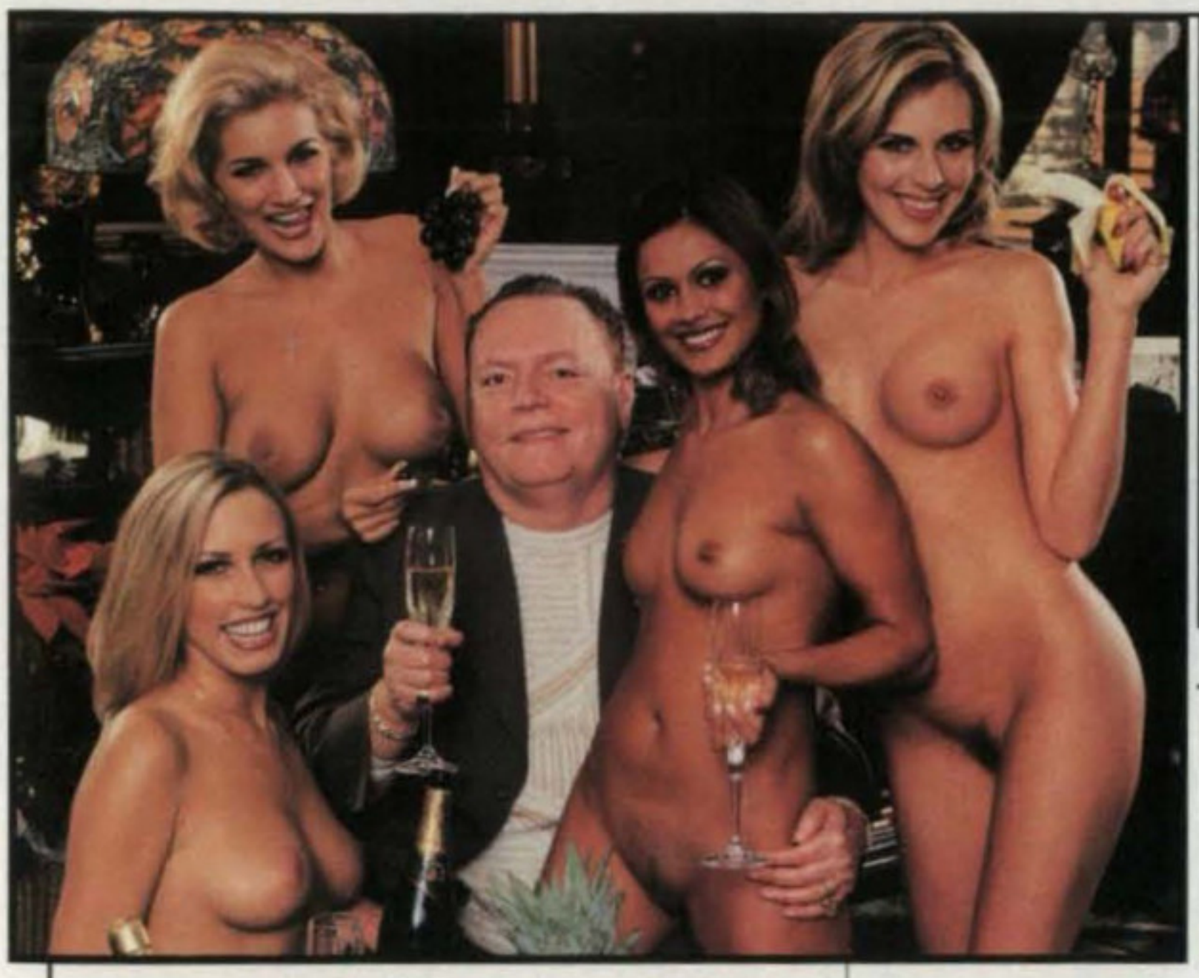
HITCHENS: I basically object to Kissinger's whole existence, as a figure in our lives and politics. I think he's a murderer and a commissioner of murder. I think he's a liar—a hysterical, pathological liar. I think he's a falsifier of documents and history through his memoirs, which are based on stolen, misappropriated materials from the State Department. He's produced three memoirs that have now been found, with the release of later documents, to be so fabricated that if he was in the academy, he'd be sacked. We know that he's told such gross lies about East Timor, Cyprus, Angola, Vietnam [and] China. We know he's being sought for questioning by magistrates in democratic countries. In Chile, where I went to testify against him; [in] Argentina, where the magistrates need his testimony before they can investigate the death squads; in France, where he was actually visited by the police and asked to answer questions about his connections to dictatorships, disappearances, torture, kidnappings, assassinations; and in Athens. There are other countries too, where he wouldn't be able to travel without due care.

HUSTLER: Yet President Bush wanted to appoint him to the 9/11 investigative commission.

HITCHENS: Which gave us an excellent chance to view Kissinger's character because he preferred the confidentiality of his client list to the disclosure he would have had to [make] in order to take up his position, [which] he'd hitherto described [as being one] of "honor." He couldn't travel freely because he's being prosecuted for sponsoring and friendship with international terrorists, such as Operation Condor in South America. He's the subject of a civil suit in Washington brought by relatives of Rene Schneider, head of the Chilean chief of staff, who was, it seems to me, prima facie quite clearly murdered on the personal orders of Henry Kissinger in 1970. I used to wish Kissinger'd die painfully, but I now wish he'd live long enough for these cases to catch up with him.

HUSTLER: Do you believe Kissinger deliberately delayed the end of the Vietnam War?

HITCHENS: I believe I can demonstrate it in my book. He and Nixon combined, during the 1968 election, not just to prolong the Vietnam War but to use it to bring about Nixon's election. They secretly subverted peace negotiations being conducted legally by the [Johnson] Administration in Paris by privately making the South Vietnamese party a better offer, thus destroying the Democratic Party's main plank for reelection. They protracted the war for domestic purposes, which Kissinger in his own memoirs admits without realizing he's doing so. The war was finally ended on the same terms the Democrats offered in 1968. So anyone killed in the intervening years had their lives cruelly wasted by a psychopathic egotist and someone who's lied repeatedly to cover it up, and who was willing to expand the war into Cambodia and Laos in order to cover the failure and shame of the existing defeat in Vietnam. There's no word for the atrocity this constitutes.



THE FLYNT FILES

HUSTLER's Founder and Publisher on Pussy

As Told to Giddle Partridge

From time to time, as a service to our readers, we will be tapping the infinite wisdom of our esteemed leader. This month, Mr. Flynt expounds on mounds.

On Large Pussy Lips:

I personally prefer pussies with lips. Not to the extent that they're hanging down like a peacoat sleeve; what I'm talking about is nice old, puffy lips on the sides.

On Spraying Cunts:

I've only been with two girls who sprayed cum. I had this girl with her feet behind her ears, and all of a sudden I felt something hot and gooey on my stomach. I looked down, and it was just like someone had ejaculated on my stomach. She says, "I'm sorry. I can't help it, but sometimes I do it, especially when I'm really turned on." The next time was almost identical. She came on my stomach, and it was a big turn-on because it's something you don't expect.

On Eating Out Menstruating Vaginas:

I don't know if a strawberry daiquiri would hurt anybody, but it's easy to have oral sex with a girl when she's on her period without encountering any blood whatsoever. What's important is that about 70% of women are more aroused when they're on their period.

On Foul-Smelling Twats:

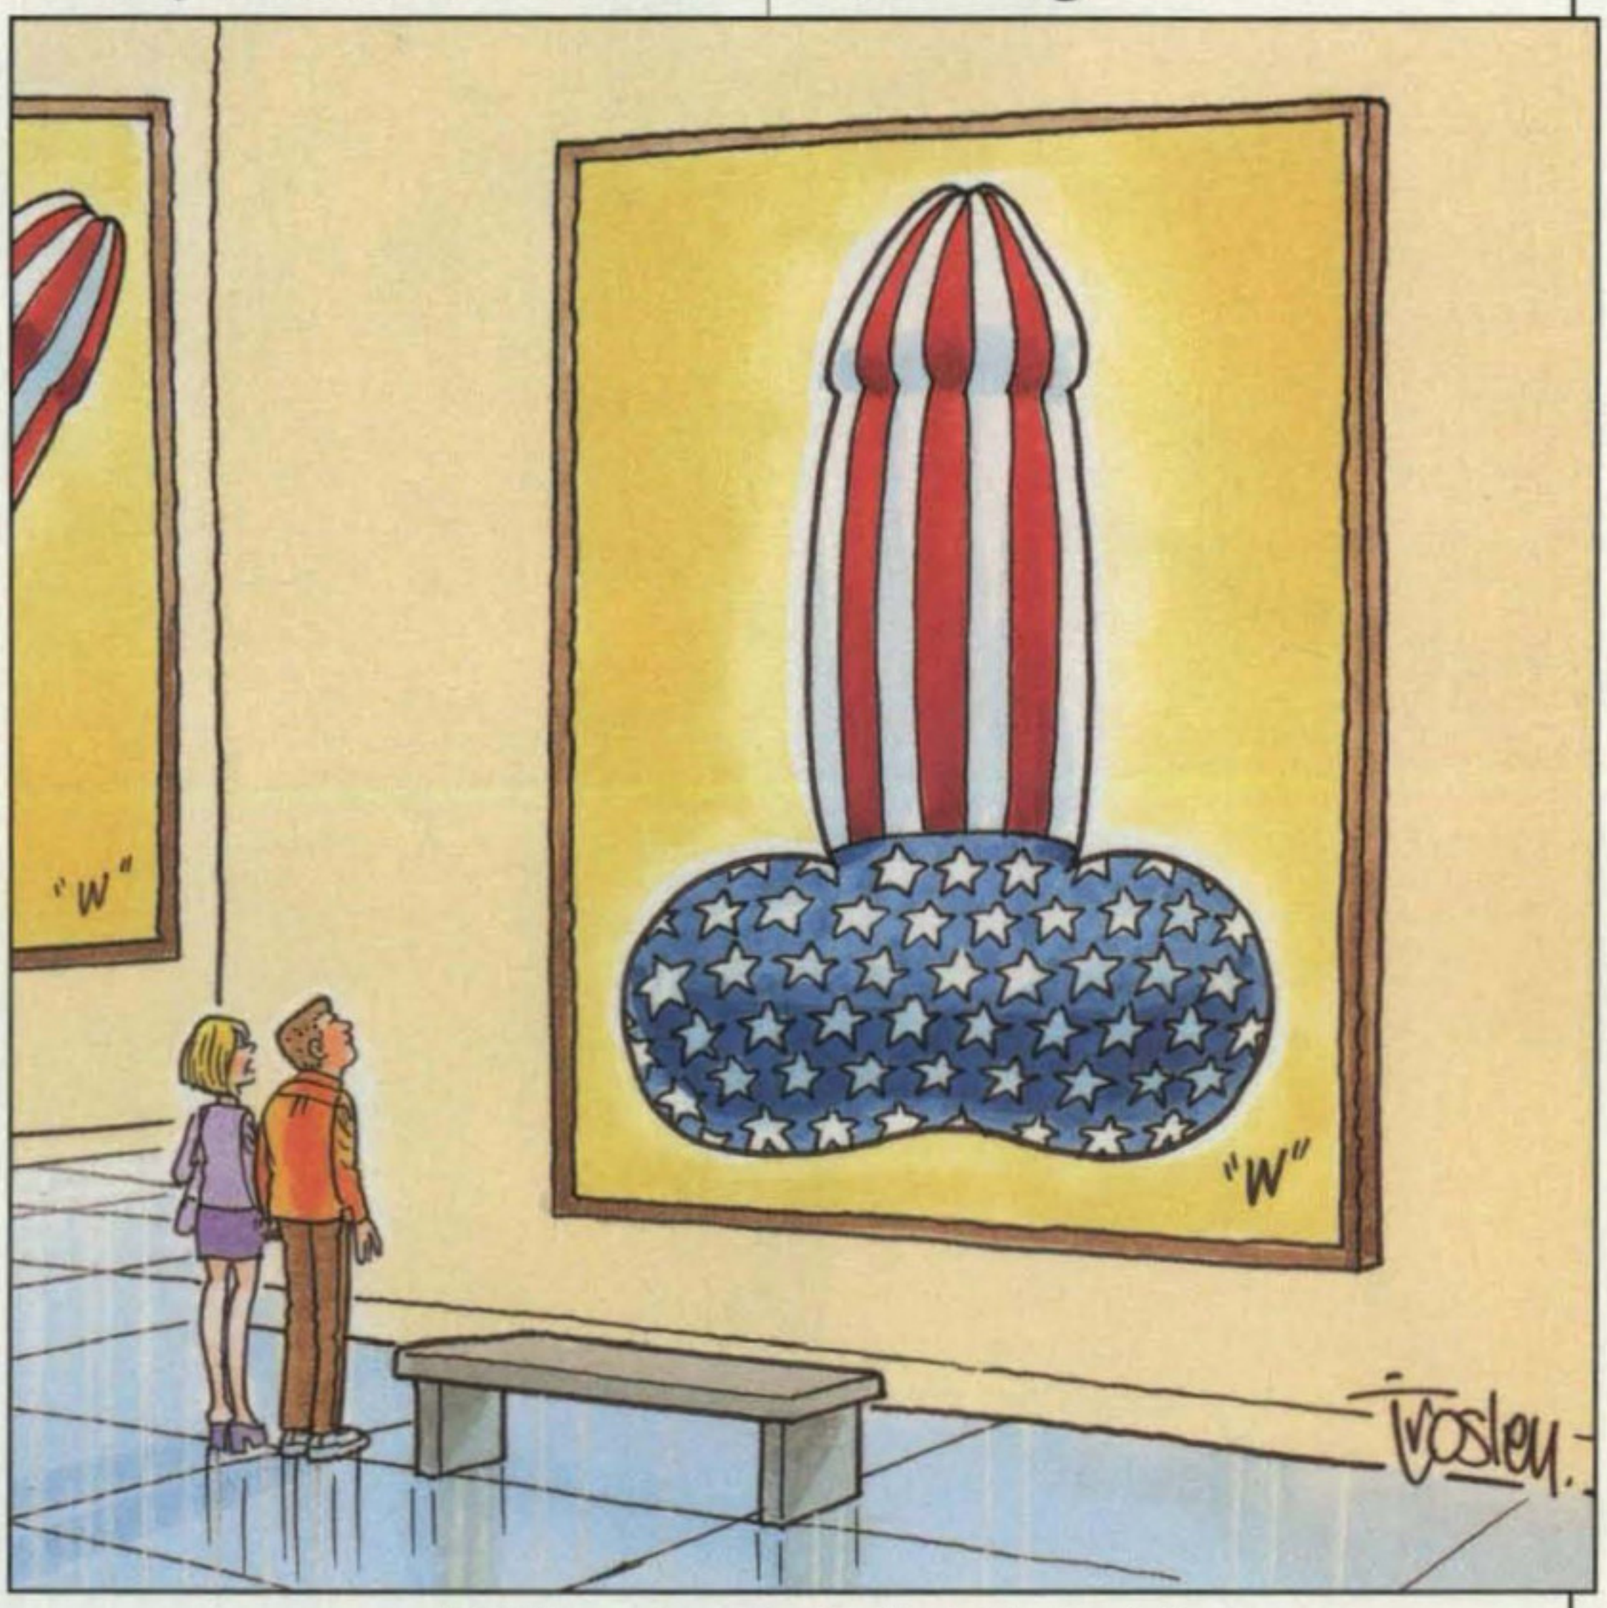
A girl that I went out with in Columbus, Ohio, was absolutely beautiful; one of the most beautiful women I've ever seen. When I got her to my apartment, I started to smell something. Her clothes were still on, and I could smell her pussy. It just smelled foul—just what you would expect a dirty pussy to smell like. And when she took her clothes off, I could *really* smell it. That's one of maybe two or three times in my life that I ever turned it down. Supposedly Marilyn Monroe had a fishy odor, and she tried for years, through douches and all kinds of things, to get rid of it. Some women can keep the foulness suppressed, and some can't. About half of the women have no problem because they know how to clean themselves.

On Pierced Cooze:

I had a girl up in my office the other day. Up and down each side of her labia she had half a dozen jingle bells, and her clit was pierced, and the taint at the bottom was pierced. I told her that it looks like a junkyard; get rid of that.

On Shaved Snatches:

I don't like shaved pussies. I don't mind them trimmed, but that goes all the way back to my childhood. I was about 15 years old when I was in my first strip joint. And I could tell the woman didn't have any hair on her pussy because they danced with G-strings back then, and they had to shave. So I always looked at strippers as sort of the bottom of the barrel. Maybe this is one of my own hang-ups that has no validity, but I always felt that it cheapened their look. If you ask girls why they shave, they say, "For hygiene." But you're going to be able to wash your pussy whether it's shaved or not; come on.



"I didn't even know the President did artwork."

Jamie

PHOTOGRAPHY BY MATTI KLATT

Jamie was born in Northridge, California, and enjoys writing short stories. The sexy scribe coos about her recent photo-shoot, "They were my slaves for the day. It was an interesting way of being pampered. I always wanted to be the queen of my castle, so it was pretty cool."

Of being oiled down by her shapely servants, the coddled sexpot purrs, "It was so slippery we could barely stay on the chair." But they had fun trying. "The chair moved back and forth a lot," the 21-year-old nymphet giggles. Still, the princess-for-a-day asserts, "The best thing about my slaves was that they didn't talk because they had ball gags. I don't like listening to guys talk all day, so you can imagine what I think about women gabbing on and on." We'd ask Jamie to spread the word on this philosophy, but we don't like chicks yakking any more than she does.

LIKE A SEX MACHINE

Kat spreads for the Predator.

Robotic-erotic contraptions put the "erect" in Erector Set.

Mechanical Love With Scott Fayner

Nahtanha's a tad nervous. Although she was prepped by her agent concerning the details of today's shoot, the heavily pierced Philly gal apparently didn't fully ponder what the video session entailed.

"I knew I was gonna get fucked by a machine," she announces, removing her clothes to reveal a slew of crudely wrought tattoos. "But I wasn't prepared for this."

"This" is the eight-foot shelf to her left that labors under the weight of assorted jacked-up appliances with such menacing names as Trespasser, Intruder and Drilldo. Many of the machines resemble high-school wood-shop projects gone terribly wrong. One instrument, which features 12 speeds and a fat, lubed dildo strapped to its end, resembles a mutated ice cream maker.

Nahtanha shuffles up to a gynecologist's chair and saddles herself in for the long haul. Tony Pirelli, vice-president of marketing and producer of FuckingMachines.com, grabs one of the faux-cock contraptions from the shelf and inserts the awkward box into the homemade dock used to keep the device in place. The Trespasser, locked and loaded, hums in anticipation for its duty as a replacement dick. Nahtanha, however, is still edgy.

A clear box stuffed with various sex toys sits atop a table. Each of them is hollowed out so that it can slide over the metal pipe that performs the fucking deed. Tony suggests that Nahtanha begin with a thick, 12-inch dildo. The stirrup-bound test subject opts for a more modest, seven-inch model to commemorate her trek into human/machine sex.

Once Tony and his crew administer a quick tuneup to the machine's height and reach capabilities, a copious glob of lubricant is slopped onto the red dildo. The palpitating mechanism sputters fuck oil and inches toward Nahtanha's trembling cunt.

The robotic dong slides into Nahtanha's gash, causing the young sex worker to laugh hysterically. It's not the reaction Tony and his cohorts hope for from a hired slut, but they try to work through her obvious uneasiness. Although Tony strives to capture

the girl's bonafide reaction to the machines, a cackling broad doesn't make for a hot scene. What's worse is Nahtanha's increasingly irrepressible snicker as the android dick's speed increases.

Spasmodic laughter aside, Nahtanha appears to be enjoying her first experience with an automaton colleague tremendously, notwithstanding the eeriness of it all. Her head flips back; her eyes shut and flicker to the rhythm of the Trespasser's avant-garde thump.

By the third machine test, in which she's hunched over a table being steamrolled by the relentless Intruder, Nahtanha is hitting her groove. Coming like crazy, she finally gives in to the carnal pleasures of android intercourse.

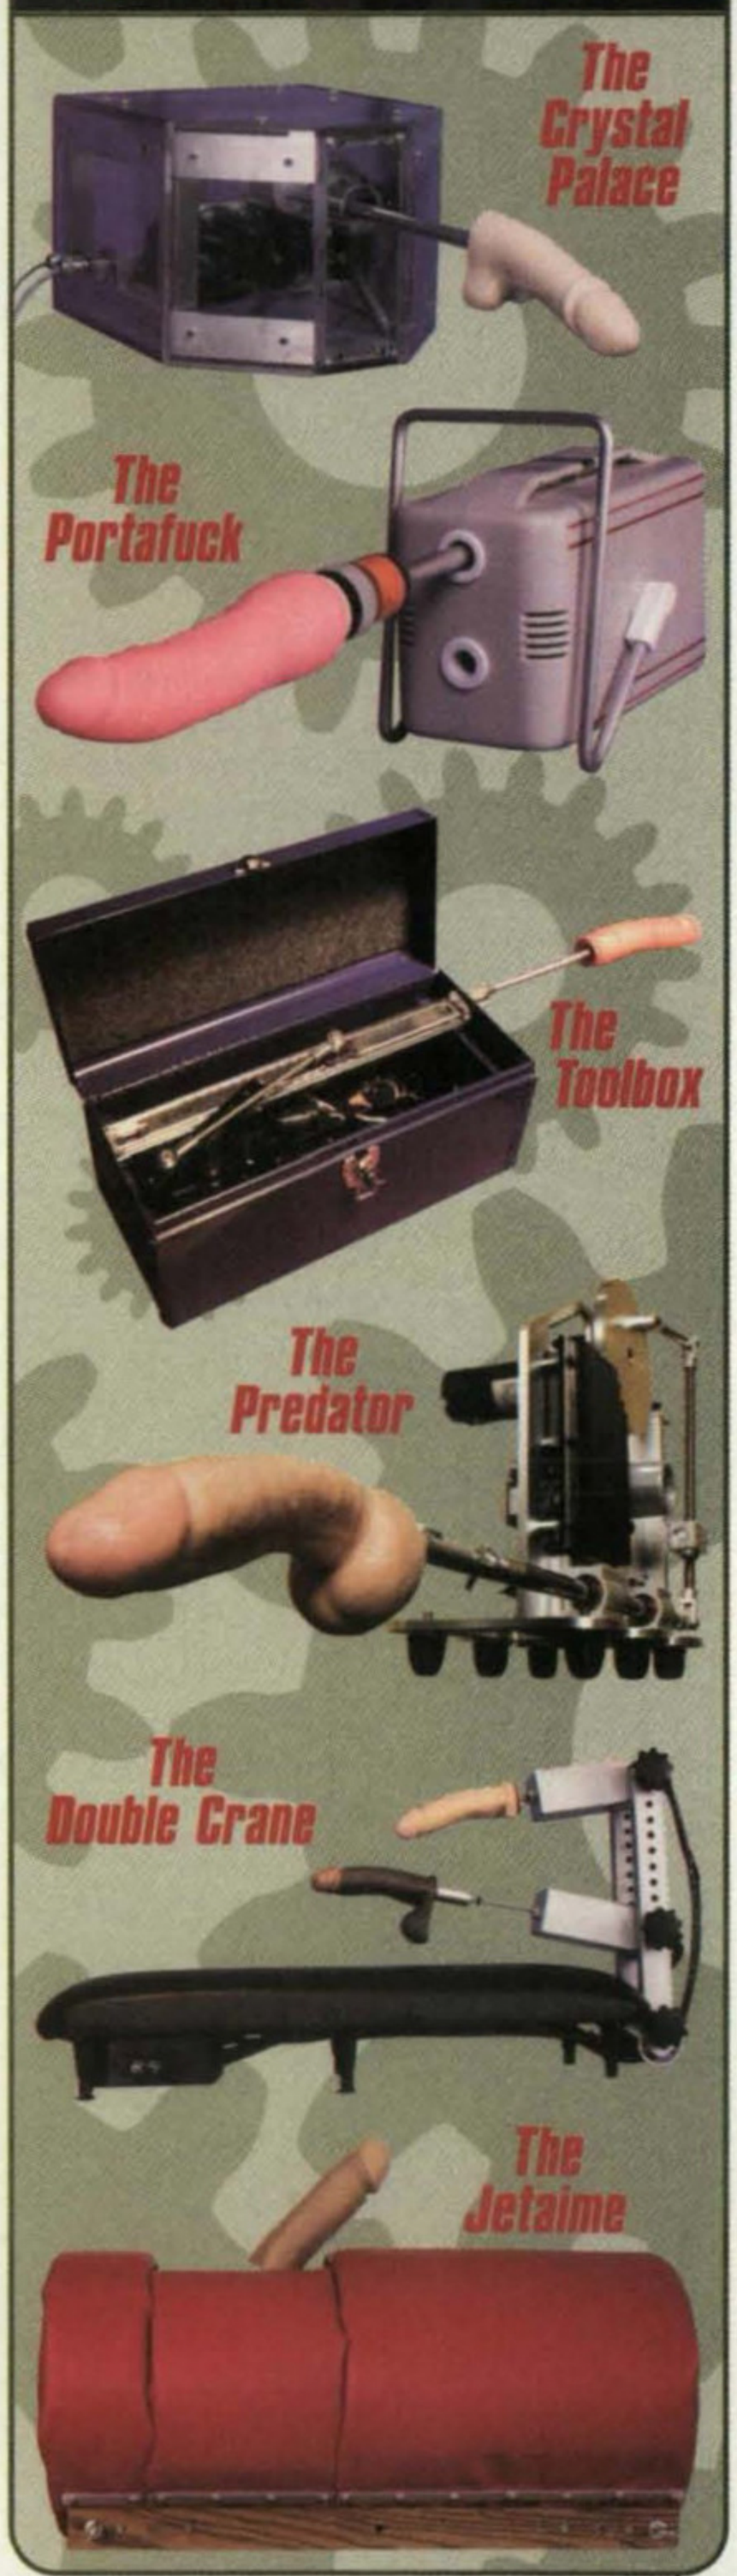
"This is better than sex," Nahtanha shouts above the whir. "Can I have one of these?"

Within an unmarked building on a quiet street in San Francisco, a company known as Cybernet Entertainment spawns a medley of fetish Web destinations from which the freaks of the world can derive their kicks. Specialty sites such as Hogtied.com, WhippedAss.com and WiredPussy.com all conduct business under the same roof. But FuckingMachines.com is Tony Pirelli's only focus, his motorized baby.

FuckingMachines.com began its run as the industry's only mechanical sex-toy Web site at the turn of the millennium. Since then, dozens of gals have been probed and prodded by these horny doodads with grand success. Although not an original concept (Tony recalls seeing a magazine as a boy that showcased a woman being serviced by a mechanical lover), the woman-meets-machine niche had yet to be properly explored until Tony and his vision hit the scene.

Most of the Fucking Machines are the result of Tony and his crew's sinister need to create new and exciting ways to penetrate a woman's folds. Pirelli claims that the Crystal Palace and the Cathedral, two of the

Meet the Machines

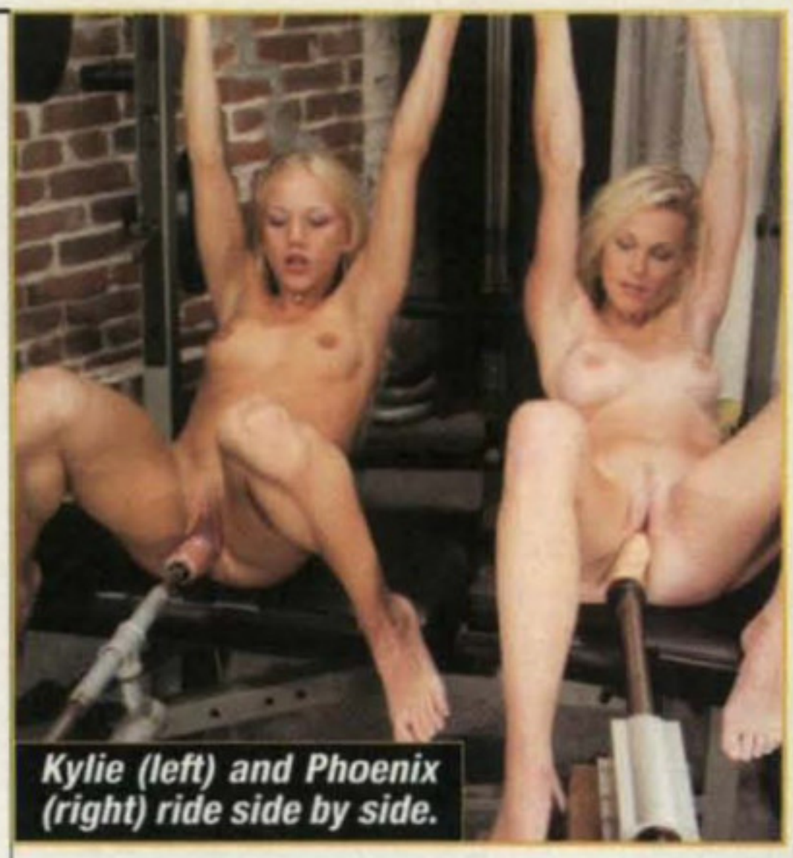


more complex machines, were designed and built by a retired NASA missile engineer with a kinky mind. Except for the Reactor and the Crane, which use compressed air to get the juices flowing, the contraptions all utilize small appliance motors that can generate up to one horsepower worth of bitch-boning brawn.

FuckingMachines.com gives visitors what Tony believes they covet: the grand vision of a hot chick being fucked silly without the repellent addition of male genitalia. Without the distraction of flapping ball sacs and hairy man asses, the penetrated vagina's exquisiteness can be properly revered.

Not everyone, however, is enchanted with these fuck machines. Ashley Blue, a petite porn actress with a year of being whacked by countless flesh-and-blood cocks under her belt, developed a fierce odium for the sex machines.

"It couldn't have been any more awkward," says the usually plucky video slut. "It fucking hurt. And with everyone staring at me getting hammered by this stupid machine, it was impossible to get off. I just felt like I was in a disgusting science experiment. Maybe if they put Brad Pitt's head on the machines, it'd be easier to get off."



Kylie (left) and Phoenix (right) ride side by side.

Cowgirl, an obvious overachiever, mounts the Trespasser and the Intruder.

Another XXX starlet who's lukewarm on the robotic-lover concept is Holly Stevens. Although relatively new to the ways of paid sex, this Midwestern beauty knows enough to recognize what she doesn't fancy.

"It's not that I hated being done by the Fucking Machines," the blond vixen professes. "I'd just rather have an actual human being doing me. I like being touched and kissed. I like a spontaneous change in speed that stems from the attraction and heat between two people. Call me old-fashioned, but to me, the act of sex is much more than a dick going in and out of a pussy. I can certainly see some girls having the time of their lives with these machines, but I have come to expect certain things from my sexual partners that these machines cannot provide."

By contrast, Kaylynn, an onscreen sex siren and veteran of countless skin flicks, left her first Fucking Machines encounter with a true adoration. "I've made three trips to San Francisco to ride the machines!" states the brunet starlet. "Fucking Machines is definitely San Francisco's best-kept secret! I came so many times I lost count!"

Overcome with joy, Kaylynn continues, "Just when I thought I topped out on the machines, they stuck these beautiful stainless-steel dildos up my pussy and ass, which were attached by wires to a little black box with lots of dials on it. Next, they strapped a couple of those abdominal stimulators you see advertised on late-night infomercials to my upper thighs. Last, I wore these cool goggles and headphones that make you hallucinate, and then they turned it all on. I came for an hour straight—one continuous orgasm!"

Given such raves, will machines eventually replace blue-screen cocksmen? Gone are the wood problems that curse male performers. This is a dick that never goes soft. It's every fuck bunny's wet dream come true. That is, of course, if she can look past the verity that her lover is made of steel and plastic, which may actually be an improvement over the XXX swordsman in more ways than one.

Mia

A native of Sacramento, California, Mia says, "The bedroom is definitely my favorite room in the house. I can really relax. I love to strip it all off, spread my legs wide and slowly work my clit into a frenzy." The 21-year-old self-abuse fanatic moans, "I don't have any drapes, and sometimes the nosy neighbors complain that they can see it all. Let me tell you, the local looky-loos should be thanking me for putting on a free show. I once caught a guy peeking in through my window and told him, 'Pull up a chair, and open some Vaseline. I have nothing to hide.' "

MANNEQUIN
Mona Lisas

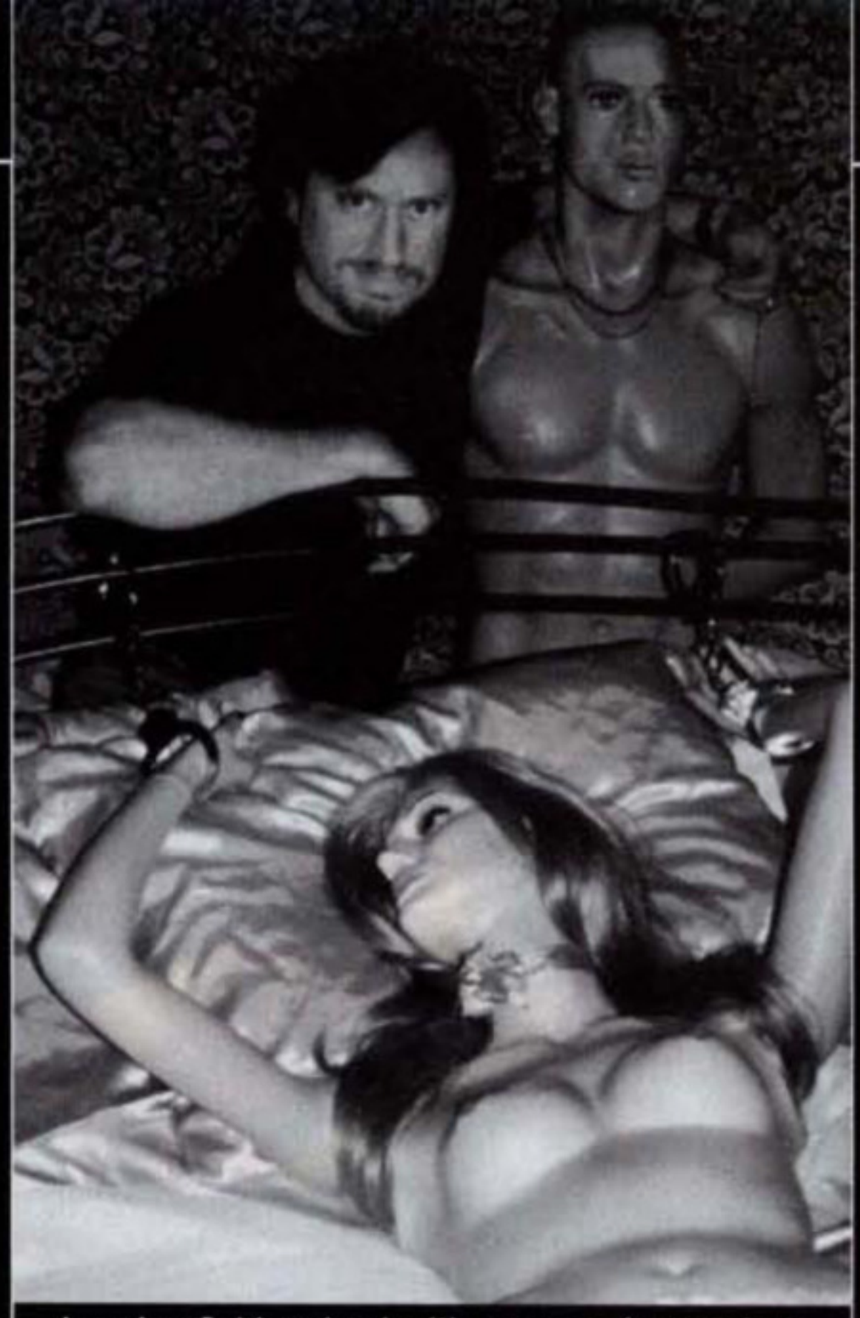
Lensman Lanning Gold's beautiful creations can't speak,

can't spend your money,

and their asses will never sag.

Has he discovered the perfect woman?

Profile by Stephen Lemons



Lanning Gold and pal with mannequin sex slave.

Photographer Lanning Gold's home is filled with hot, naked women who couldn't care less if you feel them up. On this sunny California afternoon, there are at least a dozen of them in his living room, standing or sitting, staring stone-faced at their master as he snaps a few shots with his 35mm camera.

"Go ahead," urges Gold, nodding toward two nude blondes lying on satin sheets and pillows before us, their nipples as stiff as nails. "Touch their breasts if you want."

I maneuver around Gold's tripod and lights, and reach my hand out to cup one gal's breast. It has a nice shape, but it's too firm to be real. This is Hollywood, after all.

"Hard as a rock," Gold says, grinning. "Like I told you; you can't fuck fiberglass."

The glass-eyed dames come in all guises: dressed in fur-lined, see-through teddies; decked out in full S&M regalia or a Catholic schoolgirl's plaid skirt; crouched on all fours with haunches high, ready for action; even lounging in lesbo heaven, like two faux rug-munchers on the floor of Gold's den.

Normally, Gold derives his inspiration from the street—specifically from store windows of slut-wear shops such as Trashy Lingerie, Dream Dresser or Agent Provocateur. He shoots the window displays late at night in black-and-white, then hand-paints the prints with garish colors—deep purples, emerald greens and velvety reds. The results? Realistic "photopaintings" that are hot enough to spank to, but arty enough for framing.

> "I'm trying to capture the sexuality of these fiberglass beings."

A tall man in his mid-30s who could pass for Michael Caine's younger brother, Gold explains he has to shoot late at night to avoid the sun's reflection. But if the mood hits him when it's still daylight, he has a personal harem of counterfeit models at his beck and call.

"Basically, I'm a voyeur, and I'm trying to capture the sexuality of these fiberglass beings," says Gold. "Even though there are a whole bunch of them in the room right now, having sexual contact with them is the last thing in a million years I would want to do."

A Los Angeles native and U.C. Berkeley graduate, Gold began his semi-creepy endeavor seven years ago while out with a posse of fellow photographers. As a sort of friendly competition, they would all take pictures together, then compare the results. One day, the wandering shutterbugs spotted a sexy store-window mannequin and used her as a subject. Gold only had black-and-white film; so he painted the print to make up for his handicap, and a career was born.

Today, Gold's images of inanimate eye candy fetch anywhere from $800 to $2,000 a pop. They've been featured in publications such as *Entertainment Today* and *Juxtapoz's Erotica* magazine, and various prestigious galleries have exhibited them, including L.A.'s Bacchus Gallery, San Diego's I.P. Gallery and West Hollywood's Desmond Gallery.

Gold, for his part, claims to maintain a generally detached attitude toward his lifeless lovelies. "I ignore [the mannequins] most of the time," he says, gazing at his seraglio of sultry effigies. "They're like my tools. They're there for me to put a piece together. Once I'm looking through the camera lens, then I can see them as beautiful people. Until then, they're just like furniture to me."

GINA LYNN RAPS ABOUT HER EMINEM ENCOUNTER

Like Jenna Jameson before her, Gina Lynn has managed to cross over from porn to the mainstream. She's made guest appearances on NBC's *Third Watch* and HBO's *The Sopranos*, but Gina didn't stop with TV. She made her film debut in the Billy Crystal/Robert De Niro comedy *Analyze That*, which caught the eye of the biggest musical act on the charts, Eminem. The raunchy, multi-platinum rapper quickly cast her in his "Superman" video, which debuted exclusively on Em's *8 Mile* DVD. Not bad for a girl who started as an exotic dancer in New Jersey during her senior year of high school. In an exclusive interview with HUSTLER, Gina gives us the inside dirt on the reclusive rapper and the making of the "Superman" video.

HUSTLER: Did Eminem know about your adult film career when he hired you for his video?

GINA LYNN: He didn't even know I was a porn star. He had to contact all the casting agents for the movie *Analyze That*. It took him seven hours to track me down. He had no name knowledge (of me).

HUSTLER: How did Eminem act around you?

GINA LYNN: He seemed shy to me. He was nervous around me. He was really sweet—a really, really nice guy; not what you would expect.

HUSTLER: Did Eminem hit on you?

GINA LYNN: He was flirting. Definitely. We kissed under the covers, yeah. There's a part (in the video) where he pulls the covers up over us and he's on top of me. He couldn't kiss me out on the (open) set because he's back with his wife, Kim. They had just gotten back together, but he was still being bad by bringing me out.

HUSTLER: Did he do more than kiss you?

GINA LYNN: He dry humped me on the wall—you can see it right in the video. We were all over each other the whole shoot, but he was careful about not kissing me on camera because his wife (Kim) would get mad. I tried to kiss him, and he backed away. He said, "I'm back with Kim. She'll kill me."

HUSTLER: Sounds hot and heavy. Did he do anything else?

GINA LYNN: He was grabbing my boobs the whole time and grabbing my ass here and there. It was part of the video...and he put his hands between my legs.

HUSTLER: Did Eminem have his clothes on during the entire shoot?

GINA LYNN: Most of the video he had his shirt off. He's pretty buff. I really like his body.

HUSTLER: What about the rumors that you and Eminem really hooked up romantically?

GINA LYNN: We had some fun. We were on the set for 17 hours, till nine o' clock the next morning. I had a flight out at 10:30 a.m., and he took his private jet back home. I'm sure if I had wanted to sleep with him, I could have easily.

HUSTLER: Have you and Eminem talked since then?

GINA LYNN: No. When I was on the shoot, I didn't even try to leave my number or anything. All his buddies on the set, all his bodyguards, were trying to get my phone number. I gave him my manager's number, and that was it. He knew it wasn't mine. I didn't want anything to happen afterward. It was just cool to do a video with him. It would be nice to see him again. I don't think he really does a lot of parties after events and stuff.

HUSTLER: Do you want to continue acting in mainstream projects?

GINA LYNN: Yeah! If it comes to me, that's great. I'm not gonna get really upset if no more roles come, but I think they will. And the more mainstream roles I have, the more popular I become in the adult (industry), which I love because you become a household name. I don't want to quit one for the other. I don't want to be a struggling actress. My bread and butter is from the adult stuff. I have a contract with Pleasure (Productions). I have a contract with my toy line (The Gina Lynn Collection), and I contracted under Club Jenna with my Web site, www.GinaLynn.com, so I'm in it for the long run.

Gina Lynn down & dirty

Note to our readers: You may have noticed a photo-set very similar to this one in the August 2003 *Club*. Blame for this lies with Frog photographer Laurent Sky who, true to his national origin, stabbed us in the back. We cite this as further proof of the need to nuke the snail-sucking shit out of France. Unfortunately, we found out about the other set too late to replace this one, but we

Okay, so he isn't Eminem, but he kinda looks like him, and he has a big dick; that's all that matters. He gives it to me right where I like it: in the subway station. After I suck him off, he gives me his version of the slim (and slick) shady. I climb onto his steel rod and ride the Blue-Vein Express all the way to Orgasmville. He's almost too big; if he stretched my tunnel any wider, you could park Eminem's limo inside me.

The Tune Commandments: Wylde as a guitar-wielding Moses.

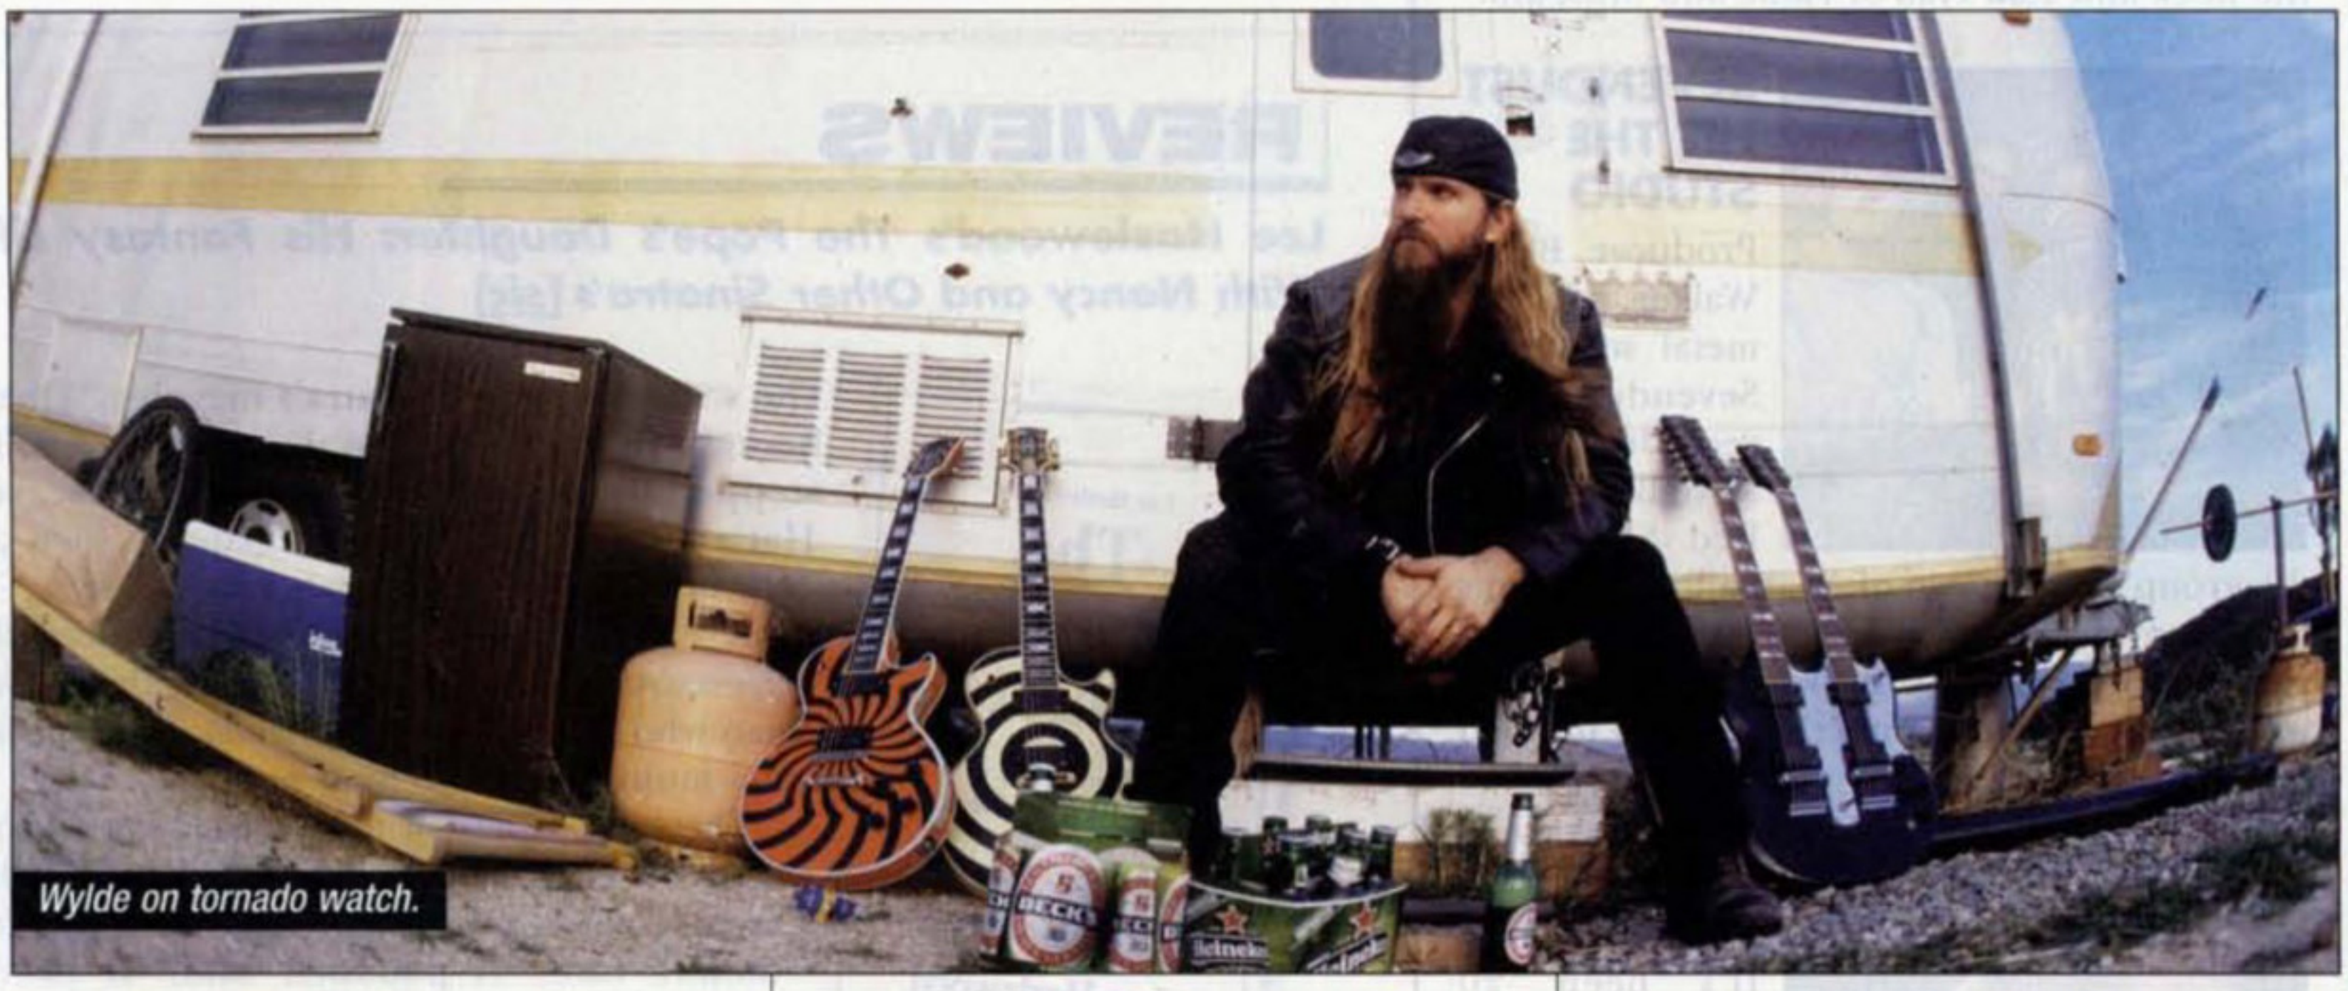
ZAKK WYLDE

THE *BLESSED HELLRIDE* OF A LIFETIME

Interview by Nancy B. Sayle

It wasn't always fame and glory for Zakk Wylde. Growing up in New Jersey, Zakk's life consisted of working construction and playing in a local band. An audition to be Ozzy Osbourne's guitarist changed everything. At the tryouts, Zakk played some Ozzy tunes, then performed some classical guitar. Wylde thought he blew the gig until Sharon Osbourne called him and asked him to join Ozzy's band. Zakk was 20 years old, and it was 1987.

Now it's 2003, and Wylde is at the top of his game, both as Ozzy's lead guitarist and with his own project, Black Label Society. With endless touring and multiple albums under his belt, Zakk is busting out this year with his newest release, *Blessed Hellride*. The album title is an apt description of the guitar master's career.



Wylde on tornado watch.

HUSTLER: This seems to be the year of Black Label Society.

WYLDE: Totally, without a doubt, it has been amazing. We've been getting airplay like crazy.

HUSTLER: Why is this BLS album in particular getting so much attention?

WYLDE: I don't know. We have Ozzy on the song "Stillborn." This is the first time he has done that for me. Ozzy came in and the first thing he asked was, "Where's the beer?" We had a great time recording that. Anyway, the kids are more ready for the music. Music is changing again. It is cyclical in this industry.

HUSTLER: You're known for your nonstop touring, but last year, they had to cancel Ozzfest in Europe due to your health.

WYLDE: Well, yeah. I was doing double duty every night playing for Ozzy and with my own band, Black Label Society. I was getting so dehydrated that they were pumping me up with saline between sets. It was fuckin' crazy. I had to stop.

HUSTLER: What about this year's Ozzfest? Black Label Society is not playing.

WYLDE: Yeah. I'm playing for Ozzy only. One beer buzz, not two. [But] BLS will go out like a fuckin' machine after Ozzfest.

HUSTLER: What else is on the horizon for Black Label Society?

WYLDE: We are working on compiling footage for a DVD. From there, I go to New Jersey to play the national anthem at the raceway. I now have a funny car to race and a monster truck too.

HUSTLER: What's the name of your DVD?

WYLDE: *Booze, Bruised and Broken Bones.* It's like what the Pantera boys do—put together personal footage with concert footage. It's great shit.

HUSTLER: You recently had a son. You gave him the longest damn name I've ever heard.

WYLDE: Hendrix Van Halen Michael Rhoads Wylde.

HUSTLER: You know what's going to happen? He's gonna have this bad-ass daddy, and he will wear a tutu.

WYLDE: Yeah, and basket-weave probably. I named him after the baddest guitar players ever, and he will be a basket weaver. Oh, and the "Michael" is after Mike Piazza, the baseball player. He's my son's godfather.

Brief Notes From the World of Rock

BRET MICHAELS RELEASES SOLO CD

To promote his debut solo record, *Songs of Life*, Poison guitarist Bret Michaels hosted an interactive record-release jam on his Web site, during which he performed live acoustic versions of his latest musical creations. For the grand finale, Bret performed "Every Rose Has Its Thorn" on the 12-string acoustic guitar that was used to record the late-'80s smash. This was the guitar's final performance before Michaels donated it to the Rock and Roll Hall of Fame and Museum.

SEVENDUST HIT THE STUDIO

Producer Butch Walker and nü-metal sensations Sevendust have recorded tracks at Walker's Ruby Red Studios in the group's hometown of Atlanta for the band's follow-up to its 2001 album, *Animosity*. It's not yet known how many Walker-produced songs will make it onto the quintet's currently untitled fourth album.

DIO UNLEASHES

It's been 20 years since the release of former Rainbow and Black Sabbath singer Ronnie James Dio's first solo record, *Holy Diver*, but he shows no signs of slowing down. His latest offering, the *Evil or Divine* DVD, spans the Dio songbook from *Holy Diver* to the recent *Killing the Dragon*. Fans who missed the album's live recording at New York's legendary Roseland Ballroom last December can experience the show in 5.1 digital surround sound with multiple angles. The DVD also includes an extensive interview with Ronnie, backstage scenes and the video for "Push," featuring rock goofballs Tenacious D.

NEWS

Max Collins, the frontman for modern-rock band Eve 6, was booked on suspicion of indecent exposure on May 27 following an incident at the Crowne Plaza hotel outside Pittsburgh, Pennsylvania. According to witnesses, a pantsless Collins approached the front desk and asked for shaving cream, then paraded his lathered unit in the hotel lobby and elevator. After pleading guilty to two counts of disorderly conduct, he was fined a relatively paltry $400. We'd say that after a close shave, Collins narrowly averted a hairy situation, but such wordplay is clearly beneath us.

In other cops-and-rockers news, Paul Gray, bassist for costumed nü-metallers Slipknot, was arrested in Des Moines, Iowa, on June 1 after running a red light and crashing his Porsche 911 into another vehicle. The police report notes that Gray had "difficulty standing upright" and his speech was unintelligible, save for the word "sleepy." Cops found two syringes, along with "a bindle containing a white powdery substance" and a small amount of pot in Gray's car. Judging from this mug shot, they also discovered why the band wears masks.

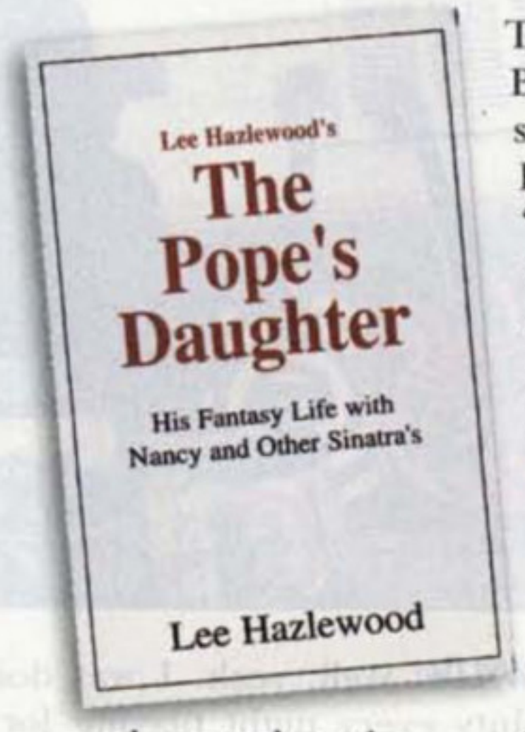
Lee Hazlewood's *The Pope's Daughter: His Fantasy Life With Nancy and Other Sinatra's* [*sic*]



The writer of Nancy Sinatra's megahit "These Boots Are Made for Walkin'" has finally stepped into the world of literature. Hazlewood's book features chapters such as "Never Trust a Sacrificial Lamb Riding a Unicycle" and an oddly Biblical patois (*cometh, screamedeth and felteth*); then again, this is the man who coined the words *truthin'* and *samin'* in a multiplatinum-selling song.

The tome opens with a reworking of the Book of Genesis and descends into a half-fantasy tale of his experiences with the Sinatra clan. "A publisher said, 'It needs to be longer,'" recalls the 74-year-old singer/songwriter/author. "So I went back and started at the very beginning, then people really thought I was crazy. Needless to say, that publisher did not like it." But fans of outré literature will.

Available from www.Xlibris.com and wherever weird books are sold.

Deftones: *Deftones* (Warner Bros./Maverick)

Sacramento's finest have finally returned with a follow-up to 2000's *White Pony*, and it was worth the wait. The first single, "Minerva," is a lumbering testimony to their categorically undefinable sound. At times muted and understated, other times aurally assaultive, the album is always compassionate and full of energy.

The Jealous Sound: *Kill Them With Kindness* (Better Looking Records)

The Jealous Sound are a rare gem that gives one hope for the bloated corporate music industry. The compelling lyrics of Blair Shehan (ex-Knapsack) and catchy, anti-pop guitar hooks of Pedro Benito (late of Sunday's Best) fuse to form an energetic tour de force.

Phaser: *Sway* (Emperor Norton)

Sway is densely layered with swirling guitars, powerful lyrics and shining melodies. With a sound akin to early Radiohead and the Verve, it's difficult to believe these guys hail from Washington, D.C., not Manchester. This is one of the best albums of the year.

MOTOGRATER

Motograter, the instrument, is a strange, homemade construction of cables, cranks and gears capable of unleashing a punishing sonic assault. Motograter the band is an equally bizarre concoction of tribal, industrial and apocalyptic *rawk*.

"I've always built my own instruments," says Grater, Motograter's majordomo. "The industry was so clogged with the stereotypical guitar, bass and drums. We wanted to do something that was not standard. The group, in essence, formed around the instrument."

The Texas quintet consists of Ghost (verbal abuse, criticisms, melodic slander), Smur (drums, screams), Crispy (drums), Nuke (guitar), J.R. (guitar), Zak (vocals) and, of course, Grater (the motograter). The band recently toured with industrial-rock heavies Ministry, and this summer they hit the road with Ozzy Osbourne, MTV's favorite father figure, playing the second stage on the Ozzfest tour. What can the moppets of the mosh pit expect from Motograter live? "Believe me, it is literally a war when we get up there," says Ghost. Band members adorn themselves with face paint and feel that their postapocalyptic visual presentation will help convey their message, which is, according to Grater, "that a lot of shit is hitting the fan."

Sounds like an idea for another instrument.

Motograter's self-titled debut is available on Elektra/No Name. For the latest information, visit www.Motograter.com.

SWORN ENEMY

Another band appearing on Ozzfest's second stage is the Queens, New York, outfit Sworn Enemy. With their debut album, *As Real As It Gets* (Elektra/No Name), the band is poised to make an impression on the summer festival's audience, having already captured the hearts and minds of the East Coast hard-core faithful.

"This tour is absolutely the most important tour we have ever done," says vocalist Sal LoCoco. "Many bands went big after playing Ozzfest, but whatever happens, we are grateful for the opportunity."

LoCoco (vocals), Mike Raffinello (guitar) and Lorenzo Antonucci (guitar) were old friends and bandmates before Paulie Antignani (drums) and Mike Couls (bass) joined to complete the group. Live, Sworn Enemy comes on like Four Italian Stallions of the Apocalypse, plus one honorary goomba. The band's precision dynamics, heavy grooves and fiery thrash, honed through relentless touring, are in full effect on their album.

While death, destruction and depression find their way into SE's lyrics, LoCoco asserts that there are some silver linings. "Most of what I write about is stuff that has touched me or people I know," says LoCoco. "Our songs are angry but hopeful."

Despite his band's combative moniker, LoCoco, like Rodney King with a shredded larynx, wishes everyone could just get along. "We want to end the meaningless boundaries between metal and hard-core," he says. "We want people to like metal, hard-core, punk, nü-metal, whatever. Everything can unite with everything."

Fingered Felon

"I'm a really good dancer," Denver native Felix tells us. "I can dance to hip-hop...pop-and-lock style." When it comes to men, the talented hoofer laughs, "I like guys with spiky and colored mohawks...and plaid pants! I don't like buff guys; I like my guys scrawny." She loves drawing and plans to take art lessons soon. The Rocky Mountain hottie also wants to pursue acting and is off to a good start.

"A producer stopped me on the street and asked me to send in a head shot," Felix reveals. Thanks to that stroke of good luck, the smoking-hot 19-year-old was cast in an upcoming film, *99*, with Nicolas Cage, Matt Damon and J.Lo. "Hopefully my career will take off from here," she winks. It would be criminal if it doesn't.

Question: A black, a Mexican and an Arab are riding in a car. Who's driving?

Answer: The cop.

Two San Francisco construction workers were leaving the site at the end of a long day.

"I can't wait to get home," one of them said. "As soon as I walk in the door, I'm going to rip my wife's panties right off."

"Yeah, I know the feeling," the other guy replied.

"No, I'm serious," the first hard hat said. "They're killing me."

Question: Did you know that the Limbo was invented by a Jew?

Answer: He was trying to sneak into a pay toilet.

A guy walked into a bar and sat down. The side of his face was bruised and bleeding.

"What in the world happened to you, buddy?" asked the bartender.

"Oh, I got in a fight with my girlfriend," the guy explained, "and I called her a two-bit whore."

"Yeah? What did she do?" the drink-slinger inquired.

The guy answered, "She hit me with her bag of quarters."

During his monthly visit to the corner barbershop, Mike asked his barber for any suggestions on how to treat his increasing baldness.

Another customer, who had overheard the conversation, leaned over and confided that the best remedy he'd tried was pussy juice.

"But you're balder than I am!" Mike protested.

"True," said the other customer, "but you have to admit, I have one hell of a mustache."

A woman was in the welfare office filling out forms when the clerk asked how many children she had.

"Ten boys," the woman replied, "all of them named Bobby."

"They're all named Bobby?" the pencil pusher exclaimed. "Why?"

"That way, when I want them to come in for dinner," the woman explained, "I just yell 'Bobby!'"

"What if you want just one of them to do something?" asked the clerk.

"That's easy," the welfare mom said. "I call him by his last name."

Adam was all alone in paradise and bored stiff; so he decided to ask God for a companion.

"Okay," the Almighty answered, "but it will cost you an arm, a leg, a lung, an eye and one testicle."

Adam thought it over and asked, "What can I get for a rib?"

The HUSTLER Dictionary defines *highjacker* as: a stewardess who gives handjobs.

A man and woman were fucking when the woman heard her husband come home.

"Quick, hide in the bathroom," she cried.

The man ran into the john as the woman hid his clothes under the bed. Just as she finished, her husband entered the bedroom.

"What are you doing lying naked on the bed?" he asked.

"Darling, I heard you coming up the driveway and got ready for you," the cunning wife replied.

"Great," said the clueless husband. "I'll just run into the bathroom, and I'll be with you in two shakes."

Before the wife could stop him, hubby walked in the bathroom, where he found a man clapping his hands together in midair.

"Who the hell are you?" asked the dumbfounded husband.

"I'm from the exterminator company," the guy replied. "Your wife called me in to get rid of these pesky moths."

The outraged husband yelled, "But you don't have any clothes on!"

The naked guy looked down at his body, jumped backward in surprise and said, "Those little bastards."

A brown bear and a white rabbit were both taking a shit in the woods. The bear turned to the rabbit and asked, "Do you have a problem with shit sticking to your fur?"

"No," the rabbit replied.

"Good," said the bear, "I need to wipe my ass."

WILLIAM BENNETT CONTINUES TO GAMBLE...

HMMM... SHE LOOKS CLEAN... I DON'T THINK I NEED A CONDOM...

Crossing the Line

While other celebrities run for cover, funnyman David Cross trashes politicos with no apologies.

Interview by **Bruce David**

Best known for the HBO sketch-comedy program, *Mr. Show*, stand-up comedian David Cross continues to push the envelope (and attract serious attention) with what some are calling his breakthrough comedy CD, *Shut Up, You Fucking Baby*. Fresh, exciting and surprisingly political at a time when many comedians would rather avoid controversy, *SUYFB* evokes memories of political/social comedy legends Lenny Bruce, Mort Sahl and George Carlin. Despite a demanding schedule of club dates, movie roles (*Men in Black 1* and *2*, *The Cable Guy*, *Scary Movie 2*, *Ghost World*) and TV guest spots (*Just Shoot Me*, *The Drew Carey Show*), Cross took time out for a phone interview as he stood out in front of a Ben & Jerry's in San Francisco while waiting for them to hand out free ice cream.

* * *

HUSTLER: How long have you been doing stand-up?

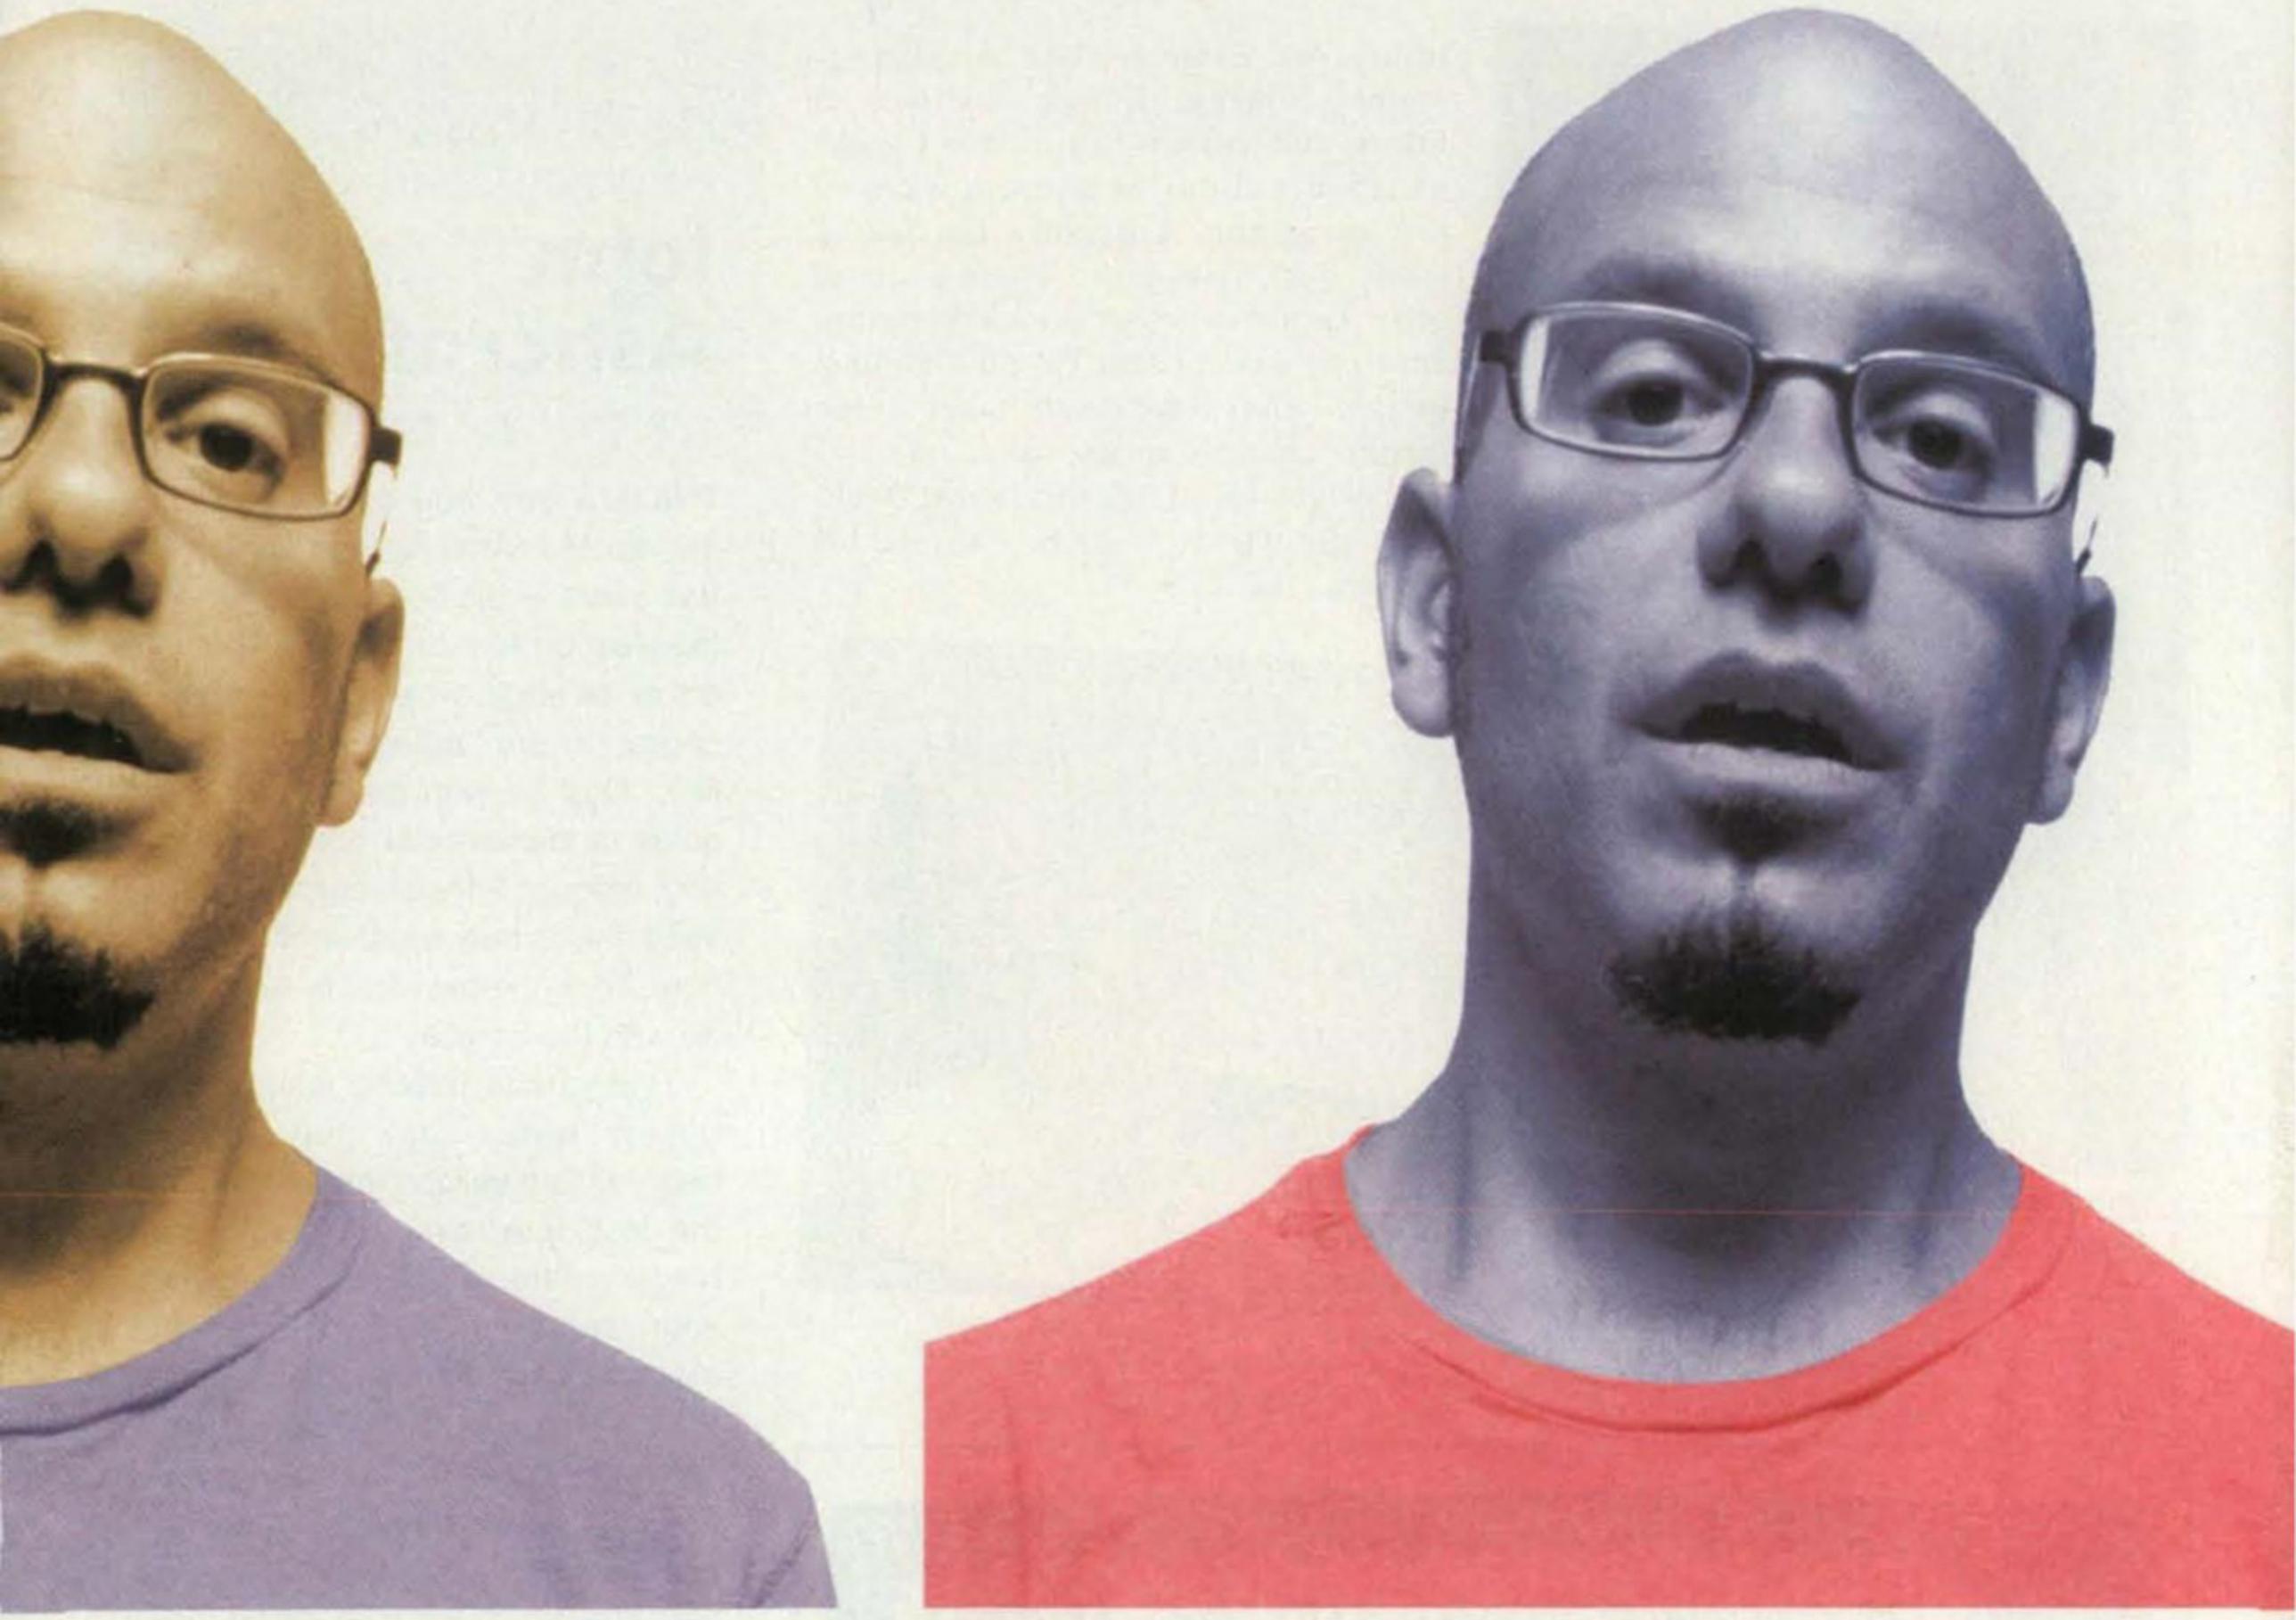
DAVID CROSS: I started where I'm from, in Atlanta, doing open-mike nights. [I] did that for a couple years, then stopped. I went up to Boston to go to college and then dropped out, and stopped doing stand-up for a while, and then started again in, like, '87, and just kept doing it.

HUSTLER: When did you start to get political?

CROSS: Only recently have I gotten predominantly and overtly political. I've always talked about stuff that had to do with politics, but you know, now there seems to be more to talk about.

HUSTLER: How does your activism go over onstage?

CROSS: There were some people who were upset and walked out and stuff. But the thing about being known for



your work is, you get a lot of people who are coming out to hear you do what they expect you're gonna do, and then maybe 15% of the audience, who doesn't know you, is upset. They get kind of verbally bullied by the rest of the audience, which I try to discourage, but it still happens.

HUSTLER: One faction screams at the other faction?

CROSS: Yeah, which isn't cool.

HUSTLER: What are your thoughts about Bush and the war?

CROSS: They haven't swayed at all from what I originally thought. I think [Bush is] a duplicitous, dangerous, selfish man who's under some sort of delusion that God talks to him directly and God has a mission for him, which is very scary. The fact that he's born again is extremely scary; those people are fucking crazy. It's also equally dismaying to see the media just fold under. Nobody really has discussed how truly dangerous the monopolization of the media [is] and the fact that Clear Channel now owns 1,200 [radio] stations, and they're blatantly pro-Bush, pro-war and how they can manipulate people and how they can choose what to play and what not to play, what to promote, what not to promote. It's really anti-American, extremely anti-American. I mean, it's pro-free market, but it's anti-democracy to whittle down the voices.

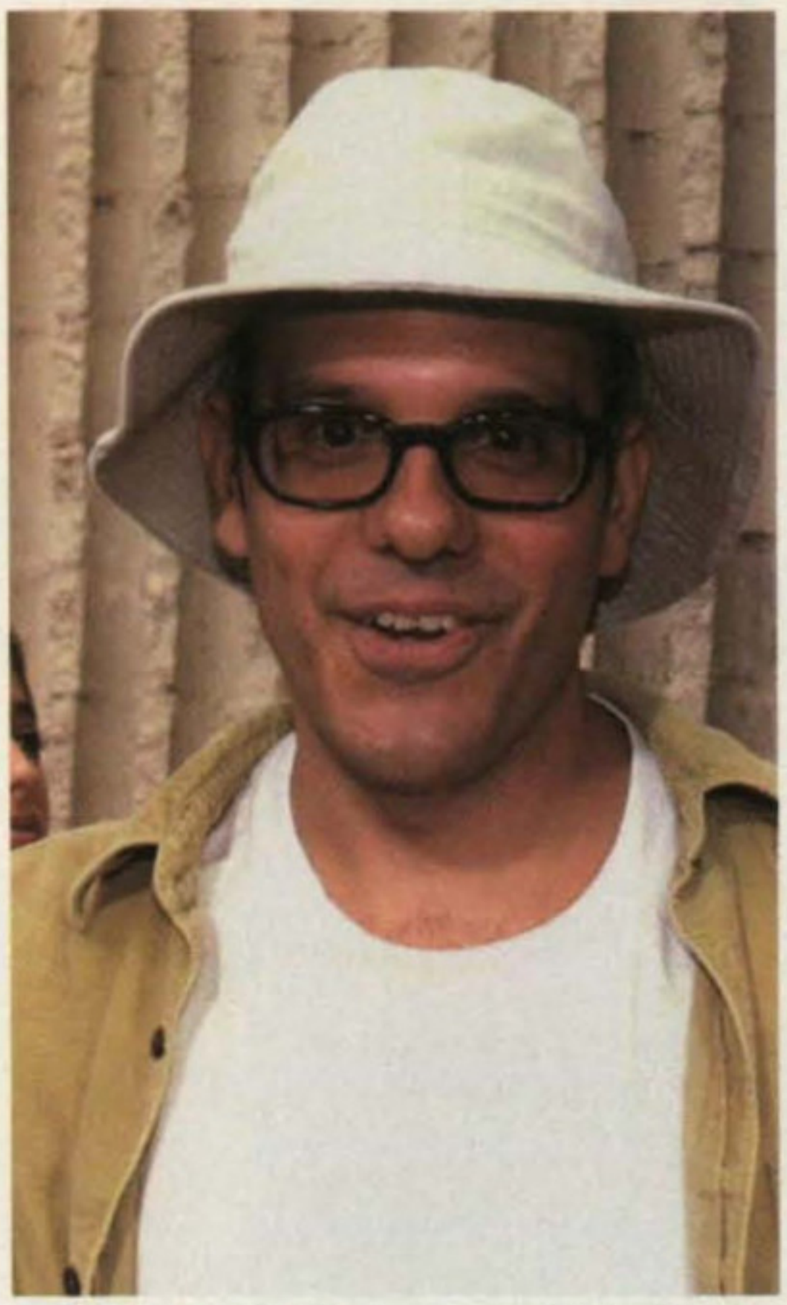
HUSTLER: Have you had any trouble with your TV appearances?

CROSS: Honestly, I really haven't received that much negative response. It's certainly nothing to the level [of] somebody like Janeane Garofalo, who is very courageous. To me, that's courage. It doesn't take a lot of courage to sit behind a desk and order strangers that you'll never meet to go miles away and fight some made-up enemy of yours. That's not courageous. What Janeane Garofalo and Mike Farrell and Martin Sheen do, putting their careers on the line, that's courageous. I don't really get crap for it. I'm so under-the-radar, nobody really pays any attention to me; so it's not that big a deal. The most I have to deal with is people getting upset at a show and wanting their money back, but that's about the extent of it.

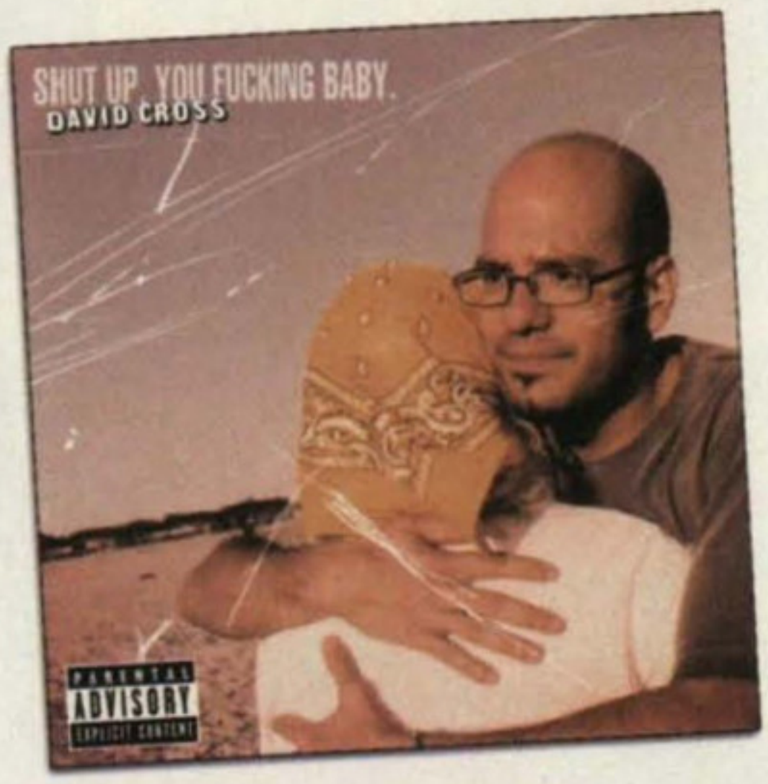
HUSTLER: What are your feelings about the state of our democracy?

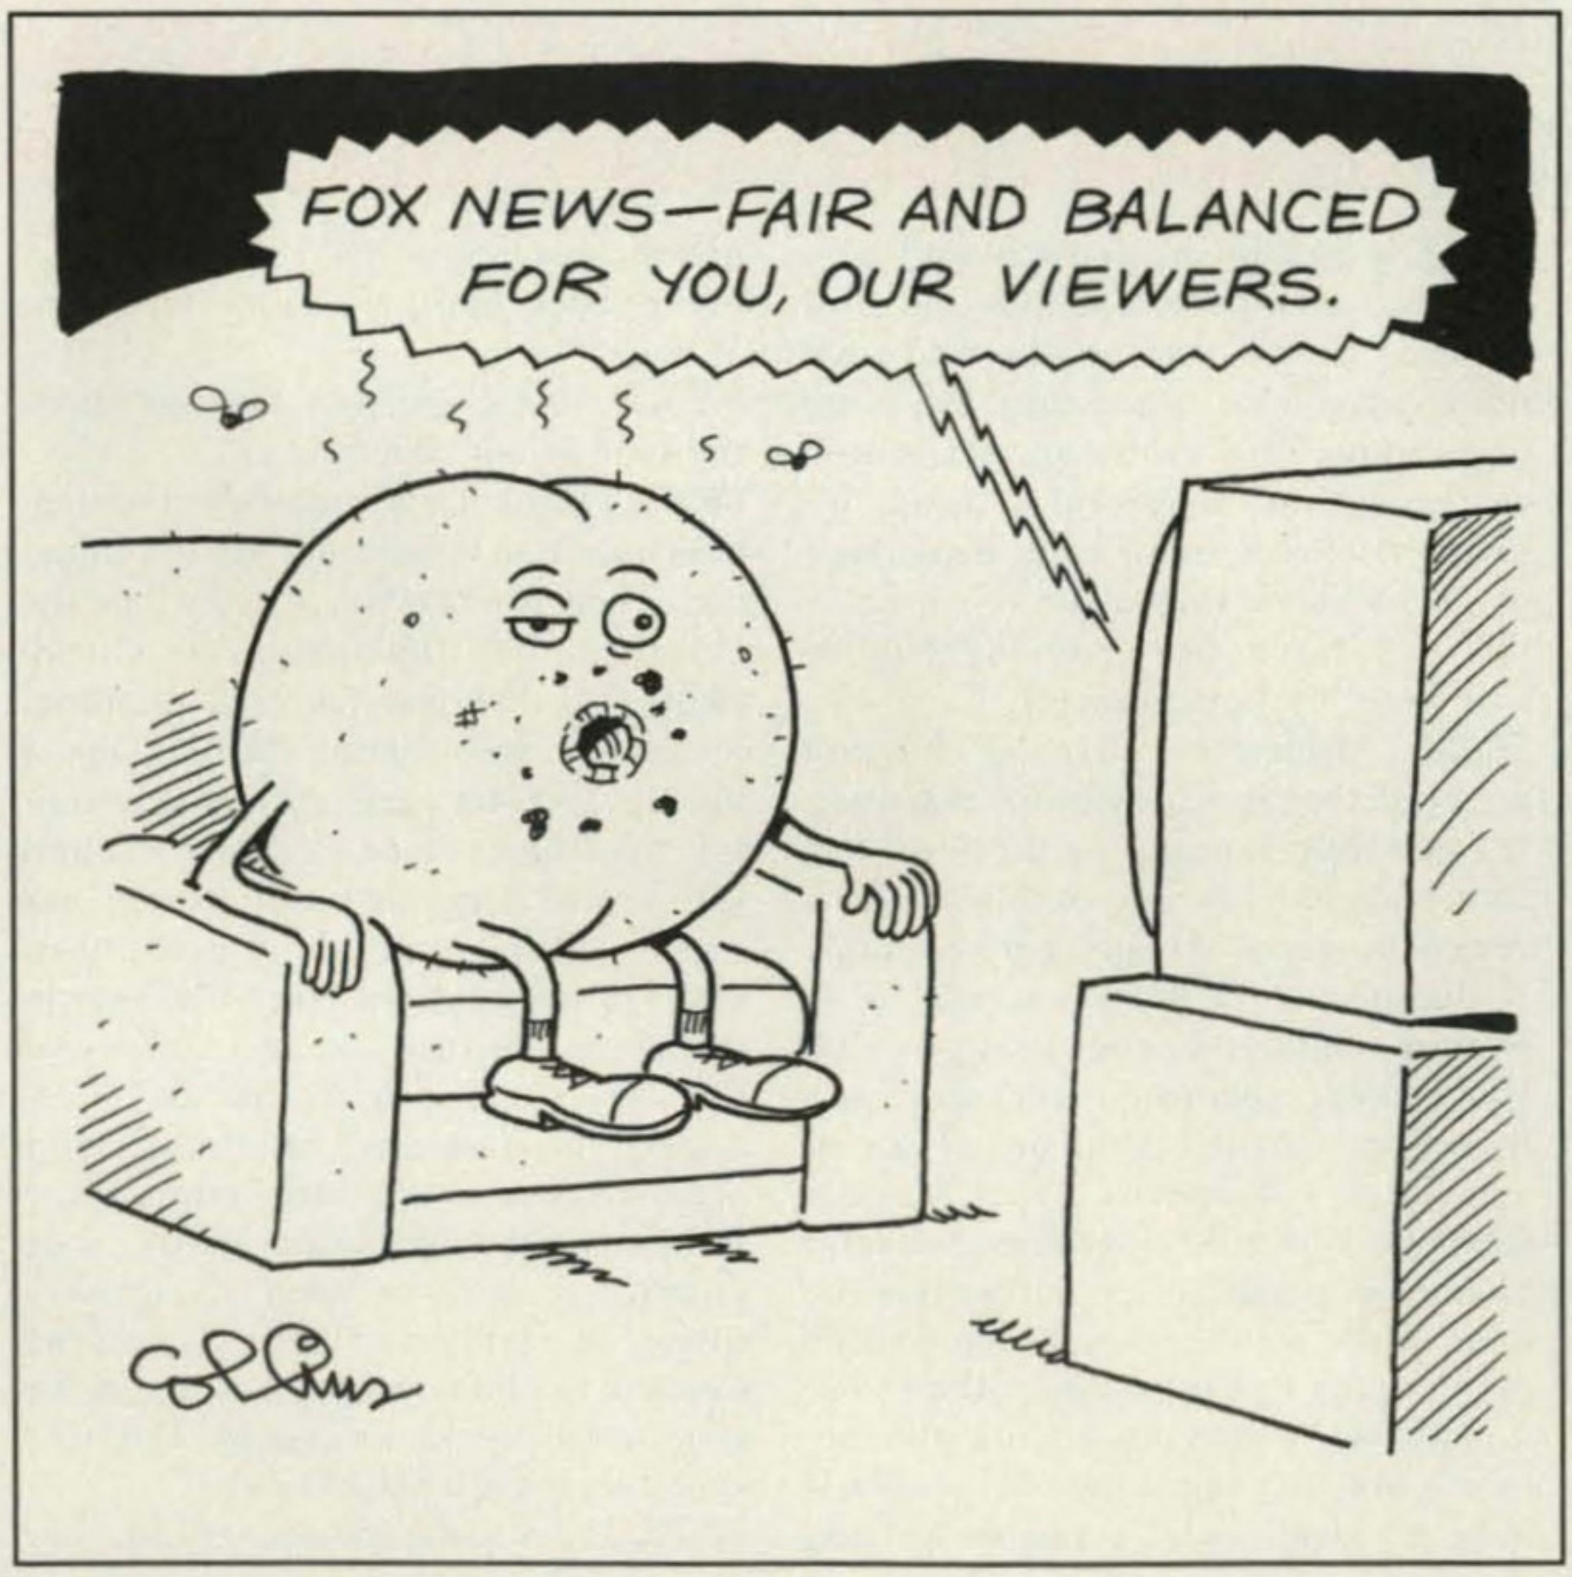
CROSS: I think it's very quickly receding. Certainly our civil rights are receding, and when you are able to convince the citizenry that they need to curtail their civil liberties for this phantom terror and keep scaring the shit out of people, and you come up with a beautiful, adorable, color-coded system, and you invent bogeymen and people just sort of fall for it and don't avail themselves to other information—like I say in the album, I'll read the *Toronto Star* and the *Sydney Morning Herald* and (UK paper) the *Guardian*, all these other papers, because we're not getting those stories [in the American press]. Four months ago, it was revealed that we were spying on members of the [UN] Security Council, [and] that was an outrage in the rest of the world for weeks. But that story barely even played here.

HUSTLER: What makes comedy work for you?



CROSS: All kinds of stuff is funny. There is unchallenging, cheap humor that's actually funny, and there's really esoteric, petty, subtle stuff that's also funny. And those are two broad spectrums. I mean, Rowan Atkinson is funny, and Twist is funny. But I guess what's not funny is sitcoms. They're just corny shit. I'm not a big fan of corny stuff, I suppose. There's lots of great comedians that are challenging. Sarah Silverman and Patton Oswalt—people [who] have really taken some serious chances to do some interesting, original stuff. [At this point, David ends the interview so he can get his free ice cream.]





David Cross on Attorney General **John Ashcroft**

★★★★★★★★★★★★★★★★★★★★

This is a guy who couldn't fucking get elected. After he had served for four years in his home state, he lost the election to a dead man. The voters of his state, when faced with that choice in the voting booth, [were] like, "Do I go with a right-wing, religious fundamentalist nut or the rotting, maggot-infested corpse? *Hmm.* Yeah, this is truly a lesser of two evils here. I don't know what to do. Got to go with the corpse."

That guy is fucking insane. That guy is nuts. That guy actually believes that calico cats are a sign of the devil; they're messengers or harbingers of the devil. He believes that. Your attorney general believes that black tabbies are harbingers of the devil. Let's extrapolate that a little bit. That means that the attorney general actually believes in the devil. He believes in a little red guy in the big, fiery, fire-and-brimstone place that's way below us. We haven't figured it out, found where it is.

Besides that other stuff, [Ashcroft] gets anointed with cooking oil by his daddy every time he takes office—'cause it's in the Bible. And instead of helping to prevent September 11th, with all the clear information he had, he would rather spend time and money draping these velvet curtains, draping a statue of the Lady of Justice, Lady Justice, whatever. I don't really know the name or the title. I'm like Ashcroft; all I see is that work of art, that sculpture, and I cannot think of anything but that bare breast. He had it draped, because the Lady Justice has a bare breast showing. Dirty, dirty, filthy titty. Filthy. You women should be ashamed of having those things. Fucking clothe those things. Put cloth on them—lots of cloth—and don't stop there. Go get a burqa. Wear that thing, too.

"Sir, if you want your mail, it's over there up the dog's ass!"

The Naked and the Red

Las Vegas Dancers Are Talkin' Union

Report by Marc Cooper

Andrea Hackett, president of the Las Vegas Dancers Alliance (foreground, with money in her garter), and Teasure Brown (in witch costume) protest lap-dance regulations.

A specter haunts Las Vegas: organized strippers. Behind this nightmare vision lurks Andrea Hackett, a former male factory worker-turned-nude dancer. And the headlines Hackett's been making have nothing to do with her sex change. Here in Glitter Gulch, that raises no more eyebrows than, say, a PTA president's divorce in Peoria.

No. Hackett's been the talk of the town because the lanky, blond-streaked 49-year-old with a spectacular set of enameled fingernails has been frenetically trying to organize Vegas's thousands of strippers and nude dancers, launching them into a head-on battle royal against local government—and indirectly against the all-powerful corporate gambling interests that dominate this city's political life. "They wanted a fight," she says, unpacking a file of organizational charts and strategy notes. "And now I'm giving it to them."

This unusually colorful episode of open class warfare erupted last summer when the Clark County commissioners voted 5 to 1 to heavily regulate the stripping and lap-dancing that bring millions of tourists and conventioneers and many more of their dollars annually into Vegas's 36 "gentlemen's clubs" and provide income for 15,000 women dancers. (No one knows for sure, but the guess is that something like a million lap dances a year are performed in Vegas clubs at 25 bucks a pop or more.)

Like a Church Lady skit straight out of *SNL*, the county commissioners—excuse the pun—took a hands-on approach to defining what would now become a legal or illegal lap dance. In brief, a dancer would no longer be able to sit on a customer's genital area—i.e., his lap—more or less rendering the very essence of the dance impotent. Dancers could no longer solicit tips. Customers could offer them but were specifically barred from any longer performing the traditional gesture of placing currency in dancers' G-strings. "This was a declaration of war," Hackett huffs. "In short, they were outlawing

lap-dancing."

Before her sex-change operation in 1995, Hackett spent 17 years working for Boeing in Seattle as a machinist and union activist. Now she drew upon her previous organizing experience to fight back. "I know I'm the only nude dancer in Vegas who went to Woodstock and who burned her draft card," she says. And for good measure, she adds, "I'm also a socialist."

Within days of the bill's passage, Hackett founded the Las Vegas Dancers Alliance (LVDA), and by the end of the summer, she had signed up nearly a thousand members. She now has "club reps"—sort of clandestine shop stewards—in about two-thirds of the dance establishments, and they are signing up about 25 new members a week. In addition to holding regular organizing meetings at the local library, Hackett's LVDA published a "Dancers Voter Guide" for the November 2002 election and conducted the first known voter-registration drive in history of nude and lap dancers. "We registered almost 500 new voters among the girls," she says proudly.

The LVDA has affiliated unofficially with almost 50 other groups, including the Sierra Club and the northern Nevada NAACP, that make up the Progressive Leadership Alliance of Nevada (PLAN), and Hackett has forged a close working relationship with the local ACLU. "She's got the energy of ten organizers and the skills to go along with it," says Paul Brown, southern Nevada director of PLAN. "The county commission has set off a spark that has turned into a firestorm. This basically comes down to an important issue of labor practices." In the past few weeks Hackett has also met with state AFL-CIO officials and other union activists exploring affiliation. "Do we want to become a union?" she asks and then answers her own query. "Let's just say that all roads are leading to the same conclusion." One organizer for a major international industrial union who met with Hackett says his organization is looking seriously into some form of collaboration. "We'd love to have these dancers eventually in our union, and we're going to help out every way we can," he says.

Hackett and other local political observers agree that the crackdown on lap-dancing can be directly traced to the economic squeeze the big Vegas casinos and hotels have been feeling since 2000. Business is only down maybe 2% to 4%, but that's an ice-cold shower for an industry that has been spoiled by two decades of uninterrupted growth and profitability. To jack up the inflow of tourists, many of the casino resorts have been turning to racier floor shows, but they are still prohibited by state regulation from mixing gambling with strip or lap-dancing. In the past few weeks, all of America has been exposed to a new, sexually suggestive, multimillion-dollar TV ad campaign run by Vegas gambling and hotel interests promising "What happens here, stays here." Meanwhile, the megalit billboards atop the giant Vegas hotels are filled more and more with explicitly sexual lures.

Hackett (left) talks strategy with fellow stripper Kristina Tolman.

"This was a declaration of war. In short, they were outlawing lap-dancing."

The lap-dance clubs near the big hotels commit the cardinal sin of drawing guests off these resort properties and out of the casinos and pricey restaurants. And some of these clubs are very big businesses in themselves. The newly opened Sapphire Gentleman's Club is a $25 million investment that draws upon its own pool of 6,000 dancers. In short, it seems the casinos have been using their political clout to shut down the unwelcome competition from the dance clubs. "This is life in the post-9/11 economic environment," says Hackett, sounding very much like a union economist. "It's all about the corporations shifting their revenue and profit stream away from gaming." Traditionally, the corporate owners of Vegas have made 60% to 70% of their profits from gambling and the rest from lodging, food and entertainment. But at the recent "American Gaming Summit," the CEO of the powerhouse MGM Mirage boasted of how his corporation has managed to invert that formula.

Not everyone agrees with Hackett that the big casinos are the lone motivating force behind the lap-dance crackdown. "No question that in the end this is about economics," says Gary Peck, executive director of the Nevada ACLU. But Peck thinks the crackdown pressure might also be coming from some of the bigger, politically connected dance clubs trying to squeeze out the smaller ones. He also argues that some of the county commissioners behind the ordinance have a less than healthy view of sex. "It's very difficult for me to delve into the heads of that crowd," he says of county officials with a laugh. "But I can certainly tell you they are obsessed with sex!" Of his alliance with Hackett, Peck says, "She's working with women who are working people and whose business is protected by the First Amendment. And that is where our interests and concerns coincide."

Hackett, meanwhile, has found fertile organizing territory among the dancers, who have also been feeling the economic pinch of the past two years. While in the salad days of the dot-com bubble a top dancer could count on maybe 40 to 50 lap dances a night at $25 each, today she is lucky to do ten. "You might think that's a lot of money either way," says Hackett. "But we are exploited by everybody." Vegas's exotic dancers are treated as "independent contractors" by club owners, meaning not only are they not on the payroll, thus receiving no benefits or insurance, but they have to pay the owners as much as $70 a night just for the right to perform. Then there are payoffs to the bouncers, the DJs and sometimes even to the parking valets. And whatever money is generated by the individual dancers has to be split with the club owners, sometimes on a 50-50 basis.

The nonemployee status of the dancers may eventually thwart unionization efforts, but in that case the LVDA could still exert influence as a "professional organization," perhaps on the model of the National Writers Union. The alliance is also close to concluding a deal with an insurance carrier so that dancer members would be able to purchase healthcare at group rates. Once that deal is concluded, alliance membership could soar. *(continued on page 118)*

After signing his life away on a spa membership, Mark Anthony was told that one of the perks was a free massage. Hoping for a hot chick who offered a "full service" rubdown, Mark Anthony got his wish with the gorgeous Gisselle.

After giving him the regular treatment, the crack masseuse used her special techniques to work out the kinks in his aching crank. He returned the favor by giving Gisselle a deep-tissue massage with his own special stroke. At the end of their session, he rewarded the gulping Gisselle with a big tip.

JENNA TALES

ADVENTURES IN THE SKIN TRADE WITH JENNA JAMESON

Hi, guys. After some quiet time, I'm back to being the normal exhausted Jenna. Last month was kinda slow, but things really heated up this month. I was recently selected for the third year in a row by *FHM* magazine as one of the "100 Sexiest Women in the World." It's such a huge achievement to be the only adult-industry star to make the list, and such an honor. They also threw a huge party out in Los Angeles. It was so much fun! It was filled with some of the most beautiful people you can imagine. My neck hurt at the end of the evening from checking out all the hot guys and girls. On the red carpet a photographer asked me what I thought the sexiest part of my body was, and I admitted that it was my feet. It's not very often that I get to show them, so when I do it's a treat.

On top of that I'm going to be on the cover of the August issue of *Paper* magazine, which includes a six-page feature! It's a pretty sexy layout, so be sure to pick up a copy.

I also managed to squeeze in a new film for Vivid entitled *Jenna Loves Kobe*. It was my first film with the lusciously exotic Ms. Kobe Tai! Can you believe I've never worked with her before? We had such a blast together. I was so turned on! Enjoy the preview pics I've included here.

By the way, guys, thank you so much for sending your letters. My mailbag was almost completely full. It's so sweet! It's always difficult picking just one, but here's a note that particularly caught my eye. Joshua, from Tennessee, writes, "I am in the U.S. Army in Iraq right now, and I want you to know that I am your biggest fan. I want you to know that if it were possible for a guy like me to marry a woman like you, I would. Honestly speaking, you are the most beautiful woman in the world, and I'm not just saying that because of your line of work. Jenna, I want to know what kind of things you like to do when you're not at work. Are you the outdoors type?"

Thanks, Joshua! I do enjoy the outdoors. I love to golf, snowboard and hike. There are a lot of golf courses out here in Arizona, so I never get bored when I'm not making films. I could use a bit of help on my putting though. And thanks for your dedicated service to our country; I think guys in uniform are really hot!

If there's anything you'd like to see in the next installment of my column, don't hesitate to write to me. I love getting letters from fans all over the world; it makes me feel so good inside! Just drop me a line at:

Jenna Tales, c/o HUSTLER Magazine, 8484 Wilshire Boulevard, Suite 900, Beverly Hills, CA 90211.

See you soon!

Blow Me Sandwich

Directed by Greg Alves.

Starring Monica Sweetheart, Lea DeMea, Alaura Eden, Courtney Devine, Charmaine, Ander Page, Karen Kam, Carmen, Ashley Long, Fallon Sommers, Ashley Moore, Anna Nova, Angela Crystal, Mark Davis, Toni Ribas, Mark Wood and Tristan Seagal.

Videocassette: Zero Tolerance Entertainment.

It goes without saying that the only thing better than a filthy whore blowing your man-meat is two filthy whores blowing your man-meat, but *Blow Me Sandwich* admirably underscores this truism anyway. This video is a series of vignettes that will have you busting your nut before you get midway through a single sword-swallowing sequence. It's just that good. Of particular note is the scene with Ashley Long and Ashley Moore, who do a playful striptease before literally attacking cock with feral zeal. These Brit babes certainly know their way around a blue-veined banger. When they're not swapping spit with each other, this offering's procession of sluts deep-throat, slurp balls and otherwise have a field day with your "POV erection." *Blow Me Sandwich* will make even the most jaded porn freak spill his man-mayo.

College Invasion #1

Directed by Andre Madness.
Starring Calli Cox, Taylor Rain, Felix Vicious, Tanya James, Brittany Skye, Cindy Crawford, Mariah Cherry, Monica Starr, TC, The Bull, Stinky Martinez, Felipe Torres, Andy Treehorn, Slim Shady, Tony, Nacho, Ron Jeremy and a slew of college students.
Videocassette: New Sensations.

What do you get when you mix hundreds of horny college students, endless kegs of cheap beer and enough porn stars to satisfy an entire campus? *College Invasion #1*, the latest offshoot of the *Shane's World* reality-porn series. Shane and the crew put the collegiate horndogs through a grueling series of dildo-swallowing and tit-sucking contests. When the winner pusses out, veteran shaft-slurper Taylor Rain extracts a willing cock from the crowd and later gets pummeled by one of the amateur puds in a dorm room. Some of the sex scenes are clumsy, but at least they're real. Porn sluts are professionals—college students are not. At the end of the day, the leaders of tomorrow are just happy to have a warm mouth wrapped around their tubesteaks. *College Invasion #1* is a synthesis of *Girls Gone Wild* and *The Real World*, with plenty of public fucking and sucking between beer bongs.

More Than a Handful #12

Directed by James Avalon.
Starring Avy Scott, Mary Carey, Rebecca Love, Cailey Taylor, Brittany Skye, Kelly Steele, Vanda, Hamilton Steele, Richard Kranium, Ben English, Anthony Hardwood and Eric Masterson.
Videocassette: Metro Inc.

Famous for his lavish, Fellini-esque porn epics, director James Avalon churns out the cheaply made *More Than a Handful #12* with intentionally hilarious and incredibly hot results. Props, scripts and fancy camera tricks all get thrown out as Avalon's attempt to make an erotic thriller breaks down into a straight-ahead fuckfest. Gut-busting backstage arguments with the cast and crew string the skin-slappings together. Super-endowed hoochies Mary Carey, Rebecca Love and Cailey Taylor anxiously dive into a sizzling lesbian threesome that serves as a centerpiece for this big-boob bonanza. Amazing babes such as Avy Scott and Brittany Skye let loose and jiggle their milk melons while Avalon learns to kick back and let the sparks fly sans pretension. *More Than a Handful #12* will probably not win any arty awards, but it succeeds as a screwball comedy with emphasis on the screwing.

Hot Showers #10

Directed by Clive McLean.
Starring Jasmine, Carmen, Rio, Lauren, Angel, Cindy, Brandy, Naudia, Daisy, Ander and Gisselle.
Videocassette and DVD: HUSTLER Video.

In *Hot Showers #10*, director Clive McLean's superb lens work captures the subtle details that elevate the simple premise of two chicks taking a shower into a realm of pulse-pounding excitement. Beads of water cascade hypnotically down the glistening bodies of honeys such as Jasmine, Angel and Daisy while they engage in scalding-hot lesbian sex with their shower buddies. In addition to the lessons in sapphic hygiene, dry-dock action and toys, toys, toys inevitably enter the mix, including a strap-on and a two-way dildo. Latina sensation Daisy tussles with her cell mate Rio in the prison shower, where they finger-bang each other and double up on vibrators. Later on, in a surprise twist, blond minx Cindy butts in on Lauren and Angel's shower-stall tryst to jump-start an orgy of epic proportions. *Hot Showers #10* puts new wrinkles into a concept that was waterproof to begin with.

New Wave Hookers #7

Directed by Antonio Passolini.
Starring Tawny Roberts, Beauty, Honey, Mia Smiles, Kiki Daire, Mary Carey, Dru Berrymoore, Belladonna, Sabrine Maui, Rafe, Rick Roberts, Kyle Stone, Chris Cannon, Joel Lawrence, Guy DiSilva, Tice Bune and Steve Hatcher.
Videocassette: VCA Pictures.

The seventh installment of *New Wave Hookers* explores more of the same freakish fantasies that defined the past editions. Space aliens, mystic swamis, giant eyeballs, elaborate sets and over-the-top costumes enhance the carnal thrills. Director Antonio Passolini (*The Ozporns*, *Mondo Porno*) plays with metaphor, overt or otherwise, like no one else. Highlights include Belladonna enduring an ass-blasting D.P. in the locker room of a fire station from a pair of co-workers. The viewer is treated to a twisted journey that makes even the most stylistically shot music video look like a sophomore film student's thesis. But the real draw here is a scorching-hot performance by towheaded sylph Tawny Roberts, who gets all bent out of shape during a threeway with Honey and Chris Cannon. Passolini: genius or madman? You be the judge. Either way, the bizarre sequences in *New Wave Hookers #7* provide plenty of stroke value.

Truly Nice Ass #3: Malorie Marx: "I think I just tweaked my back."

Truly Nice Ass #3: Malorie: "Can you see my ring down there?"

Flesh Circus: Veronica Caine insists that her suitors sport a similar hairstyle.

Truly Nice Ass #3: Katja: "I'd just like to say a few words...."

Truly Nice Ass #3

Directed by Bryan Xin.
Starring Malorie Marx, Allisa, Katja Kassin, Julie Night, Ginger, Jessica Dee, Tyler Night, Joe T., Tyler Wood, Jay Ashley, Max and Lauro.
Videocassette: DVSX.

Truly Nice Ass #3 delivers on its titular promise, showcasing some of the finest, bubble-butted bimbos working in porn today. The tape begins with a close-up of Katja Kassin's crap hatch as director Bryan Xin pulls out a string of baseball-sized anal beads. Following this nifty rectal feat, Kassin's sphincter is invaded by a couple of carnal "crack addicts." Malorie Marx's bodacious buttocks are breached by a glass dildo before her shit pit is plugged by Jay Ashley. Julie Night delivers a memorable performance as an anal sex-craving carnivore with a true love for stuffing herself silly with cock. Her bright-red ass bounces up and down like flubber as she rides Jay Ashley's stiff schlong. She even manages to slide four fingers into her poop chute. When Night spots some errant drops of jizz, she actually buffs the floor with her tongue. *Truly Nice Ass #3* hits bottom and takes it almost to the top. **—J. P.**

Carmen Goes to College #2

Directed by Andre Madness.
Starring Carmen Luvana, Chloe Dior, Ann Marie, Taylor Rain, Angel Long, Julian, Pat Myne, Randy Spears and Steve Hatcher.
Videocassette: New Sensations.

Scrumptious blonde Angel Long sets the bar high with a ball-draining rut that kicks off *Carmen Goes to College #2*. A long-winded plot that has nothing to do with college gives viewers time to rally the troops again for a scorching prison romance between fuck bunny Carmen Luvana and busted madam Ann Marie. How a petite sexpot like Ann Marie managed to smuggle a strap-on dildo into her cell is a mystery known only to God, but the subsequent twat-stuffing renders such questions irrelevant. Chloe Dior makes full use of her giant hooters and pouty lips to elicit legal help from Steve Hatcher for Luvana, her incarcerated roommate. Once she's sprung, Carmen persuades the judge to dismiss the case by thrashing around on his condom-covered schlong. Our heroine replicates a pop-shot by draining the rubber into her mouth and all over her tits. *Carmen Goes to College #2* is a lesson from the school of hard knocks. **—S. W.**

Flesh Circus

Directed by Thomas Zupko.
Starring Brittany Blue, Veronica Caine, Olivia del Rio, Rossana De La Vega, Mr. Pete, Scotti Andrews, Tony Tedeschi, Brian Surewood and Valentino.
Videocassette and DVD: Elegant Angel.

Filled with erotic imagery and dizzying visual effects, *Flesh Circus* is a psychological tale about a girl whose car breaks down on the way from Las Vegas to L.A. The wandering tramp gets lost in the desert and stumbles upon an outlandish circus that reveals all of her deep-rooted sexual desires. Veronica Caine, the ringleader/bearded lady who still manages to look very fuckable despite her carny-esque facial hair, provides narration and pearls of philosophical wisdom to this cavalcade of the bizarre. Sure, there are plenty of scenes featuring scorching sodomy and blowjobs—Olivia del Rio fucks a Sasquatch, and Brittany Blue plays a cheerleader who gets it in the end zone from an obsessed quarterback. But the video's real essence lies in its noncoventional/abstract approach to porn. The DVD version also contains bonus, behind-the-scenes footage. With all of its psychosexual imagery, *Flesh Circus* is a big-top boner. **—J. P.**

Wild On Sex

Directed by Jewel De'Nyle.
Starring Jewel De'Nyle, Anna Nova, Renee Pornero, Anna Belle, Kylie Wilde, Austin O'Reilly, Steve Holmes, Manuel Ferrara, Chris Charming and Brandon Iron.
DVD: Platinum X Pictures.

Wild On Sex proves that Jewel De'Nyle has lost none of her sexual prowess. She takes us on a sordid journey through hotel rooms in Las Vegas, introducing her guests à la E! Network's acclaimed *Wild On...* series. The concept works, but the intros could have been shorter. Why not jump straight into the zipper-busting action? In one memorable scene, Kylie Wilde, sporting Bo Derek-esque cornrows, moans as she gets her carpet munched, before receiving a huge blue strap-on in the cooch. To show her appreciation, Wilde squirts all over De'Nyle and licks the vaginal discharge off her tits. The second scene marks the first American performance by European star Anna Nova. Renee Pornero joins in the action as Chris Charming shoves his immense cock into Nova's brown cave. She can barely speak a lick of English but knows how to accomodate a dong. Despite Jewel's diatribes, *Wild On Sex* has a certain savage charm. **—S. W.**

Orchestral Maneuvers of the Dork

SEX AND VIOLINS WITH THE PORNORCHESTRA

Pornophiles universally agree that most porn soundtracks blow scabby donkey dick, from the ear-numbing banality of Euro-techno "dance" music to the ever-clichéd "chunka-chunka" of old-school funk guitar. Thankfully, the members of the San Francisco Bay Area musical collective known as the PornOrchestra are out to reinvent the sorry state of skin-flick music via their inspired live performances.

The East Bay-based ensemble's "happenings" usually occur in front of XXX flicks (like the 1981 VCA classic *Outlaw Ladies*) projected onto a screen behind the musicians. At a recent Oakland event, the sold-out crowd of irony-loving, thirtysomething hipsters howled and thrilled to numerous serendipitous moments facilitated by the live orchestra. (Cum-shots accompanied by cowbells and triangles, anyone?)

The main tenet of the 20-person collective is that porn music typically lacks soul. "The industry tries to streamline us into associating the wah-wah-wacka-wacka sound of porn with screen sexiness. We'd like to think that there are sexier sounds out there worth exploring. Music and film have such a close relationship that to cheat the relationship is a damn shame," explains PornOrchestra founder and mallet percussionist Shannon Mariemont. The arty, eclectic group of classically trained musicians brings harps, keyboards, sequencers, zithers and more experimental musical elements such as metal pipes and pressure caps to the performances. But do these intellectual musicians actually watch smut? Mariemont laughs. "I personally don't watch a lot of porn, but we have a lot of closet porn freaks in the orchestra who own plenty of the '80s hair-and-nails variety." We always knew those snobbish Berkeley music types were undercover perverts.

Internal Cumbustion

Directed by Danny Case.
Starring Ashley Blue, Honey, Ashley Long, Flick Shagwell, Sophie Evans, Mandi Bright, Nacho Vidal, Kelly Tyler, Tony Ribas, Frank Gun, Mark Wood and Jay Ashley.
Videocassette: Zero Tolerance Entertainment.

Internal Cumbustion [*sic*] aims to please more than just its core audience of internal cum-shot enthusiasts. Too bad it ultimately fails to satisfy anyone. Lengthy stripteases, an overabundance of butt plugs, and a cast of splooge-hungry sluts such as Ashley Blue and Ashley Long (the latter of which handles three meat sticks for triple the goo) are almost enough to make you forget the film's sperm-retaining *raison d'être* entirely. Still, as over-the-top raunchy as the anal-heavy action is, the video doesn't generate any heat until Honey steps up to the plate. Seeing the smoking-hot cutie-pie having her ass plundered for the first time could have been worth the whole price of admission, if the audience weren't already nauseous from more than two hours of slobbery skull-fucking and mechanical D.P.s. *Internal Cumbustion* won't be igniting too many groins.

Making the Grade

Directed by Nic Cramer.
Starring Faith Adams, Lola, Sharon Wild, Ava Vincent, Flick Shagwell, Pat Myne, Slim Shady, Damion Sand, Tony Pounds and Mike Horner.
Videocassette: Pleasure Productions.

Faith Adams is a career woman going undercover as a college slut in *Making the Grade.* Even when Faith's not directly involved in the action, she's on the sidelines with her panties around her ankles. The sultry brunette catches Sharon Wild and Ava Vincent dyking out in the girls' locker room. The pair's sapphic free-for-all is so hot that any chick would be compelled to drop trou and jill off. Faith is easy on the eyes herself, especially in her skimpy schoolgirl outfit. She's rightfully thrust into the limelight for every other scene, including a threeway that ends in a double facial. However, Adams loses points for lack of effort, as the bombshell's sex scenes lack much intensity. She bangs jocks half-heartedly, then gets all mushy with Pat Myne. Luckily, Flick Shagwell brings up the average with an A for anal. *Making the Grade* does well enough to squeak by, but it falls a few decent cram sessions short of the dean's list.

—S. W.

Island Fever #2

Directed by Joone.
Starring Tera Patrick, Devon, Stormy, Barrett Blade and Eric Everhard.
Videocassette: Digital Playground.

Island Fever #2 comes across like cable-ready soft-core, but seasoned raincoaters who scratch its glossy surface will uncover world-class, hard-core thrills. Even so, it's frustrating that the viewer must labor to unearth the potential that this video's makers seem intent on squandering. Tera Patrick and Devon frolicking on the beaches of Hawaii is a gimme, yet director Joone struggles to make the most of it. Exotic backdrops from volcanoes to rain forests incite breath-taking heights of wanton carnality from the stars. The capacity for hot-blooded lust is squelched, though, by overslick production values. Tera and Devon remain as fuckable as ever, and Stormy, with her luscious lips and enhanced knockers, almost outshines her megawatt co-stars. The prospect of these three foxes making hot monkey love is simply too incendiary to be ruined by the sex-under-a-waterfall fantasy world of *Island Fever #2.*

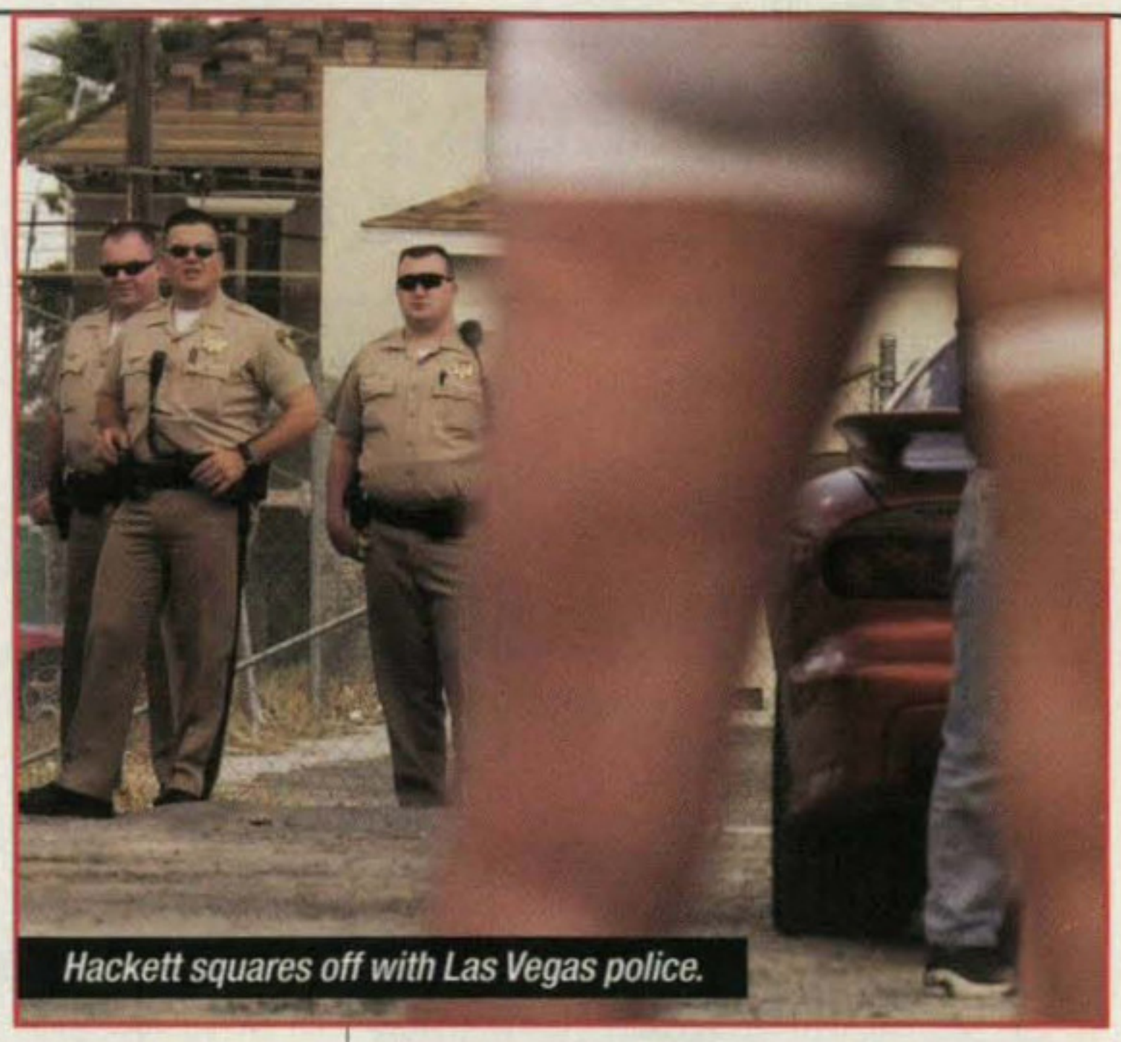
TOM DELAY HAS AN EPIPHANY

FUCK JESUS, WHAT WOULD NIXON DO?

TEXAS DEMS FOIL POWER GRAB

(continued from page 99) LVDA can already claim some partial victories. Vigorous lobbying, a few rallies and marches downtown, and oodles of local and even international publicity forced partial reversal of last summer's near-total ban on lap-dancing. Some weeks ago, Clark County officials amended the ordinance so that G-string tipping would once again be allowed. Hackett's group has also convinced local county and city officials to put on the back burner proposals to impose a stiff registration and licensing tax on individual dancers. Nevertheless, there's been a marked increase in arrests and ticketing of dancers since last summer's law went into effect. "All that law has done is turn us into criminals," says Hackett. So she's moving ahead with a new project: sponsoring a countywide measure known as the Protection of Dancing Initiative, which will impose standardized regulation of the industry and reverse the more draconian aspects of the recent legislation. "Call it Christmas for dancers," says Hackett, laughing. To qualify these measures for the ballot, thousands of voter signatures will have to be gathered in the next few months. Hackett is confident. "We've already lined up squads of volunteer signature gatherers," she says mischievously. "And they are all hardbodies," she says, using the industry term that refers to the youngest dancers, usually 18 to 21 years old. "Now you tell me, honey," she says, "you think anyone walking the streets of Vegas is gonna say no to these girls?"



Hackett squares off with Las Vegas police.

The signature campaign is now getting under way. But even before that, Hackett and her hardcore group of maybe 50 activists were already working around the clock, leafleting the dance clubs for new members, shopping around for union affiliation and plotting out the initiative campaign.

By night Hackett is still dancing at the Deja Vu Showgirls club. By day, she is putting the finishing touches on what she's calling her own "Politics of Dancing" educational course—designed, she says, to offer a quick political education to the average apolitical 19-year-old nude dancer. Hackett has already written a first primer. Skimming through the 7,500-word pamphlet, it's clear that the enforcers of decency at the county commission and the casino interests behind them have taken on a formidable opponent. Hackett closes by saying she hopes her work can "help solidify the great natural allies of the American Left and begin to heal the wounds inflicted by our natural enemies on the American Right...the first basic facts to remember are these: There are far less rich people than poor people. And the rich generally want things to stay the way they are. The poor, by their very nature, want things to change, hopefully for the better."

Hackett has recently started working with a nucleus of nude dancers in Texas who are trying to organize. And eventually, she says, she'd like to have a national organization. "I've already got the name figured out. The United States Dancers Alliance. Or USDA," she says with a laugh, slapping her flank. "Get it?"

DOCTOR DISCOVERS PILL TO ENLARGE YOUR PENIS!

PRO+PLUS PILLS WILL WORK FOR YOU!
WE OFFER A 100% MONEY BACK GUARANTEE!!

No Pumps, Exercises or Prescription!
Doctor Approved Pill Will Enlarge Your Penis up to 4 Inches!

"This pill really works. I am now a harder 9 inches, which makes me feel good about myself. Besides wanting to be bigger, I always got soft to soon. Now that doesn't happen anymore. I'm hard like a rock from start to finish. I don't stop until she says 'you are terrific' and cums right along with me." -JS, Ohio

You Will Have These Penis Gains In A Few Weeks!

Just imagine when your sex partner sees how thick and long and hard you are. How about when men will gasp with envy the first time they see the new you in a locker room, shower or gym. Your larger penis will give you the confidence to meet the challenge of any woman. Penetrate deeper and see just how much greater satisfaction your sex partner will have. You will feel in total command because now any possibility of going soft, and premature ejaculation will be eliminated with your new rock hard much larger penis.

HOW DOES PRO+PLUS PILLS ENLARGE YOUR PENIS?

The corpa cavernosa are the two spongy bodies of erectile tissue on either side of the penis. An erection is caused by blood filling the erectile tissues. But what if the erectile tissues were made larger? What if you could somehow expand the size of the erectile tissues? Then of course the erectile tissues would hold more blood and you would have a significantly larger penis. Blow up a balloon with more air and you have a larger balloon. Fill the erectile tissues with more blood and you have a larger penis. Without any effort on you part, without any exercising, pumping or stretching, PRO+PLUS PILLS will expand the erectile tissues longer and wider and fill the erectile tissues with a larger supply of blood so that your penis will gain up to 4 inches in what has been described as a miracle. **You can make that miracle happen.** You can have the penis size you always dreamed of with the PRO+PLUS PILL and we GUARANTEE IT!

IS YOUR PENIS SIZE AVERAGE?

You probably have heard or read somewhere the average penis size is about 6 inches. If your penis is 6 inches and you want to be average then don't read any further. But if your not satisfied with an average or less then average size penis, the PRO+PLUS PILLS will help you grow up to 4 inches and it is perfectly safe and it is your secret because you can take the PRO+PLUS PILLS without anyone knowing that you are taking it.

HOW LONG WILL IT TAKE TO ENLARGE YOUR PENIS?

In a couple of weeks the most noticeable change will be the width of your penis and longer lasting erections. Then after a month or two you will see a change in the length of your penis and again you will notice a thicker and wider penis. As you stand in front of a mirror you will be amazed even without an erection how your penis wil 'hang' longer and thicker. After the third month when you have an erection you will see a very noticeable change. Not just in size but your penis will look firmer, stronger then you ever dreamed possible. **No pill sold anywhere can give you the maximum potential you want in two months.** Why settle for less when you can have much more. You need **three to four months** to grow to your maximum potential and we offer special prices for a three or four months supply with a **100% MONEY BACK GUARANTEE AND FREE OFFER!**

WHAT EXACTLY IS THE PRO+PLUS PILLS?

Discovered by Dr. Dmitri Zorken and his research team PRO+PLUS PILLS is a powerful natural herbal penis enlargement formula that increases penis size, stronger erections and maintains your sexual virility. Combining the formulations of the type of herbs found in many parts of the world that can enlarge the penis erectile tissues. We also included some of the same type of herbs found in Polynesia where the men of the Mangaian tribe have sex on the average of 3 times a night, every night. While this is not what you may wish, it is nice to know your sexual performance can improve substantially.

HOW BIG IS BIG AND HOW MUCH DO YOU NEED TO SATISFY YOUR PARTNER?

Consider the difference between a 7, 8 or 9 inch penis that is thicker and a penis that is 4 to 6 inches and narrower. With a larger penis you penetrate more sensitive areas of the woman. Your longer penis probes deeper searching those special nerve endings. The added width to your penis fills and presses her from side to side to give your partner the most exhilarating sensations. **It is possible for you to reach the most sensitive area of all, a woman's G-spot.** These sensations will produce for a woman the ultimate multiple orgasms. At the same time because you are reaching a woman's most sensitive areas with your larger penis you will receive more pleasure to your sensitive nerve endings. Just knowing you are giving your partner this pleasurable experience will certainly give you the added confidence of being a better lover.

WHAT WILL THE PRO+PLUS PILLS DO FOR ME?

- A longer, thicker penis. Penis Enlargement up to 4 inches or more
- A longer, thicker penis even when you are not hard. Because there is more blood flow to the penis, your penis 'hangs' larger all day.
- You will have bigger, harder erections. Because of increased blood flow your erections grow harder.
- Erections when you want them. Rock hard erections every time. No more problems because you can't get it up and keep it up. PRO+PLUS PILLS will keep the blood flowing to your penis so you will always get hard and stay hard.
- Stronger and more intense orgasms
- Stop premature ejaculations
- Safely enhance the size of your penis.

WILL THE PENIS ENLARGEMENT BE PERMANENT?

Yes it is and you control the growth because once you reach your optimum size you could stop taking PRO+PLUS PILLS for Penis Enlargement. We say you could stop taking the PRO+PLUS PILLS because it is not necessary to be larger then 9 or 10 inches. Most women can only comfortably accommodate a 9 or 10 inch penis. Anything larger then that may be too large for most woman. Nine inches or more than 9 inches, the choice is yours.

DUAL ACTION EXCLUSIVE FEATURES!

Penis Enlargement and Continued Sexual Health!
Take PRO+PILLS first for Penis Enlargement to reach your optimum size. After that continue taking only one PRO+PILL daily to improve your sexual health, feel younger, increase sexual desire, gain more stamina and greater sexual pleasure. You can also take 2 PRO+PLUS PILLS before sex for the strongest, hardest erection you will ever have.

OUR OTHER SCIENTIFIC MIRACLE PILL!

PEARL+PLUS PILLS are guaranteed to sexually stimulate women of all ages. For increased blood flow, sexual enjoyment and intensify orgasms. Sexual sensitivity is produced by blood flow into the clitoris, labia and vagina. Only $60.00 or FREE WITH ANY ORDER OF 3 OR MORE BOTTLES OF PRO+PLUS PILLS.

Order PRO+PLUS PILLS now.
Only $60 for one bottle or 1 months supply.

IMPORTANT: Because of the success of PRO+PLUS PILLS there are many imitations. If you do not see a **100% MONEY BACK GUARANTEE** then you **DO NOT** have a money back guarantee. We Offer a **100% MONEY BACK GUARANTEE.** Do you trust buying penis enlargement pills from a pharmacy or drugstore or from our research company PLUS MEDICAL an International Company in business for over 30 years.

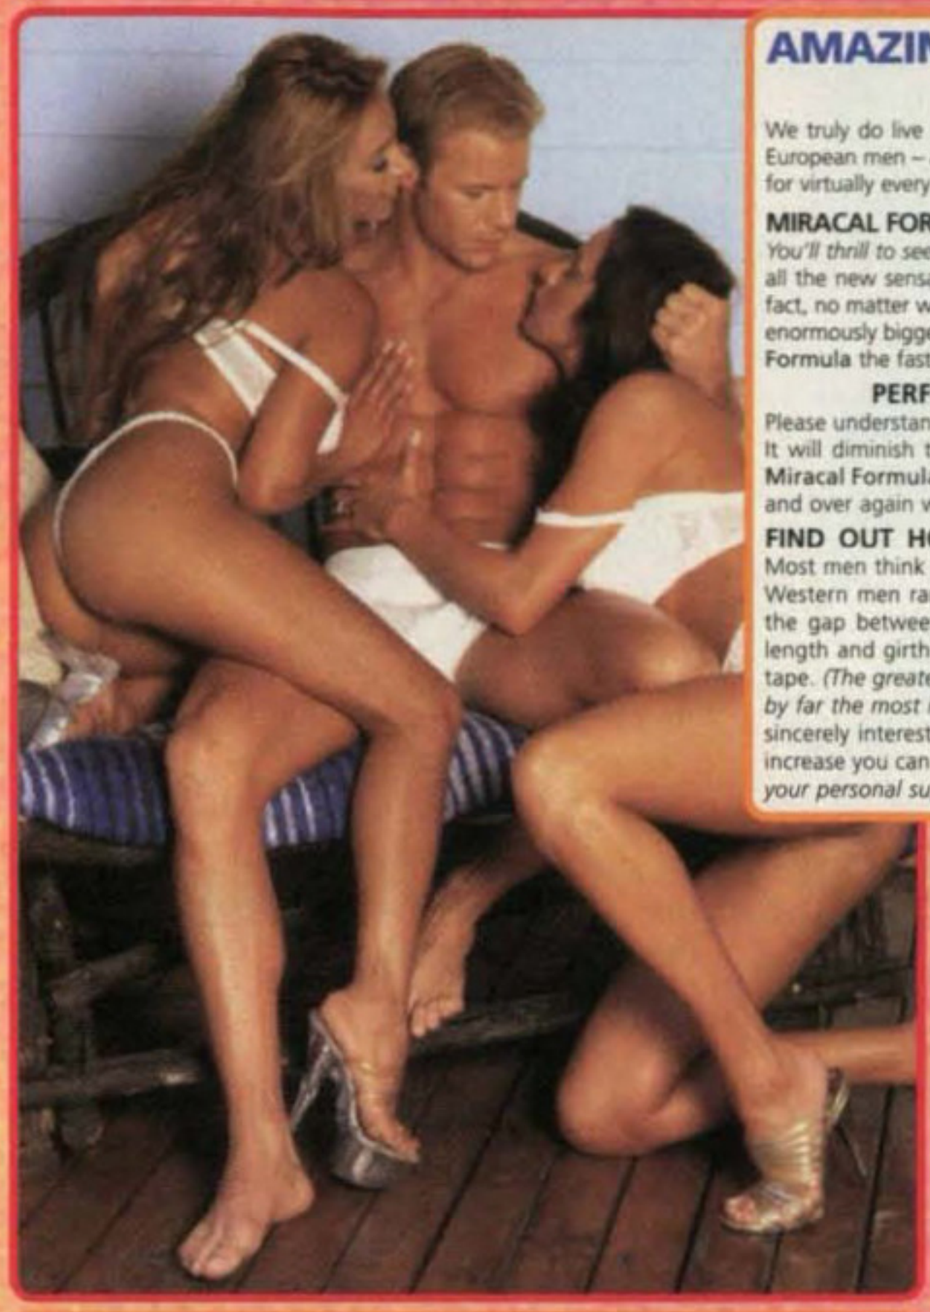
REACH NEW SEXUAL HIGHS!

SUPERCHARGE YOUR SEX LIFE WITH THESE PROVEN PRODUCTS FOR MEN & WOMEN



AMAZING NEW RUB-ON CREAM MAKES YOUR ERECTION INCHES BIGGER!

And It Happens In Less Than 10 Minutes!

We truly do live in the age of sexual miracles from the pharmacy. And now, directly from an ancient Chinese formula comes a new wonder for American and European men – an easy way to make their erect penis visually and measurably bigger than it usually is. *Finally there's a substance that will do exactly that!* It works for virtually every man. It swells and engorges most erections to as much as 50% above usual size. *Smaller organs, percentage-wise, may get even bigger!*

MIRACAL FORMULA: THE NEW MIRACLE YOU'LL WANT TO TRY!

You'll thrill to see your new plumped up size! Your partner will be ecstatic from all the new sensations that come from your magnificently magnified organ. In fact, no matter what your size is now, **Miracal Formula** will make your erection enormously bigger – *in about 10 minutes!* Better yet, the more you use **Miracal Formula** the faster it will work for you!

PERFECTLY SAFE – NEEDS NO PRESCRIPTION

Please understand, your penis will not permanently remain up to 50% bigger. It will diminish to its usual size until once again you reach for the tube of **Miracal Formula.** But because **Miracal Formula** is so safe you can use it over and over again without fear of side effects.

FIND OUT HOW MUCH BIGGER YOU CAN ACTUALLY GET!

Most men think they've already seen their biggest erection. The fact is most Western men rarely ever reach their full potential. **Miracal Formula** fills in the gap between the usual and the truly stupendous. Prove it two ways, length and girth – before and after – with your eyes and with a measuring tape. *(The greatest percentage of increase will probably be in circumference, by far the most important measurement in pleasing your partner.)* If you are sincerely interested in having your erection appear obviously bigger – a size increase you can actually confirm with a measuring tape – *you need to order your personal supply of* **Miracal Formula** *right now!*

WHY DO WESTERN MEN MISS OUT IN THE PENIS SIZE GAME?

There are cultures in the world that revere large genital size and have evolved traditions and customs to produce large male organs. These cultures are found among tribes in Africa *(such as the Dinka tribe, supposedly possessing the largest male genitals in the world on average),* in the Amazon, and in certain tribes from New Guinea. Over centuries many cultures have devised specific techniques that definitely do enlarge the penis. For example, Arabian boys were once routinely taught to practice *"jelqing" (a penis stretching technique)* even prior to puberty. On the other hand, in Western cultures boys have been discouraged from even touching their penis. Western men are generally ignorant about extracting the "hidden" penis *(which resides within the body),* increasing the capacity of the erectile chambers or increasing the size of the head. The result is that most men in Western cultures simply don't know their true size potential. We believe you will be more than pleased with what **Miracal Formula** will do for you – *and it's so safe, so fast, and so easy to accomplish.*

A SEXUAL STIMULANT OF EXTRAORDINARY POWER!

THE AMAZING HEMP PLANT!

As a plant, hemp is one of the most useful plants we have: the oil and seeds are used in cooking; it's fermented to make hemp beer; rigging on ships was manufactured from hemp fibers and is used today for fabric; the oil is used in cosmetics. Now, with **Hemp Sextiva,** the medicinal effects are available to men. *(Under law, all hemp used in the USA is imported from other countries.)*

WHAT MAN OF ANY AGE WOULDN'T WANT TO USE A NATURAL SUBSTANCE THAT...

- *Enhances the flow of blood to the genitalia – filling out erections*
- *Stimulates the production of vaginal fluid in females*
- *Amplifies sexual sensations and delays ejaculation*

That substance is now available in tablet form, manufactured of entirely natural ingredients from the hemp plant. Hemp *(also known as Cannabis Sativa)* has powerful psychological and physical effects on man.

HEMP DOES EVERYTHING TO MAKE SEX BETTER!

Used medicinally for centuries, there is abundant testimony to hemp's unique effect on sex. Erections become harder and firmer – *then last and last under extreme stimulation!* Sensations seem to magnify and intensify incredible levels of ecstasy! Ejaculations are delayed, building in force and quantity so when they do explode *the inner thunder is an all-consuming and pervasive sexual bliss.*

HEMP FOR SEX – AN ALL-NEW SEXUAL THRILL!

Our **Hemp Sextiva** tablets are manufactured from imported Cannabis Sativa L containing -1% of the active ingredient THC. Men report that ingestion of hemp containing 1/3% THC on a regular daily program offers profound sexual and health benefits. They extol hemp's ability to generate sexual desire *(libido),* magnify climaxes, and provide extraordinary orgasmic control. No undesirable side effects reported by regular users.

SEX SECRETS: SHARE YOUR HEMP TABLETS WITH HER!

Many women respond deeply to the sexual effects of hemp – so let her in on this new level of sensation that hemp can make possible.

LURE GORGEOUS GIRLS INTO YOUR ARMS WITH NEW & IMPROVED ATTRACTANT 1000+ GOLD LABEL!

UNIVERSITY STUDY PROVES CONCLUSIVELY PHEROMONE ADDITIVE ATTRACTS OPPOSITE SEX!

NATURE'S ONLY APHRODISIAC IS SEX APPEAL IN A BOTTLE!

Pheromones are odorless chemicals naturally secreted by the body that increase sexual attractiveness through the sense of smell. Scientists believe the greater the pheromone secretion, the greater the sexual attraction. *The problem:* many people wash away most of their natural pheromones when they bathe. *The solution:* **Attractant 1000+,** a powerful, synthetic, unscented pheromone concentrate scientifically designed to attract the opposite sex. *But does it really work?*

The scientific evidence is now conclusive. Adding synthetic human pheromones to your cologne has been proven to dramatically increase sex appeal and attract more lovers effortlessly. As reported in the September 2002 issue of *Prevention* magazine, a recent study at San Francisco State University proves that after only two months, *a remarkable 74% of those using a synthetic pheromone-laced scent reported a significant increase in dates, kissing, heavy petting, physical affection, and, yes, more sex!*

WORLD'S #1 PHEROMONE CONCENTRATE GOES GOLD

Introducing the new, improved **Attractant 1000+ Gold Label** formula. *Be warned:* just a few drops of **Attractant 1000+'s** extra-strength, unscented formula is up to one thousand times more powerful than normal pheromone secretion. Easy, fast, and discreet, **Attractant 1000+** adds instant sex appeal to aftershaves, colognes, or even when worn by itself.

BECOME A POWERFUL SEX MAGNET

Conduct your own intimate, scientific study on the sex power of pheromones. Order new, extra-strength **Attractant 1000+ Gold Label** today. Remember, it's biology and chemistry. The most beautiful and desirable women are powerless to resist the seductive lure of **Attractant 1000+.**

The lovely Amber from Boston is currently an education major at the **University of Hawaii**. AMATEUR PHOTO/VIDEO CONTESTS

$5,000 IS UP FOR GRABS

Guys, we need you to be HUSTLER's campus point men in our ongoing search for new, untapped Beavers. Do you know gorgeous college students who are over 18 years of age? We're looking for readers to recruit babes for the *Real College Girls* division of *Beaver Hunt*. The process is easy; just snap a couple of clear, sexy—the more explicit the better—photographs (digital shots are cool too, as long as they're high resolution and printed on photo-quality paper). Send them to *Real College Girls*, 8484 Wilshire Boulevard, Suite 900, Beverly Hills, CA 90211. Every female whose picture sees print will receive a $250 honorarium, as well as a slot in HUSTLER's 2003 *Beaver Hunt* competition and a chance to appear in the video version of HUSTLER's *Real College Girls*. Finalists score $1,500 each, and the Grand Prize winner will appear in a HUSTLER photo-feature and earn $5,000. The photographer of the Grand Prize winner scores $500, and the Finalists' photographers earn $250. All photographers of models appearing in *Real College Girls* receive a one-year subscription to HUSTLER. Ask the girls to fill out the model release below, and include copies of two legal forms of ID and a current college ID. The model's photo, date of birth and signature must appear on the IDs (not necessarily all on the same one). All photos become the unreturnable property of L.F.P., Inc. No essays are required, but if your model can come up with something sexy, tell her to knock herself out.

MODEL RELEASE/ENTRY FORM

To enter *Real College Girls* or *Video College Girls* you must be 18 years of age or older, and you must fill out and send this release and copies of two forms of ID, one with photo (i.e., driver's license, passport or photo ID issued by state). Second ID can be a birth certificate, Social Security card, credit card, marriage certificate or immigration card. One ID must include your date of birth, and one must include your signature. Send photocopies, not originals. Send two or more sharply focused color prints or slides. Send videotapes in VHS format. Showing pink is optional at entry stage. All photos and videos become the unreturnable property of L.F.P., Inc., which buys all rights in perpetuity to photos and videos we purchase. Win $250 if we publish your photo, or $500 if we choose your video, and win the chance to be in an extended pictorial or feature video worth $5,000. Send photos, videos, IDs and release to *Real College Girls*, 8484 Wilshire Boulevard, Suite 900, Beverly Hills, CA 90211.

BULLSHIT

Carpool Punani

When Toni, the HR chick at the telemarketing company, called and said I got the collections job, I was psyched. Then I started shitting bricks. My car was dead. How the hell was I going to get to their suburban headquarters? "Carpooling! It's great for the environment," Toni chimed. "You can ride with me. Be ready at 7:30 a.m.!"

I was bleary-eyed the next morning, but I woke up fast when Toni pulled into the driveway. She was a twentysomething African-American hottie with long, black curly hair, shiny lip gloss and huge tits.

As I slipped into her minivan, a few things about Toni struck me right away: She smelled great, she had beautiful, unblemished brown skin, and she was definitely checking out my package.

The other employees we picked up were dreadfully boring, so I spent the entire ride imagining nursing on Toni's perfect, round milk sacs. Shit, I was gonna come in my khakis!

That first workday went by in a millisecond. I fantasized about digging into luscious Toni's love taco as I dialed up deadbeat customers. When quitting time came, I did a little dance in my cubicle.

"Okay, let's hit the road!" Toni said as she maneuvered the van of worker drones into traffic. I was blatantly ogling her on this trip, and she was staring right back.

When we finally arrived back in my driveway, I turned to her and asked, "Damn, are you as horny as I am?" "Maybe more!" Toni cackled. Without adieu, she lunged for my piehole, and soon my tongue was snaking down her esophagus. I may have been a new hire, but I felt like a CEO with her bountiful gazongas grasped in my hands.

Toni laid down between the seats while I sucked on one of her brown nipples, and rolled the other between my thumb and forefinger. "*Ooh*, baby!" Toni cooed. "You like that, huh?" I whispered as I lowered my fly and let loose my wild trouser serpent. "What do you think about this?"

"*Shee-yit!*" Toni gasped as she gripped my sizable shaft. She buried my pud in her warm, wet yap, and soon I was all the way down her throat, stabbing her tonsils with my meat dagger. When I finally pulled Toni off of my cock, thick strings of drool stretched from her open mouth to my crotch.

I could have shot a load right there, but I wanted to get a taste of Toni's tangy tamale before I blew my nut. "Sit on my face, princess!" I hissed. She dutifully complied, kicking her panties off and plopping her twat over my chops.

I lapped her pussy portal with such zeal she was soon bucking up and down and gushing a mighty stream of clam juice. When her wild sexual gyrations threatened to crush my skull, I said, "Okay, Toni, it's time—I'm gonna plow your meat flaps!"

Toni's face suddenly grew ashen. "Oh, no," she admonished. "I am saving my precious flower for the man I will be with for the rest of my life!" I was dumbstruck. "You mean I can't poke your hot box?" I stammered.

"I'm sorry, baby," she sighed. "My coochie is off limits—but you can always go in the back entrance." I didn't think my dick could get any harder, but after Toni's revelation, I could have etched glass with the motherfucker.

I turned her fine ass over and aimed my cock head at the little, brown pucker. My rod was still slick with her saliva, so I gave a heave-ho and shot my pole up her shitter with one powerful thrust. Toni's tight sphincter gripped my dingus like a firm handshake.

When Toni yelled "I'm fucking coming!" I was ready too. I pulled out as fast as I could and blew what must have been half a cup of nut juice on her smooth back. I collapsed on top of her, and we laid there for awhile before she took off.

The next morning Toni was right on time to pick me up. She had an ear-to-ear smile, and I could still faintly smell the stench of sex in her van. "No commute today," she said. "I arranged a little off-site training for you, mister."

These are fringe benefits I can live with.

—S.I.T.

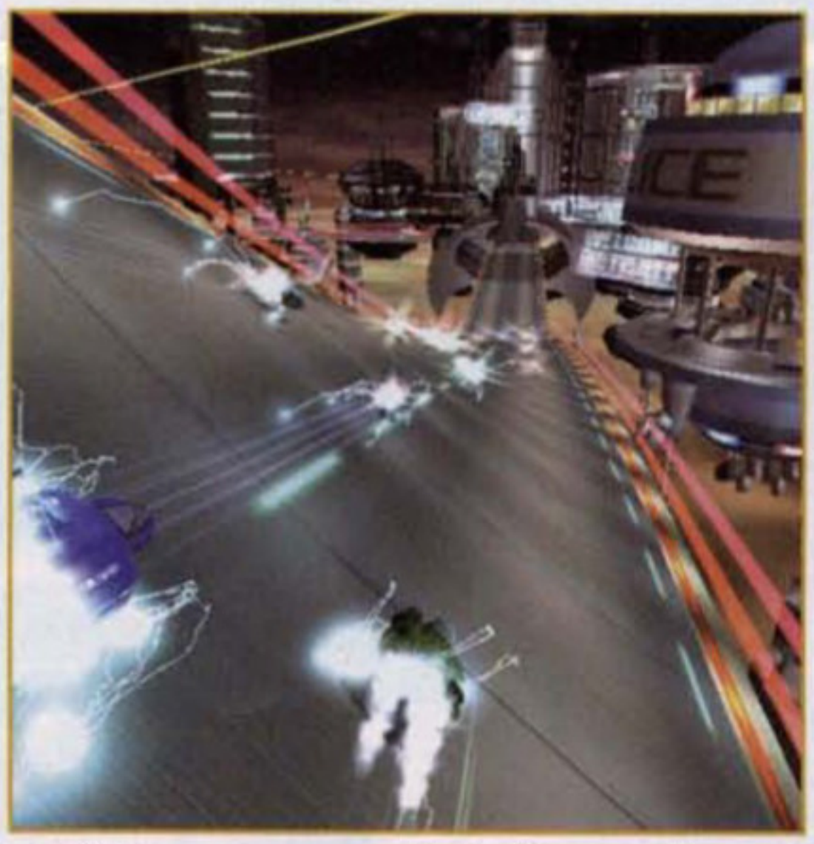
HUSTLER's Video Game Preview

We have the lowdown on some of the coolest games set to grace your consoles and PCs in the near future.

Doom III (PC)

The geniuses at id Software may not have invented the first-person shooter format, but they certainly perfected it. Previous incarnations of ***Doom*** pitted you against demons and other hellish creatures that you must dispatch with weapons such as the chain gun or the ultrapowerful BFG (Big Fucking Gun) 9000. The insanely detailed graphics of the long-awaited sequel make every obese zombie and chainsaw-wielding freak scarily realistic.

F-Zero GX (GameCube)



Grab four of your friends (if you have that many) and go head-to-head in this high-speed, futuristic racing game. ***F-Zero GX*** is packed with 20 mind-bending tracks and 30 characters to choose from. Super-nerds can take their GameCube memory cards to the arcade and race their souped-up crotch rockets in a state-of-the-art racing simulator.

The Suffering (GameCube, PlayStation 2, Xbox)

The first five minutes of this game feature more foul language than the entire first season of ***The Sopranos***. That's because the main character, Torque, is locked down in a maximum-security prison. The shit hits the fan when bloodthirsty creatures attack the cellblock. ***The Suffering*** presents the horror of penitentiary life in scrotum-shriveling authenticity. The three HUSTLER readers who haven't spent time in the pen will have to trust us on this one.

Final Fantasy X-2 (PlayStation 2)

The latest installment in the long-running ***Final Fantasy*** series tells the story of a hottie named Yuna and her quest to determine if her friend Tidus is still alive. Several lovingly rendered, scantily clad digital babes accompany Yuna on her journey. Think *Charlie's Angels* meets Dungeons & Dragons.

Gran Turismo 4 (PlayStation 2)

The most realistic driving simulator on the market returns with new, improved graphics and 500 playable cars from fresh-off-the-line models to vintage classics. Believe it or not, auto nerds, this image is not an actual photo, but an in-game screen shot.

Metal Gear Solid III Snake Eater (PlayStation 2)

Don't let the title's mental image of swallowing a thick, fleshy serpent fool you; ***MGS III*** is far from gay. In this installment, covert agent Solid Snake takes to the jungles like Rambo and silently stalks dangerous men before entrapping them in his deadly embrace. Okay, maybe it's just a little gay.

Halo 2 (Xbox)

In ***Halo: Combat Evolved***, a genetically engineered super-soldier took on an entire alien armada. Sneak previews of the new single-player mode have a sweet, cinematic look, but everybody knows that ***Halo 2*** will be the most fun played head-to-head.

Half-Life 2 (PC)

The original ***Half-Life*** was hailed by many as the best first-person shooting experience ever, mainly because it did a good job of shoehorning an interesting story into the fairly standard gunplay. ***Half-Life 2*** ups the graphics ante in a huge way while preserving what made its predecessor so influential. How hot is this game? At E3, an annual video game expo, geeks stood in line for four hours to check out ***Half-Life 2***, had their minds blown and got right back in the queue.

Jak II (PlayStation 2)

This darker, meaner sequel to ***Jak and Daxter: The Precursor Legacy*** is a platforming (i.e., you run around, jump and shoot stuff) adventure from Naughty Dog, the creators of the ***Crash Bandicoot*** series. The original game was tight and offered plenty of variety and fun. Expect more of the same.

Maximo vs. Army of Zin (PlayStation 2)

Old-school arcade denizens may remember Maximo from the hard-as-hell coin-op classic ***Ghosts and Goblins***. This game marks the character's second foray into next-generation gaming. Developer Capcom hit a home run with ***Maximo: Ghosts to Glory***; this follow-up surely won't disappoint.

Silent Hill III (PlayStation 2)

When was the last time a video game made you piss your pants? (Passing out behind the ***Golden Tee Golf*** machine at the local watering hole doesn't count.) ***Silent Hill III*** is a creepy survival/horror game full of fucked-up imagery and enough scares to warrant buying a box of Depends.

Conker: Live and Uncut (Xbox)

The inebriated, trash-talking rodent is back. Conker's debut in 2001 fell short of sales expectations because his game was only available on the Nintendo 64—a kids' console. On the Xbox, Conker can curse, piss and swill booze to his heart's content while players perform a wide range of activities from robbing banks to battling aliens.

Tomb Raider: The Angel of Darkness (PC, PlayStation 2)

If you don't know who Lara Croft is, you've probably already quit reading this article. The rest of you can look forward to a fresh, darker story with top-of-the-line graphics and a new playable character, Kurtis Trent.

Tron 2.0 (PC)

The film *Tron* was a far-out '80s trip into the innards of a computer, where programs battle on the game grid. ***Tron 2.0*** revisits the stylized digital world, allowing players to race light cycles and take out competitors with deadly Frisb—*er*, novelty flying discs.

COMING NEXT MONTH IN HUSTLER

JOE SCARBOROUGH KILLER TURNED PUNDIT?

Did Joe Scarborough kill his intern? In July 2001, Lori Klausutis, a young female aide to the then-congressman and current MSNBC talking head, was found dead in Scarborough's Florida office. Scarborough immediately issued a bogus statement claiming the healthy 28-year-old had a "complicated medical history." Meanwhile, the final autopsy report—authored by a medical examiner whose license had been suspended for giving false testimony—conveniently downplayed the gash in the back of Klausutis's head and the cracks in her skull. Reporter Denis Wright untangles the web of deceit.

MR. BLONDE TALKS OUR EAR OFF

Michael Madsen, nominated by the American Film Institute as one of the best movie villains of all time for his role as the vicious Mr. Blonde in Quentin Tarantino's *Reservoir Dogs*, teamed up with the manic director once again for the upcoming flick *Kill Bill*. Find out what the tough-guy actor has to say about the movie, his blue-collar roots and his brief stint as Cher's brother-in-law in an in-depth HUSTLER exclusive by Stephen Sonneveld.

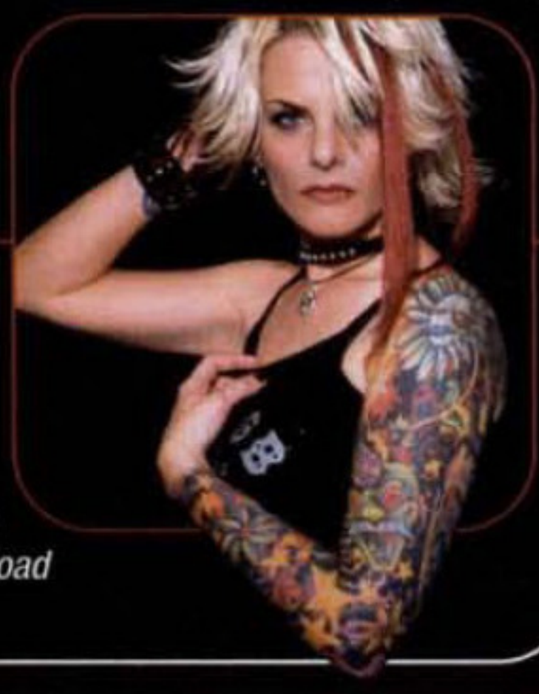
KATHY GRIFFIN YOUR *AVERAGE JOE* CELEBRITY

After playing the comic sidekick to Brooke Shields on the hit sitcom *Suddenly Susan*, Kathy Griffin stepped into the limelight of oddball celebrity. The winner of *Celebrity Mole: Hawaii* speaks out on her quasi-Hollywood status, why she once performed topless and how her new reality-TV show *Average Joe* is giving regular guys a shot at prime-time pussy. Don't miss this one-on-one interview with Features Editor Dan Kapelovitz.

HOLLYWOOD HORROR STORY

Horror films are currently making a comeback in Hollywood, but writer/director Eli Roth had a hellish time bringing *Cabin Fever*—his gruesome tale of a flesh-eating virus—to the screen. With his creation finally set for nationwide release, the indie director spills his guts on his behind-the-scenes battle with showbiz. Profile by Noah Belson.

SCREWED, LEWD AND TATTOOED



Bob Baxter, editor in chief of renowned tattoo mag *Skin & Ink*, emphasizes the skin while snapping pics of tattooed beauties from all over the Golden State. Body-art-loving babes are itching to show you theirs in a sneak peek at Baxter's upcoming photography book, *Tattoo Road Trip—California Cover Girls.*

PLUS! *Bits & Pieces* pokes fun at pop culture with another round of butt plugs, Web sites, naked chicks and newsbites.
